*Illuminati* ROBERT HOWELLS,2018-02-14 A lo largo de la historia, los gobiernos, los dictadores y los líderes religiosos han luchado por aferrarse al poder por la fuerza o mediante la manipulación. Para contrarrestar estas fuerzas siempre han existido sociedades y grupos secretos que trabajan entre las sombras para la emancipación de la humanidad. Los Illuminati se constituyeron en 1776, entre masones y académicos europeos, con la intención de liberar a los humanos de la esclavitud física, mental y espiritual. Esto les hizo entrar en conflicto con la élite política y religiosa gobernante, pero condensaron todos los valores de la contracultura en un único sistema de disconformidad organizada que sigue siendo importante en la actualidad. El término Illuminati ha sido, desde entonces, usurpado por la idea de un nuevo orden mundial, pero sus principios viven a través de la contracultura y de las comunidades conectadas de la era de Internet. Los hacktivistas y los movimientos culturales como Anonymous y WikiLeaks libran, actualmente, una guerra contra las corporaciones y las agencias gubernamentales corruptas que intentan oprimir y explotar a la sociedad.

Monarcas Masones y otros príncipes de la Acacia Javier Alvarado Planas,2021 Desde hace 300 años los masones se llaman a sí mismos hijos de la Acacia porque este árbol, al tener la hoja perenne, simboliza la inmortalidad. Este libro explica la historia de la masonería a través de sus más altos dirigentes, las razones de que fuera prohibida en numerosos Estados e, incluso, condenada por diversas confesiones religiosas: se la acusaba de conspirar contra el trono y el altar con la finalidad de imponer una República Universal. De hecho, para muchos, la masonería fue y es una sociedad secreta al servicio de organizaciones republicanas, izquierdistas y anticlericales. No obstante, la presencia de nobles en las logias, con su perfil conservador, monárquico y católico, plantea una inquietante paradoja. Durante los siglos XVIII y XIX, fueron masones numerosos monarcas de Europa y buena parte de la nobleza titulada que ocupaba los más altos cargos políticos. Igualmente, eran masones cientos de sacerdotes católicos, muchos de ellos cardenales y obispos. Así las cosas ¿por qué motivo tales monarcas, como jefes de Estado de sus respectivos territorios, participarían en una revolución que buscaba destronarles? Y sin embargo, había algo en el secreto masónico, que justificaba las prevenciones de los Estados y de la propia Iglesia católica contra la masonería.Javier Alvarado Planas es Catedrático de Historia de las Instituciones en la Universidad Nacional de Educación a Distancia (Madrid), académico correspondiente de la Real Academia de la Historia y también de la Real Academia de Jurisprudencia y Legislación. Ha recibido diversos reconocimientos, como el Premio Nacional de Historia (Ministerio de Cultura), por su participación en la obra colectiva El Rey. Historia de la monarquía, la Cruz de Honor de San Raimundo de Peñafort (Ministerio de Justicia), o la Encomienda de la Orden de Isabel la Católica (Ministerio de Asuntos Exteriores). Sobre historia de la masonería ha publicado: — Masones en la nobleza de España; una Hermandad de iluminados (2016). — Templarios y masones: las claves de un enigma (2019). — Apercepciones sobre la iniciación masónica (2019).
