Feature Films, 1960-1969 Harris M. Lentz,2001 This is a filmography of not only all of the English-language movies made during the 1960s that had a theatrical release but major foreign films exhibited in the United States as well. The films are listed alphabetically and the following information is provided for each: year of release, nation of origin if other than the United States, production/distribution company, black and white notation (if not in color), running time, genre, production credits, cast and characters, and a brief synopsis. This turbulent decade is unusually interesting in the history of cinema. Those films released in the early part of the decade were similar to those of the 1950s, but as the years passed, the offerings changed in many ways.
