*Theater as Liturgy in the Post-Christian Age* Matthew Yde, 2024-05-03 This is the first book-length study of one of the most talented and exciting American playwrights working today. Stephen Adly Guirgis has said that God is the starting point and the finish line of his work, and this book identifies him as a playwright with a distinctly Christian sensibility who uses the technique of inculturation to translate the gospel for a secular audience. Critics have noted that his plays are peopled with poor, suffering minority figures, but few have also noted that these figures bear a remarkable similarity to the dispossessed with whom Jesus identifies in Matthew 25. Beginning with his early play *Den of Thieves* and proceeding through each of his dramas, this work examines Guirgis's plays within a biblical context. While noting that Guirgis is a writer of the post-Christian age who staunchly resists identification as a Christian playwright, the book situates him within the tradition of the drama of ideas as a powerful writer employing a dialectical method to inculcate the New Testament ethos and transform the theater space into a place of sacrament.

**The Routledge Companion to Actors' Shakespeare** John Russell Brown, 2012-05-23 The Routledge Companion to Actors' Shakespeare is a window onto how today's actors contribute to the continuing life and relevance of Shakespeare's plays. The process of acting is notoriously hard to document, but this volume reaches behind famous performances to examine the actors' craft, their development and how they engage with playtexts. Each chapter relies upon privileged access to its subject to offer an unparalleled insight into contemporary practice. This volume explores the techniques, interpretive approaches and performance styles of the following actors: Simon Russell Beale, Sinead Cusack, Judi Dench, Kate Duchene, Colm Feore, Mariah Gale, John Harrell, Greg Hicks, Rory Kinnear, Kevin Kline, Adrian Lester, Marcelo Magni, Ian McKellen, Patrice Naiambana, Vanessa Redgrave, Piotr Semak, Anthony Sher, Jonathan Slinger, Kate Valk, Harriet Walter This twin volume to *The Routledge Companion to Directors' Shakespeare* is an essential work for both actors and students of Shakespeare.

**The Little Flower of East Orange** Stephen Adly Guirgis, 2009-02-03 When Therese Marie arrives in the emergency room of a small hospital in the Bronx, suffering from hypothermia and in shock, no one there knows her story. To the doctors

and nurses, she is just another abandoned elderly woman who can't even tell them her name. But Therese Marie's dementia is not all that it seems. And when her prodigal son, Danny, returns to New York, Therese Marie must fight to maintain her dignity in light of her son's insistence on confronting the ugly secrets of their past. In this unconventional family drama, Stephen Adly Guirgis gives us a mother and son who must face a long family legacy of abuse in order to find the true meaning of grace.
