ODYSSEY SUSHANT MALLIK, 2019-11-08 Odyssey is a reflective introspection and an honest endeavour to introduce the readers to the simple and beautiful life of the Northeast and its people who cheerfully struggle to defeat hardships and adapt to make life meaningful and happy by remaining as true sentinels of humanity and nature. While there is an incessant rush of people to get settled in or near big cities to find easier lives, almost all tribal communities of remote border villages still stick to their native soil and withstand hardship and deprivation. The attachment to their village on the national border, generation after generation, gives our border a special significance. It is an immense blessing to be enlightened by experiencing the life in the faraway villages of Nagaland and Manipur from very near for quite a long time. In one way, this helps one shun misconceptions about people who continue to stay away from the so-called mainland. I hope that when people realise how beautiful the Northeast is, they will make efforts to visit. The state will then be motivated to reach the remote areas to ensure the betterment of the people there. The sense of courtesy in people, their agility, the landscape, hills, rivers, streams, greenery and everything else are simply mesmerising and inspiring. The environment itself in the Northeast embraces all with its indescribable charm.

You Are Here Meenakshi Reddy Madhavan, 2008-08-14 At twenty-five, life's entanglements are getting to Arshi. Her American step-mom is trying too hard—welcoming guests with a traditional aarti—while the gorgeous guy who has Arshi all flushed and dreamy doesn't seem to be trying at all. Her best Friend Deeksha is getting married in a few months, and her flatmate Topsy is becoming testier by the day because her conservative family will never approve of her darling boyfriend. And then there's a cheating ex, a weepy neighbour and an evil boss—who all need to be told off. Her head spinning from the chaos, Arshi realizes that what she needs most right now (besides a barrelful of alcohol and some serious post-coital cuddling) is to figure out where she is and what she wants. Saucy, wise and audaciously candid, *You Are Here* is a spirited

exploration of a young woman's life.

Global Nepalis David N. Gellner, Sondra L. Hausner, 2018-06-09 Migration has been a basic fact of Nepali life for centuries. Over the last thirty years, migration from Nepal has increased diaspora communities across the world. In these diverse contexts, to what extent do Nepalis reproduce their culture and pass it on to subsequent generations? How much of diaspora life is a response to social and political concerns derived from the homeland? What aspects of Nepali life and culture change? In this volume twenty-one authors address these issues through eighteen detailed case studies that tackle issues of livelihood, identity and belonging, internal conflict, and religious practice, in the UK, the USA, India, Southeast Asia, the Gulf countries, and Fiji. Throughout the volume, we see how being Nepali outside Nepal enables new categories and new kinds of identity to emerge, whether as Nepali, Gorkhali, or as a member of a particular ethnic, regional, or religious group. The common theme of *Global Nepalis* is the exploration of continuity, change, and conflict as new practices and identities develop in Nepali diaspora life. exponentially, leading to many new

The Love Baby Jaideep Khodaskar, 2018-05-30 How I wish marriage could offer insurance for love! We marry for companionship, to spend our life with another person in the best possible manner. As time progresses, marriage like any other relationship passes through different phases of life. Relatives, friends, finance and children have a significant impact on marriage and test the bond between a husband and wife. Situations threaten to derail the heart and mind that has forgotten to 'love,' the essence of any marriage and the strength that holds two hearts together to overcome any challenge. But once 'love' is lost from a relationship, the strength to live life is lost. The heart and mind start sailing in a stormy sea of emotions, looking for something or someone to hold the heart steady and calm the turbulence in the mind. *The Love Baby* is a story of a loving heart that has lost the love in its life, and so it struggles to survive. It is the story of a woman who puts her everything at stake to find happiness again and undertakes a journey from a loveless married life to a blissful love life.

Focus: Popular Music in Contemporary India Natalie Sarrazin, 2019-11-28 Focus: Popular Music in Contemporary India

examines India's musical soundscape beyond the classical and folk traditions of old to consider the culturally, socially, and politically rich contemporary music that is defining and energizing an Indian youth culture on the precipice of a major identity shift. From Bollywood film songs and Indo-jazz to bhangra hip-hop and Indian death metal, the book situates Indian popular music within critical and historical frameworks, highlighting the unprecedented changes the region's music has undergone in recent decades. This critical approach provides readers with a foundation for understanding an Indian musical culture that is as diverse and complex as the region itself. Included are case studies featuring song notations, first-person narratives, and interviews of well-known artists and emerging musicians alike. Illuminated are issues of great import in India today—as reflected through its music—addressing questions of a national aesthetic, the effects of Western music, and identity politics as they relate to class, caste, LGBTQ perspectives, and other marginalized voices. Presented through a global lens, *Focus: Popular Music in Contemporary India* contextualizes the dynamic popular music of India and its vast cultural impact.

Wired for Sound Paul D. Greene, Thomas Porcello, 2012-01-01 Winner of the Society for Ethnomusicology's Klaus Wachsmann Award (2006) *Wired for Sound* is the first anthology to address the role of sound engineering technologies in the shaping of contemporary global music. *Wired sound* is at the basis of digital audio editing, multi-track recording, and other studio practices that have powerfully impacted the world's music. Distinctions between musicians and engineers increasingly blur, making it possible for people around the globe to imagine new sounds and construct new musical aesthetics. This collection of 11 essays employs primarily ethnographical, but also historical and psychological, approaches to examine a range of new, technology-intensive musics and musical practices such as: fusions of Indian film-song rhythms, heavy metal, and gamelan in Jakarta; urban Nepali pop which juxtaposes heavy metal, Tibetan Buddhist ritual chant, rap, and Himalayan folksongs; collaborations between Australian aboriginals and sound engineers; the production of heaviness in heavy metal music; and the production of the Austin sound. This anthology is must reading for anyone interested in the global character of contemporary music technology. CONTRIBUTORS: Harris M. Berger, Beverley Diamond, Cornelia Fales, Ingemar Grandin, Louise Meintjes, Frederick J. Moehn, Karl Neunfeldt, Timothy D. Taylor, Jeremy Wallach.

Routledge Handbook of Indian Cinemas K. Moti Gokulsing, Wimal Dissanayake, 2013-04-17 India is the largest film producing country in the world and its output has a global reach. After years of marginalisation by academics in the Western world, Indian cinemas have moved from the periphery to the centre of the world cinema in a comparatively short space of time. Bringing together contributions from leading scholars in the field, this Handbook looks at the complex reasons for this remarkable journey. Combining a historical and thematic approach, the Handbook discusses how Indian cinemas need to be understood in their historical unfolding as well as their complex relationships to social, economic, cultural, political, ideological, aesthetic, technical and institutional discourses. The thematic section provides an up-to-date critical narrative on diverse topics such as audience, censorship, film distribution, film industry, diaspora, sexuality, film music and nationalism. The Handbook provides a comprehensive and cutting edge survey of Indian cinemas, discussing Popular, Parallel/New Wave and Regional cinemas as well as the spectacular rise of Bollywood. It is an invaluable resource for students and academics of South Asian Studies, Film Studies and Cultural Studies.
