Guide to the Cinema(s) of Canada Peter Rist, 2001-07-30 This new volume in the Greenwood Press series Reference Guides to the World's Cinema discusses the films and personalities of the Canadian cinema. This guide encompasses the diverse output of both the English and French Canadian communities and includes 175 films and 125 filmmakers and actors. Alphabetically arranged entries discuss important films, actors, directors, shorts, and a number of experimental films. With few exceptions, films are included only if their production company was incorporated in Canada. Similarly, filmmakers and actors represent people who have worked primarily in Canada. This guide will interest scholars, students, and film buffs. Brief bibliographies after each entry provide sources for further reading. Three appendixes provide additional information regarding Canadian born filmmakers and actors excluded from the main text, winners of Canadian film awards, and a listing of the top ten Canadian films.

Aardman Animations Annabelle Honess Roe, 2020-02-06 The Bristol-based animation company Aardman is best known for its most famous creations Wallace and Gromit and Shaun the Sheep. But despite the quintessentially British aesthetic and tone of its movies, this very British studio continues to enjoy international box office success with movies such as Shaun the Sheep Movie, Flushed Away and Wallace and Gromit: Curse of the Were-Rabbit. Aardman has always been closely linked with one of its key animators, Nick Park, and its stop motion, Plasticine-modelled family films, but it has more recently begun to experiment with modern digital filmmaking effects that either emulate 'Claymation' methods or form a hybrid animation style. This unique volume brings together leading film and animation scholars with children's media/animation professionals to explore the production practices behind Aardman's creativity, its history from its early shorts to contemporary hits, how its films fit within traditions of British animation, social realism and fantasy cinema, the key personalities who have formed its ethos, its representations of 'British-ness' on screen and the implications of traditional animation methods in a digital era.

Canadian Film and Video Loren R. Lerner, 1997-01-01 This extensive bibliography and reference guide is an invaluable resource for researchers, practitioners, students, and anyone with an interest in Canadian film and video. With over 24,500 entries, of which 10,500 are annotated, it opens up the literature devoted to Canadian film and video, at last making it readily accessible to scholars and researchers. Drawing on both English and French sources, it identifies books, catalogues, government reports, theses, and periodical and newspaper articles from Canadian and non-Canadian publications from the first decade of the twentieth century to 1989. The work is bilingual; descriptive annotations are presented in the language(s) of the original publication. Canadian Film and Video / Film et vidéo canadiens provides an in-depth guide to the work of over 4000 individuals working in film and video and 5000 films and videos. The entries in Volume I cover topics such as film types, the role of government, laws and legislation, censorship, festivals and awards, production and distribution companies, education, cinema buildings, women and film, and video art. A major section covers filmmakers, video artists, cinematographers, actors, producers, and various other film people. Volume II presents an author index, a film and video title index, and a name and subject index. In the tradition of the highly acclaimed publication Art and Architecture in Canada these volumes fill a long-standing need for a comprehensive reference tool for Canadian film and video. This bibliography

guides and supports the work of film historians and practitioners, media librarians and visual curators, students and researchers, and members of the general public with an interest in film and video.

The Mindfulness Workbook for Addiction Rebecca E. Williams,Julie S. Kraft,2012-08-01 Most addictive behavior is rooted in some type of loss, be it the death of a loved one, coming to terms with limitations set by chronic health problems, or the end of a relationship. By turning to drugs and alcohol, people who have suffered a loss can numb their grief. In the process, they postpone their healing and can drive themselves further into addiction. The Mindfulness Workbook for Addiction offers readers an effective program for working through their addiction and grief with cognitive behavior therapy (CBT), dialectical behavior therapy (DBT), and acceptance and commitment therapy (ACT). Created by a psychologist who works for the Department of Veterans Affairs and a marriage and family therapist who works for Sharp Mesa Vista Hospital, this mindfulness training workbook is effective for treating the emotion dysregulation, stress, depression, and grief that lie at the heart of addiction. No matter the loss, the mindfulness skills in this workbook help readers process their grief, determine the function their addiction is serving, and replace the addiction with healthy coping behaviors.

The Worst Evil—Losing Yourself Arla Caraboolad,Loxia Robb,2011-01-28 Arlas journey left her sure she had a self, but uncertain where to look for validation of it. Fortunately, her self lead her to question God. She began to discover that God really does LOVE people, in fact He likes them, and anything that disconnects us from Him, or causes us to deny our potential, was not from God, but was a result, directly or indirectly, of evil. Drawing from her experience as a therapist, Arla shares how evil works through authority figures to make children (and adults) doubt their value and worth. She provides very detailed and practical advice about the struggle between good and evil that pervades our world; and how this battle manifests itself in our lives. She shows how false beliefs, even if youre unconscious of them, distort self-worth and lead us to make dangerous and discouraging choices; and how a correct understanding of God can heal you and lead to discovering your true self. Why do we make the choices we do? What is it that compels us to drift in certain directions? Are there forces working behind the scenes to affect our daily life? Are there tools we can employ in our lives that will make a difference? Do we have a choice? Must we accept the lies placed on us? Is there research that supports the affect of our choices? If you have wondered why you make choices you wish you didnt make, and how to start making choices that fulfill you and bring you to experience real joy, this is the book for you. Do you feel empty, like you have no choice? Can life change? Is there hope? Are you stuck? Here is understanding. Read and find strength and hope. Awaken to the fact that you are desired as you are.

Nervous Breakthrough Christy Boulware,2023-04-11 Exhaustion and hurry aren't a badge of honor. Fear and anxiety

rage in our world—a weight we carry, producing profound physical consequences. We hustle hard and strive more each day, our priorities mismatched with our Savior’s—struggling to surrender our lives to his will. We believe our superwoman tendencies are amazing when they are in fact alarming. What will it take to rock the boat enough to awaken our souls? A total nervous breakdown? A diagnosis of severe panic and anxiety disorder answered that question for Christy Boulware. Her fast-paced, highly driven, mis-prioritized life finally caught up with her. Eventually she went from being superwoman to staring at guns on her bedroom floor. Through her journey to recovery, Christy learned how to overcome fear and anxiety in a world that feeds both emotions. Whether you’re on the verge of a breakdown, in the middle of one, or worried you’re headed toward one—this book will show you how a breakdown can lead to a breakthrough. We have wasted enough time living in fear; let’s start living in freedom! Through this book, the reader will:

- Lay down superwoman tendencies and discover how to fully surrender to a trustworthy God.
- Stop anxiety before it starts by recognizing its smoke alarms.
- Recognize ungodly thoughts and replace them before they snowball out of control.
- Learn why the presence of fear does not mean your faith is weak.
- Discover where science complements God’s Word to achieve a balanced approach for overcoming anxiety.

Unhindered Abundance Ken Baugh, 2022-10 Rewire Your Brain with Truth from Scripture Have you ever felt stuck in your Christian life? Have you wondered if the abundant life Jesus promised is really available for you right here and right now? If you answered yes to either of these questions, then this book is for you. This book will help you identify the spiritual growth barriers that are keeping you stuck as well as show you the way to experience more of the abundant life: a life characterized by more love, joy, peace, and hope than you ever dreamed possible before. Ken Baugh draws us into the inner workings of the brain and the heart, which inform how we process negative and traumatic experiences, but which also can be diverted from health and wholeness by such negative experiences. How we process hard things intellectually and spiritually recalibrates us toward either health and wholeness or bitterness and defeatism. Ken helps us rewire our brains by simmering in the Scriptures that remind us whom we belong to and what God has promised us. The end result is a resilient, robust faith prepared to weather every storm and keep in step with Jesus.

The Perfect You Workbook Dr. Caroline Leaf, 2018-05-15 There are a lot of personality and intelligence tests out there designed to label you and put you in a particular box.
