Highschool of the Dead (Color Edition), Vol. 6 Daisuke Sato,2013-12-17 As the mall refugees grow restless, Takashi and his comrades make plans to leave before Officer Asami's authority slides further and the group's order is completely undone. Unfortunately, just as final preparations for their departure are nearly complete, the mall's defenses are breached, and they come streaming in. Asami joins the Fujimi High students as they battle their way toward the exit, while the rest of the group seeks refuge on the roof. Their fortress has become a trap - can anyone hope to escape the mall of the dead?!

Highschool of the Dead (Color Edition), Vol. 5 Daisuke Sato,2013-12-17 Takashi and his fellow students join up with a band of survivors who have barricaded themselves inside a local mall. Though the shopping center seems a well-stocked place to hide from the undead lurking outside, the policewoman in charge is having a hard time maintaining peace within. The group from Fujimi High would rather not get involved in a power struggle and tries to stay under the radar until they are ready to set off again. But with so many attractive, buxom girls among the students, it may be nearly impossible to avoid unwanted attention of the worst kind...

Highschool of the Dead (Color Edition), Vol. 4 Daisuke Sato,2012-03-30 As fear becomes the norm and people begin to process what has happened, questions of authority and outcries against violence toward them - the zombie-like victims of the Murder Syndrome - cause dissent among those not affected. However, trapped in the airport with thousands of flesh-hungry undead, Rika and her partner have no choice but to use every weapon in their arsenal if they want to make it to safety. But with neighbor turning on neighbor, nation turning against nation, is anywhere really safe anymore?

Highschool of the Dead, Vol. 3 Daisuke Sato,2011-12-12 The high school escapees are joined by elementary-schooler Alice and a brave little dog as they make their way to the next safe house, not a soul (or corpse) in sight. The Alice's presence eases the tension, but as Marikawa-sensei drives farther into the neighborhood, they seem to be out in greater numbers. The car struggles to shake the relentless zombies while Takashi and Rei cling perilously to the roof. The group has been lucky so far, but will their determination and makeshift arsenal be enough to make it to safety alive?

Handbook of Research on Mass Shootings and Multiple Victim Violence Crews, Gordon A., 2019-10-25 The phenomena of mass shootings appear to be on the rise. Within the past decade, shootings have occurred in schools, religious institutions, concerts, movie theaters, and other public venues, as well as at home in the form of domestic mass shootings. This phenomenon is influenced by factors such as access to guns, mental illness, the desire for fame, revenge from being bullied, and copycat killing to name a few. Mass shootings are a serious problem for society and must be explored further in order to provide preventive solutions. The Handbook of Research on Mass Shootings and Multiple Victim Violence is a pivotal reference source that provides vital research on contributing factors to gun violence, characteristics of shooters and victims, solutions for preventing incidents from occurring, and the impact these shootings have on the community. While highlighting topics such as school safety, cyberbullying, and mental illness, this publication is ideally designed for law enforcement, government officials, psychologists, psychiatrists, sociologists, politicians, policymakers, law makers, academicians, researchers, and students seeking current research on the latest empirical findings of mass shootings in the United States.
