J. Peder Zane

Bad Behavior Mary Gaitskill, 2025-07-08 National Book Award finalist Mary Gaitskill's classic debut collection from the 1980s—powerful stories of dislocation, longing, and desire Now towering and inevitable in its influence on writing by and for young urbanites, *Bad Behavior* heralded Mary Gaitskill's arrival on the literary scene and her establishment as one of the sharpest writing talents of her time, or any time: exquisitely funny and startlingly honest; bold and eye-opening on relationships, sex, and the erotic. Set in Manhattan's Lower East Side and peopled with artistic freelancers and intelligent sex workers, smug yuppies and love-torn masochists, *Bad Behavior* depicts a world equally cruel and tender, where romance and danger go hand in hand. Gaitskill delivers unforgettable stories of a disenchanted and rebellious urban fringe generation groping for human connection.

Veronica Mary Gaitskill, 2006-07-18 A finalist for the National Book Award and National Book Critics Circle Award, here is an evocative novel about female friendship in the glittering 1980s. One of the New York Times's 100 Best Books of the 21st Century • One of The Atlantic's Great American Novels of the Past 100 Years Alison and Veronica meet amid the nocturnal glamour of 1980s New York: One is a young model stumbling away from the wreck of her career, the other an eccentric middle-aged office temp. Over the next twenty years their friendship will encompass narcissism and tenderness, exploitation and self-sacrifice, love and mortality. Moving seamlessly from present and past, casting a fierce yet compassionate eye on two eras and their fixations, the result is a work of timeless depth and moral power.

Because They Wanted To Mary Gaitskill, 2012-03-13 A collection of startling and breathtaking stories about people struggling with the disparity between what they want and what they know. A New York Times Notable Book A man tells a story to a woman sitting beside him on a plane, little suspecting what it reveals about his capacity for cruelty and contempt. A callow runaway girl is stranded in a strange city with another woman's fractiously needy children. An uncomprehending father helplessly lashes out at the daughter he both loves and resents. In these raw, startling, and incandescently lovely stories, the author of *Veronica* yields twelve indelible portraits of people struggling with the disparity between what they want and what they know. *Because They Wanted To* is further evidence that Gaitskill is one of the fiercest, funniest, and most subversively compassionate writers at work today.

100 Years of the Best American Short Stories Lorrie Moore, Heidi Pitlor, 2015-10-06 Witness the ever-changing history and identity of America in this collection of 40 stories collected from the first 100 years of this bestselling series. For the centennial celebration of this annual series, *The Best American Short Stories*, master of the form Lorrie Moore selects forty stories from the more than two thousand that were published in previous editions. Series editor Heidi Pitlor recounts behind-the-scenes anecdotes and examines, decade by decade, the trends captured over a hundred years. Together, the stories and commentary offer an extraordinary guided tour through a century of literature with what Moore calls "all its wildnesses of

character and voice." These forty stories represent their eras but also stand the test of time. Here is Ernest Hemingway's first published story and a classic by William Faulkner, who admitted in his biographical note that he began to write "as an aid to love-making." Nancy Hale's story describes far-reaching echoes of the Holocaust; Tillie Olsen's story expresses the desperation of a single mother; James Baldwin depicts the bonds of brotherhood and music. Here is Raymond Carver's "minimalism," a term he disliked, and Grace Paley's "secular Yiddishkeit." Here are the varied styles of Donald Barthelme, Charles Baxter, and Jamaica Kincaid. From Junot Díaz to Mary Gaitskill, from ZZ Packer to Sherman Alexie, these writers and stories explore the different things it means to be American.

How Could She Lauren Mechling, 2019-06-25 Named a Best Book of 2019 by *Esquire* and a Best Book of 2019 (So Far) by *Real Simple* and *Glamour* Bitingly funny and often painfully realistic. --*Entertainment Weekly* Brilliant. . . . Devastating, reliably hilarious. --*Nylon* [A] compulsively readable page-turner. --*Cosmopolitan* An assured and savagely funny novel about three old friends as they navigate careers, husbands, an ex-fiancé, new suitors, and, most importantly, their relationships with one another After a devastating break-up with her fiancé, Geraldine is struggling to get her life back on track in Toronto. Her two old friends, Sunny and Rachel, left ages ago for New York, where they've landed good jobs, handsome husbands, and unfairly glamorous lives (or at least so it appears to Geraldine). Sick of watching from the sidelines, Geraldine decides to force the universe to give her the big break she knows she deserves, and moves to New York City. As she zigzags her way through the downtown art scene and rooftop party circuit, she discovers how hard it is to find her footing in a world of influencers and media darlings. Meanwhile, Sunny's life as an It Girl watercolorist is not nearly as charmed as it seemed to

Geraldine from Toronto. And Rachel is trying to keep it together as a new mom, writer, and wife--how is it that she was more confident and successful at twenty-five than in her mid-thirties? Perhaps worst of all, why are Sunny and Rachel--who've always been suspicious of each other--suddenly hanging out without Geraldine? Hilarious and fiercely observed, *How Could She* is an essential novel of female friendship, an insider's look into the cutthroat world of New York media--from print to podcasting--and a witty exploration of the ways we can and cannot escape our pasts.
