Thinking French Translation Sándor Hervey, Ian Higgins, 2024-11-01 The new edition of this popular course in translation from French into English offers a challenging practical approach to the acquisition of translation skills, with clear explanations of the theoretical issues involved. A variety of translation issues are considered including: *cultural differences *register and dialect *genre *revision and editing. The course now covers texts from a wide range of sources, including: *journalism and literature *commercial, legal and technical texts *songs and recorded interviews. This is essential reading for advanced undergraduates and postgraduate students of French on translation courses. The book will also appeal to wide range of language students and tutors. A tutors' handbook offering invaluable guidance on how to use the text is available for free download at <http://www.routledge.com/cw/thinkingtranslation/>

Contemporary Federalist Thought in Quebec Antoine Brousseau Desaulniers, Stéphane Savard, 2023-06-15 Quebec's most recent attempts to assert its distinctiveness within Canada have relied on unilateral constitutional means to strengthen its French and secular character, suggesting that an important change of political culture has taken place in Quebec. With its diverse team of researchers, Contemporary Federalist Thought in Quebec considers the recent history of the debate that once threatened Canada with disjunction, exploring the federalist thought that continues to shape constitutional debate in Quebec. Examining historical perspectives from 1950 to the present day, the volume draws portraits of the key actors in the federalist movement - including political leaders, intellectuals, academics, activists, and spokespersons for pressure groups - comparing their various outlooks, interventions, and values, and examining the ties that bind these actors to the sense of nationalism that emerged during Quebec's Quiet Revolution. Taking a multidisciplinary approach, Contemporary Federalist Thought in Quebec casts new light on the continuing debate surrounding Quebec's place in Canada and gives nuance to what is traditionally conceived as a rigid opposition between sovereigntists and federalists in the province.

Impersonals and other Agent Defocusing Constructions in French Michel Achard, 2015-01-14 This book investigates French impersonals as a functional category. Any structure whose agent is defocused and whose predicate describes a situation stable enough to be generally available should be considered impersonal. In addition to il impersonals, the category also includes demonstrative (ce/ça), middle (se), and indefinite (on) structures. These different forms belong to

the same functional category because they systematically code general and predictable events that cannot be imputed to a specific cause. Because generality and predictability are gradual notions, impersonals can only be identified within the context of specific constructional islands which therefore constitute the organizing principle of the French impersonal category. Conducted in Cognitive Grammar, the analysis follows the functional tradition in expanding the scope of French impersonals beyond *il* constructions, but also proposes a way of precisely delineating the category. This book will be of interest to anyone interested in impersonal constructions and French linguistics.

Joyful Babel, 2021-11-22 *Joyful Babel: Translating Hélène Cixous* is a selection of critical essays on translation and the writing of Hélène Cixous, with contributions from translators of her texts into different languages and cultures. The present volume is unique in that it is the first collection of essays on the work of Cixous from the perspective of translation. It presents new explorations into translating as process, theory and practice, and new insights on Cixous's fictional and theoretical world. It is an international collection, open to readings of Cixous's writing, including the theoretical, fictional and dramatic discourses. The variety of intersecting subjects and perspectives provokes, interrogates and explores Cixous's theory and writing in ways that will contribute to a deeper understanding of her oeuvre, will motivate new debates as well as inspire new research. This book is addressed to a wide range of readers, from those who initiate themselves to translation or already practise it, to readers and critics of Cixous's work, linguists and translation theorists, scholars interested in gender and postcolonial issues, and critics of contemporary literature; thus, not only academics but also professional translators, as well as drama/theatre staging practitioners.

De grandes attentes | French Translation of Great Expectations Charles Dickens, *Orphelin et en quête d'une vie meilleure*, le jeune Pip voit son destin bouleversé à jamais lorsqu'il croise la route d'un forçat évadé et d'une femme recluse au cœur brisé. Alors qu'il accède mystérieusement à la richesse et est propulsé dans la haute société, Pip lutte avec l'ambition, l'amour et la véritable signification du succès. *De Grandes Espérances* est un récit intemporel d'espoir, de rédemption et du prix des rêves, porté par le talent narratif inégalé de Charles Dickens.

Malheur | French Translation of Hard Times Charles Dickens, Dans la sombre ville industrielle de Coketown, les faits règnent en maîtres et l'imagination est proscrite. Thomas Gradgrind, un maître d'école strict, élève ses enfants dans le culte absolu de la logique — pour finalement les voir sombrer sous le poids de sa philosophie. Louisa, piégée dans un mariage sans amour avec le redoutable propriétaire d'usine Josiah Bounderby, peine à trouver un sens dans un monde privé d'émotions. Pendant ce temps, le brave ouvrier Stephen Blackpool lutte contre l'injustice dans une société qui traite les travailleurs comme de simples machines. Critique virulente de l'industrialisation et de l'utilitarisme, Les Temps difficiles est l'un des romans les plus puissants et les plus structurés de Charles Dickens. Avec ses personnages inoubliables et son commentaire social percutant, il demeure une exploration intemporelle de l'âme humaine face à la froide mécanique du progrès.
