Wicked Jennifer L. Armentrout, 2014-11-04 Things are about to get Wicked in New Orleans. Twenty-two year old Ivy Morgan isn't your average college student. She, and others like her, know humans aren't the only thing trolling the French Quarter for fun... and for food. Her duty to the Order is her life. After all, four years ago, she lost everything at the hands of the creatures she'd sworn to hunt, tearing her world and her heart apart. Ren Owens is the last person Ivy expected to enter her rigidly controlled life. He's six feet and three inches of temptation and swoon-inducing charm. With forest-green eyes and a smile that's surely left a stream of broken hearts in its wake, he has an uncanny, almost unnatural ability to make her yearn for everything he has to offer. But letting him in is as dangerous as hunting the cold-blooded killers stalking the streets. Losing the boy she loved once before had nearly destroyed her, but the sparking tension that grows between them becomes impossible for Ivy to deny. Deep down, she wants... she needs more than what her duty demands of her, what her past has shaped for her. But as Ivy grows closer to Ren, she realizes she's not the only one carrying secrets that could shatter the frail bond between them. There's something he's not telling her, and one thing is for certain. She's no longer sure what is more dangerous to her-the ancient beings threatening to take over the town or the man demanding to lay claim to her heart and her soul.

Maas and Laura Thalassa. A Maiden... Chosen from birth to usher in a new era, Poppy's life has never been her own. The life of the Maiden is solitary. Never to be touched. Never to be looked upon. Never to be spoken to. Never to experience pleasure. Waiting for the day of her Ascension, she would rather be with the guards, fighting back the evil that took her family, than preparing to be found worthy by the gods. But the choice has never been hers. A Duty... The entire kingdom's future rests on Poppy's shoulders, something she's not even quite sure she wants for herself. Because a Maiden has a heart. And a soul. And longing. And when Hawke, a golden-eyed guard bound to ensure her Ascension, enters her life, destiny and duty become tangled with desire and need. He incites her anger, makes her question everything she believes in, and tempts her with the forbidden. A Kingdom... Forsaken by the gods and feared by mortals, a fallen kingdom is rising once more, determined to take back what they believe is theirs through violence and vengeance. And as the shadow of those cursed draws closer, the line between what is forbidden and what is right

becomes blurred. War is coming, and it soon becomes clear that what Ivy and Ren thought they knew about the Order, themselves, and even their enemies, has been nothing but a cluster of dangerous, deadly lies. Ivy knows she must be more than just brave to save those she loves--and, ultimately, to save herself. Because behind every evil fae Prince, there's a Queen....

It was also my first Rebecca Zanetti book, and it will not be my last" - Heather, Goodreads Reviewer "The story had a fast pace, and some great characters who I really enjoyed learning about. This may well draw me to the rest of the series as the plot and characters were very well written." - Bookworms Corner Blog "This story has humor, suspense, and great chemistry between the characters. Slayed by Darkness: A Guardians of Eternity Novella Alexandra Ivy, 2021-09-27 From New York Times and USA Today bestselling author Alexandra Ivy comes a new story in her Guardians of Eternity series... Only an idiot would try to kidnap Jayla. She's a take-no-prisoner kind of vampire who rebelled against the previous King of Vampires, and now regularly battles with both human and demon enemies who resent the success of Dreamscape casino she manages in Hong Kong. So when she's snatched off the streets, she doesn't bother to struggle. Instead she starts plotting her slow, bloody revenge. The last creature she expects when she arrives at her destination is Azrael, the mysterious mercenary vampire she killed a century ago. Azrael has never forgotten Jayla, and not just because she tried to stab a stake through his heart. He'd never encountered a female who could match him in battle. Her raw courage was sexy as hell. And it didn't hurt that she was drop-dead gorgeous. But, he didn't abduct her because he desired her. Or at least, that wasn't his main motivation. He needs her rare talent to stop time. An evil fey has stolen his sword. The weapon is magically bound to him, and unless he retrieves it, he's doomed to a painful death. **Every 1001 Dark Nights novella is a standalone story. For new readers, it's an introduction

to an author's world. And for fans, it's a bonus book in the author's series. We hope you'll enjoy each one as much as we do.**
Reviews for *Slayed by Darkness*: "One of my favorite PNR series - Ivy spins such a fantastically fun world with solid storylines and characters that easily stay with you long after you close the pages" - A Wonderful World of Words "I am hooked. I want more of this. I can't believe this is my first book by this author and now I will be picking up the rest in the series. I love the world and the magic and the suspense and chemistry is amazing." - Mari Loves Books Blog "This is a short story that packs a big punch." - Read All About It
