The Meaning Is in the Dirt Marlette B. Reed, B.Ed., MA, Annette M. Lane, RN, PhD, 2019-11-30 From the authors of Making Meaning in Older Age and Older Adults: Understanding and Facilitating Transitions (now in its third edition) Many demands in life can impede meaning-making. The pressures of work, ongoing education, raising a family, caregiving for older relatives—and more—compete for our time to pursue meaning in life. The work of character development, the effort and discipline(s) needed for purposeful living, and learning healthy ways of dealing with adversity can get short-circuited, leaving people with a sense of internal emptiness or quiet desperation. The desire to live a perfect life, one untroubled by "messiness," whether in our homes or in our life choices, can leave us with the nagging question: "What's it all for?" This book offers short and easy-to-read meditations that address making meaning through the metaphor of dirt. With their decades of working with people facing challenging circumstances, identical twins Marlette and Annette explain why making meaning is important, and they outline practical ways in which adults can find meaning in their lives. Transparent and real, the authors address the challenging circumstances we may think disturb our lives unfairly (but may, in fact, lead to greater richness), as well as discuss the impact in the world of living purposefully. The authors write with insight and warmth as well as personal experience of adversity; they provide persuasive reasoning for the importance of living intentionally and meaningfully in the messiness of life. The meaning really is in the dirt!

Numinous Jeffrey C McAndrew, 2019-05-11 This is a novel about a minister's struggle with his own faith. It's also a story about the battle within all of us to maintain consistency and integrity of character during life's toughest times. In the book, Pastor Nathan Simone becomes increasingly more skeptical of the strict rules of organized religion and questions "why he is playing this game." He enjoys helping others but feels more and more caught in the grips of a troubling ethical crisis fueled by church politics. To help him through his journey he sees visions, the spirits representing the battle between love and truth. The pastor believes that the inspiring visions come directly from God. God teaches him that our current conceptions of reality are far off from what really exists and that one needs to be infinitely humble and retain a vibrant wonder about life "like a young child gazing at the stars in the night sky." It slowly dawns on our main character that religion may be less divinely inspired and more of a creation of mankind. The story also contains a surprise conclusion that the reader may not expect.

I Dare You to Be in the Top 20% Dan Pederson, 2022-01-14 Praise for I Dare You I Dare You is one of the most inspiring books I have ever read. If you want to be successful in business, family and life, it is a must read. Chapter seven and Life's 7 F's says it all. Jeanne Evans CMA (Certified Medical Assistant). This book is amazing! It will help you remember why you started your journey to be in the Top 20%. Believe in yourself, set goals, achieve your goals, invest in yourself, follow your dreams, and most of all WORK HARDER is the theme of I Dare You! Charles Russell Walker III, Entrepreneur Something happens when you get absorbed by a book, and you love it so much that you will write your thoughts in the margins. Becoming a student of I Dare You is about learning and achieving results when you are active in the process. When you make notes in the margin and underline a sentence, you can hear yourself talking with the author, in this case me. When you are so excited about a sentence or paragraph because of how it relates to you, and you decide to write a note on the inside cover or in the margin, you can not only see and feel my ideas taking shape, but more importantly, your thoughts. You can even argue with me the author under your breath, or I hope out loud and come up with your theories, ideas, and explanations as to what is happening in your life or business concerning the ideas in this book. In all of these ways, you become a co-author of my

book entitle I Dare You. I Dare You' is an experience that cannot be taught in a classroom. It is all about absorbing the ideas, making them your own, and aspiring to be in the Top 20%.

You Are Loved Ronnie Lee Johnson,2021-07-28 You Are Loved is like chatting with God on a summer day. Just lounging in the shade with an occasional gentle breeze. The more you read the book the more you will understand what real divine love is all about. God will give you something to hold on to in this book. That something is His inconceivable love and compassion for you. God does not just love the world. He loves you, intimately. “Ronnie is a caring and compassionate gentleman with a wealth of life experience. We would all greatly benefit from reading and implementing his ideas and counsel. In every book there are nuggets that should not be overlooked. I pray you find a few of those nuggets in this work that will be to your profit.” Steve Veteto, PhD Director, Rocky Mountain Campus Gateway Seminary It has been my privilege to know Ronnie Johnson for most of my life. I know firsthand of his background, education, and experiences, which have all qualified him to write this book. Most of all, I know of his Christ-motivated love for family, friends, and for those who have yet to know the love of God. I also know of his love for Christ, and that Christ’s love for him is his example and his purpose in life. Leon Shelton Life-long friend Ogden, UT

Prosper Your Soul, Beloved Vicki Heymann,2020-12-03 Beloved I pray that you may prosper in all things and be in health, just as your soul prospers 3 John 2 (NKJV) It has been a dream of mine to prosper financially using biblical principles. I prayed about it, and then one morning, the Lord told me that it was time and that He would teach me. He instructed me to wait on Him every morning and to write down the things He taught me. I followed His instructions, guidance, and wisdom, writing it all down for a full year. This book is the result of our time together. To my surprise, this became a book of many books! The Lord would guide me to a specific book, teach me from it, and then move on to the next book. It was totally supernatural! As I followed the leading of the Lord, it became clear to me that God was taking me on a year-long journey of

prospering my soul, which in turn would influence my financial situation. I learnt that I could not prosper in any given area unless my soul prospered in that area too, hence the book's title. This book takes many twists and turns, and even has a few surprises. Did I reach my goal of financial prosperity? You have to read it to find out!

Bridging the Communication Gap Dr. James J. Haviland, 2021-03-16 I have deep seated and to some extent unconscious concern that I had harbored for some twenty-five years and would continue to research for the next twenty-five years. How could one person be so much more valuable to an organization than another? And more pointedly, how could I become that person? The mystery lay before me. My quest became to solve the mystery of what constitutes individual financial value or worth to an organization and to discern how this dynamic or trait is transferred to personal relationships. If in fact this trait is transferable to personal relationships, it becomes priceless. This book reflects the journey experienced in solving the mystery. Enjoy the journey. Enjoy the future.

The Story of Micah Kathleen J. Perry, 2016-07-21 The Story of Micah, journeys through the life of a boy born with Down syndrome and a life threatening heart defect. Nonetheless, he is able to bring love and hope to a world where many still

believe, If its broken, throw it away. The mother, who never imagined she would be the one to birth a child with an unexpected outcome, explores the uncertainties of what lay ahead on this unfamiliar road. Micahs body is frail from battling illness throughout the first year of life, causing hope to seem unreachable, as chances for survival wane! Despair attempts to become this mothers companion, putting faith to the ultimate test. However, hope whispers to persevere. Would she direct her gaze toward the crashing waves, or resolve to move forward toward faith? This tiny boy helps his mother realize, she did not have to be the perfect mother; she just needed to persevere, put God first, and do her best! Gods plan all along, was to dismantle expectations of human perfection, replacing it with Gods love. Through lifes battles, Micah becomes a champion, overcoming challenges of life with a steady determination, teaching us to believe the impossible. His life urges us, not to hold back, knock down restrictive walls and rise above the circumstances. Micahs extraordinary gift to us has been a life worth living!

STEPPING STONES FOR CAREGIVERS Karen Leeman,2024-08-07 Today there are approximately fifty-three million informal, family caregivers in the United States. Informal, family caregivers have little to no training, yet they serve a vital role functioning as the backbone of the medical industry. While rewarding, caregiving takes a mental and emotional toll on the caregiver. The nature of caregiving combined with career, family, and life obligations often result in caregiver fatigue, loneliness, grief, and depression. *Stepping Stones for Caregivers* offers a unique perspective for nourishing the soul of the

caregiver. The inner being of the caregiver – identity, self-love, self-care, self-worth – is often diminished due to the intense demands of caregiving. Stepping Stones for Caregivers provides ten principles to nourish the caregiver soul. Written from a caregiver to caregivers, these ten principles are impactful, non-timing consuming practices to navigate the mental and emotional trauma associated with caregiving. In Stepping Stones for Caregivers, you will learn how to: • Transform thought patterns • Regain your unique identity • Foster gratitude and self-compassion • Release emotional baggage • Embrace the natural flow of life Stepping Stones for Caregivers amplifies the positive aspects of caregiving while recognizing the inherent, often unrecognized aspects of caregiving. Nourish you soul with the raw, poignant experiences from one caregiver to other caregivers. Providing compassionate hope and understanding, return often to the stepping stones for stability and peace.
