**Susan G. Davis**

**East Texas Nan's Favorite 1,000 Quotes on Inspiration, Wisdom, Humor, Texas & More** Susan G.

Davis,2019-12-13 East Texas Nan's Favorite 1,000 Quotes on Inspiration, Wisdom, Humor, Texas & More By: Susan G. Davis In 1995 Susan G. Davis (Nan is what Susan's 5 year old grandson called her) 5 year old grandson Clint gave her a journal for Christmas. He suggested "why don't you put all of those quotes you're collecting in that old notebook in this journal" So for 20 years Davis filled her journal. When Clint came home on leave from the Air Force and asked her about the journal, he was surprised that she had accumulated enough information to fill the entire journal! It was he who suggested she put together her collection and create this book for everyone to enjoy. Within the pages of East Texas Nan's Favorite 1,000 Quotes on Inspiration, Wisdom, Humor, Texas & More, Davis hopes that anyone can walk away with something that will enrich their daily lives. Whether it be a ray of optimism, an answered question, inspiration when they need to be uplifted or when they need their funny bone tickled or and animal anecdote to tug at their heart strings or some Texas tidbit. This little book has something for everyone and can be read over and over.

*Common and Uncommon Quotes: A Theory and History of Epigraphs* Jared A. Griffin,2023-03-07 'Common and Uncommon Quotes: A Theory and History of Epigraphs' is a prolegomenon to the study of epigraphic paratextuality. Building on the work of Gerard Genette's paratextual studies, this volume contextualizes and traces the practice of epigraphy in Anglophone literary history, from the fifteenth to the early twentieth century. This study explores how epigraphs are used by author-functions as a hermeneutic for their text and to establish ethos with their audience, and how that paratextual relationship changed as publishing opportunities and literacy rates grew over four centuries. The first broad-reaching study of this kind, 'Common and Uncommon Quotes' seeks to understand how epigraphs work: through their privilege on the page, their appeal to conjured ideas of the past, and their calls to citizenship.

Remember the Alamo Paul Robert Walker,2007 An account of the famous battle of the Alamo which presents different points of view of the event.

**The Alamo** Don Nardo,2012-12-17 The Alamo often conjures up images of rugged frontiersmen, the likes of Davy Crockett and James Bowie, shoring up the defenses of the fort against the forces of General Antonio Lopez de Santa Anna. These events did take place, but The Alamo was a small flashpoint in a wider struggle for control of a strategically vital

region known as Texas. Seen as a bulwark against the French and British empires to the north, the newly independent nation of Mexico had to secure the territory or risk encroachment on its northern border. This compelling volume examines The Alamo within the wider context of the struggle for control of Texas. Chapters explain the events that led to the battle, provide a gripping description of the siege itself with detailed discussions of the primary figures involved, and describe the legacy of this lost battle to American politics and culture.

**Death of a Legend** Bill Groneman, 1999-06-15 On March 6, 1836 one of the most well-known Americans of his time fought and died in one of America's most celebrated battles. In recent years the fate of David Crockett at the Alamo has become a subject of controversy and debate.

**To the Line of Fire!** José A. Ramírez, 2009-10-05 Winner of the 2009 Robert A. Calvert Prize In January 1917, German foreign minister Arthur Zimmermann sent a telegram to Germany's Mexican ambassador, authorizing the offer of U.S. territory in exchange for Mexico's alliance with Germany in the Great War. After the interception of this communication, U.S. intelligence intensified surveillance of the Mexican American community in Texas and elsewhere, vigilant for signs of subversive activity. Yet, even as this was transpiring, thousands of Tejanos (Mexican Texans) were serving in the American military during the war, with many other citizens of Mexican origin contributing to home front efforts. As author José A. Ramírez demonstrates in *To the Line of Fire!*, the events of World War I and its aftermath would decisively transform the Tejano community, as war-hardened veterans returned with new, broadened perspectives. They led their people in opposing prejudice and discrimination, founding several civil rights groups and eventually merging them into the League of United Latin American Citizens (LULAC), the largest and oldest surviving Hispanic civil rights organization in the United States. Ramírez also shows the diversity of reaction to the war on the part of the Tejano community: While some called enthusiastically for full participation in the war effort, others reacted coolly, or only out of fear of reprisal. Scholarly and general readers in Texas history, military history, and Mexican American studies will be richly rewarded by reading *To the Line of Fire!*

**Questions and Answers about the Alamo** Dwayne Hicks, 2018-08

**Fighting Stock** Richard B. McCaslin, 2019-05-02 In *Fighting Stock*, Richard B. McCaslin illuminates numerous facets of Ford's life typically overshadowed by emphasis on his identity as Ranger and soldier in nineteenth-century Texas. In this third volume of the Texas Biography Series, published by TCU Press and The Center for Texas Studies, McCaslin reveals Ford as a man spurred on by the legacy of his nation-building grandfathers and his own strong convictions and energy to become a force in shaping Texas as a Southern state before and after the Civil War. Ford's battles as a Ranger, and as a leader of Texas' military forces allied with the Confederacy, were only part of his legacy in Texas history. He was also a physician, lawyer, and the editor of several newspapers, and among his many roles in politics and civil service were multiple

terms as a state legislator and the mayoralty of Austin and Brownsville. Later in life, he fought to preserve Texas history and wrote his own extensive memoirs. Known for his courage and toughness as a military commander, Ford was also a talented strategist, diplomat, and community leader. McCaslin's in-depth historical detail paints a full picture of this famous Texan, a fighter not only on the battlefield, but on the civic and political fields as well.

**Texan Tales: Twists and Turns** Pasquale De Marco, 2025-05-11 **\*\*Texan Tales: Twists and Turns\*\*** is a captivating collection of tales, legends, and lore from the Lone Star State. From the ghostly encounters in San Antonio's missions to the unsolved mysteries of the Marfa Lights, this book delves into the heart and soul of Texas. With a unique blend of history, culture, and humor, Texan Tales: Twists and Turns paints a vivid portrait of Texas's rich past and vibrant present. Readers will be transported to the dusty frontier towns of the Wild West, where cowboys and outlaws roamed the land, and to the bustling cities of today, where the spirit of Texas shines brighter than ever. This book is a celebration of all things Texan, from the state's iconic cuisine to its legendary sports teams. It is a testament to the indomitable spirit of the people of Texas, who have shaped the Lone Star State into a place of boundless opportunity and endless possibilities. Whether you are a lifelong Texan or a visitor from afar, Texan Tales: Twists and Turns is sure to captivate and entertain you. With its engaging storytelling and fascinating insights, this book is a must-read for anyone who wants to experience the true heart of Texas. So sit back, relax, and prepare to be amazed by the incredible tales that unfold within these pages. Texan Tales: Twists and Turns is a journey through the Lone Star State that you will never forget. **\*\*About the Author\*\*** Pasquale De Marco is a lifelong Texan who has always been fascinated by the rich history and culture of his home state. He has spent years researching and collecting the stories that are featured in Texan Tales: Twists and Turns. He is passionate about sharing the unique spirit of Texas with readers around the world. Extinct Lands, Temporal Geographies Mary Pat Brady, 2002-11-15 Examines how Chicana literature -- its narrative techniques, stylistic conventions, plot dilemmas and resolutions -- interrogate the multiple ways space and social relations constitute each other.

**Comic Books and American Cultural History** Matthew Pustz, 2012-02-23 Comic Books and American Cultural History is an anthology that examines the ways in which comic books can be used to understand the history of the United States. Over the last twenty years, there has been a proliferation of book-length works focusing on the history of comic books, but few have investigated how comics can be used as sources for doing American cultural history. These original essays illustrate ways in which comic books can be used as resources for scholars and teachers. Part 1 of the book examines comics and graphic novels that demonstrate the techniques of cultural history; the essays in Part 2 use comics and graphic novels as cultural artifacts; the third part of the book studies the concept of historical identity through the 20th century; and the final section focuses on different treatments of contemporary American history. Discussing topics that range from romance comics

and Superman to American Flagg! and Ex Machina, this is a vivid collection that will be useful to anyone studying comic books or teaching American history.

**The Alamo Messenger** ,2000

*The Alamo Reader* Todd Hansen,2003 If everyone was killed inside the Alamo, how do we know what happened? This surprisingly simple question was the genesis for Todd Hansen's compendium of source material on the subject, The Alamo Reader. Utilising obscure and rare sources along with key documents never before published, Hansen carefully balances the accounts against one another, culminating in the definitive resource for Alamo history.

**Drink Cultura** José Antonio Burciaga,1993 Presents the Chicano experience of living within, between, and sometimes outside two cultures, exploring the damnation, salvation, and celebration of it all.

*Celluloid Blackboard* Alan S. Marcus,2006-10-01 This volume advocates for including feature films in secondary history classrooms through examining the ways in which films can promote students' historical understanding while also addressing the potential drawbacks to using film. In part one the essays explore three frameworks for the analysis of film by secondary students. Part two fills a void in the scholarship, reporting on four recent studies that explore how the use of film may encourage the development of students' historical understanding. Finally, part three describes the results from two secondary teachers incorporating film into their history classrooms.

*The Rotarian* ,1982-08 Established in 1911, The Rotarian is the official magazine of Rotary International and is circulated worldwide. Each issue contains feature articles, columns, and departments about, or of interest to, Rotarians. Seventeen Nobel Prize winners and 19 Pulitzer Prize winners - from Mahatma Ghandi to Kurt Vonnegut Jr. - have written for the magazine.

*Materializing Democracy* Russ Castronovo,Dana D. Nelson,2002-06-21 Investigates the complex histories and conflicting desires that are generally concealed behind the term "democracy."

**Last Stands from the Alamo to Benghazi** Frank Wetta,Martin Novelli,2016-12-08 Last Stands from the Alamo to Benghazi examines how filmmakers teach Americans about the country's military past. Examining twenty-three representative war films and locating them in their cultural and military landscape, the authors argue that Hollywood's view of American military history has evolved in two phases. The first phase, extending from the very beginnings of filmmaking to the Korean War, projected an essential patriotic triumphalism. The second phase, from the Korean and Vietnam Wars to the present, reflects a retreat from consensus and reflexive patriotism. In describing these phases, the authors address recurring themes such as the experience of war and combat, the image of the American war hero, race, gender, national myths, and more. With helpful film commentaries that extend the discussion through popular movie narratives, this book is essential for anyone interested in American military and film history.

Women's Political Discourse Molly A. Mayhead, Brenda DeVore Marshall, 2005-09-21 Following an overview of women's political discourse from the early twentieth century, this book features selected women governors, representatives, and senators of the past several decades, from Jeannette Rankin the first woman elected to the US House of Representatives to Hillary Rodham Clinton.

*Civil Service Arithmetic & Vocabulary Review* Arco/Thomson, Peterson's, 2004-12-22 The new edition of the guide that civil service job-seekers have trusted for four decades provides clear, easy-to-follow explanations of the required application procedures, plus in-depth descriptions of all the most popular jobs. Full explanations of all eligibility requirements, model test questions with answers, and two full-length practice exams are provided.
