## Opio Dokotum

*The True Story Behind Blood Diamonds* E. Kamara, 2017-06-06 The true story behind blood diamond is a chronicle of events in Sierra Leone from 1960 to 2007, which gives an account of the intriguing climate that characterized the socio-economic and political nature of the country before, during, and after independence culminating in a ruthless civil war, and the eventual restoration of order and civility.

**The True Story Behind Blood Diamonds** E. T. Kamara, 2016-05-30 Atrocities committed on innocent civilians in a war orchestrated by warlords and fueled by blood diamonds.

**The Sancy Blood Diamond** Susan Ronald, 2008-05-02 The fascinating six-hundred-year history of one of the world's most coveted gems and the royal feuds, intrigues, and betrayals it engendered The Sancy Diamond first came to Europe from India in the fourteenth century, and until 1661 it was the largest white diamond-and the most concentrated and secure form of wealth-in all of Christendom. Alternately believed to impart invincibility to its wearer and to bring ruin to any who owned it, the Sancy cast a seemingly mystical spell over everyone from the king of Portugal to Henry III of France to England's Elizabeth I to Napoleon Bonaparte and Queen Maria Luisa of Spain. The riveting account of one of the most hotly pursued gems in history, *The Sancy Blood Diamond* follows its six-century journey from the diamond mines of Golconda to where it now modestly resides at the Louvre, among the remnants of the French crown jewels. In a colorful, fast-paced narrative, historian Susan Ronald describes the often violent passions the Sancy engendered among many of the giants of European history. She also describes the pivotal roles it played on the chessboard of European geopolitics, and how it was used to raise armies, settle national debts, and enhance its owners' power and prestige. Working from primary sources, Ronald solves, once and for all, the mystery of the Sancy's disappearances in the sixteenth and seventeenth centuries, and she explores the legend of the Sancy curse, which arose after the violent deaths of Burgundy's Charles the Bold, England's Charles I, France's Louis XVI, and other ill-fated owners.

Flawless: Inside the Largest Diamond Heist in History Scott Andrew Selby, Greg Campbell, 2023-07-21 Tells the story with the gripping pace of a true-crime 'Ocean's Eleven.' The New York Post • Like a diamond, this true-life caper is clear, colorful, and brilliant. Publishers Weekly [Starred Review] The Antwerp Diamond Center was one of the most secure buildings in the world. With hundreds of millions of dollars' worth of diamonds stored in its subterranean vault, it had to be. Located in the

heart of Belgium's ultra-secure Antwerp Diamond District, it benefited from two police stations, armed patrols, extensive video surveillance, and vehicle barriers securing an area where 80 percent of the world's diamonds traded hands. But on February 15, 2003, a band of skilled Italian thieves — fronted by the charming Leonardo Notarbartolo, who spent over two years clandestinely casing the building — subverted every one of the Diamond Center's defenses and made off with a record amount of loot. Experts estimate they got away with nearly half a billion dollars in diamonds, cash and other valuables. They'd pulled off the biggest heist in history--everybody loves diamonds and they now had more than any thief before them. The robbers did it with stealth and smarts; no one was hurt or even threatened during what was quickly labeled the largest diamond heist in history. The bandits — members of a group of professional thieves known as The School of Turin — used cunning in lieu of violence, successfully evading security cameras, thwarting an array of electronic sensors, and penetrating a vault protected by a double-locked foot-thick steel door. Even when the police zeroed in on who committed the crime, how it was done remained a mystery, like something out of a heist movie or TV show. Flawless is a fast-paced global scavenger hunt uncovering the truth behind the daring Valentine's Day weekend heist. Tracking clues, sources, and documents throughout Europe — from seedy cafés in Turin, Italy to sleek diamond offices in Antwerp, Belgium — authors Scott Selby and Greg Campbell retrace Notarbartolo's careful discovery of the building's security flaws. They recreate the heist and its aftermath — detailing how the thieves brilliantly neutralized each element of the security protecting the Diamond Center's vault while inviting the readers into the secretive world of diamonds and diamond dealing. The result is a thrilling ride through the better-than-fiction heist of the century. Fans of caper books and movies will be in seventh heaven. Booklist [Starred Review]

The Blood Diamond John Creasey,2013-03-05 John Mannering (aka 'The Baron') had purchased the Adalgo diamond out of curiosity as it was known as the 'Blood Diamond', because violent death had overtaken previous owners. Soon after he was robbed, his wife kidnapped and a friend brutally murdered. Just what was the truth behind the legend and could Mannering solve the various mysteries?

*Why Africa?* Bona Udeze,2009-08-11 *Why Africa?* an abstract first painted in 1993 and reproduced in collage in 2004, is variously described by his admirers as an emotional revelation. The work depicts the African question problems and prospects including political instability, corruption, and poverty in the midst of rich natural and human resources. Thus, *Why Africa?* inspired him to write a book on the subject, applying his creativity with a unique perspective on the African case. Bona has written one book (unpublished) titled: *The Ancient and Modern* (1992) a story on Urualla, his ancestral origin in Nigeria.

**The Great Deliverance** Gloria,2010-02-23 We must strive desperately to become filled with perfect love for Our Lord, Our Lover where nothing else matters except the inexhaustible love for Him that no evil can harm or hurt so that He will find

our love irresistible as He found that of Mary so that Our Love may attract Him to smitten us unto Himself The Glory & love belong to the Lord Our Savior and Redeemer in Jesus! Repent and Rise up! Let True Love excel!

**Daniel Craig - The Biography** Sarah Marshall,2015-11-05 The most successful Bond of all time. One of the most stylish men in Britain. A United Nations ambassador. Skydiving with the Queen herself. Is there anything Daniel Craig can't do? With the release of *Spectre*, Craig appeared for the fourth time as James Bond and with the previous instalment, *Skyfall*, breaking box-office records for the series on the way to becoming the ninth highest grossing film of all time, there is no reason to believe it will be his last. The public and the critics have been united in their praise for Craig in the most-pressurised role there is in global film. However, there has been much more to Craig over the years than just Bond. Roles in *Layer Cake*, *Road to Perdition* and the movie adaptation of Stieg Larsson's *The Girl with the Dragon Tattoo* have met with acclaim, and shown a breadth in Daniel Craig's acting beyond the handsome Bond. In this biography, author Sarah Marshall explores the road to success for one of Britain's finest actors - from the Guildhall School of Music and Drama his status as a global icon. A must for any fan, this book examines not just the superstar gracing the cover of magazines but also the man behind the legend.

**Russia is the blood enemy of Ukraine. The true history of Ukraine and Russia from the 2nd century BC. not distorted by Russian propaganda.** Nashchubskiy,2024-04-13 This historical book reveals the secrets of the past, casting light on the dark corners of the relationship between Ukraine and Russia. It unfolds a large-scale picture of an age-old relationship, shedding light on the tragic events and indescribable feats of both nations. As we travel through time, we will discover that the history of these two peoples is intertwined with threads of complex events dating back to ancient times. Each page of the book reveals not only the fascinating drama of historical vicissitudes, but also pronounced features of national character that shape the fate of peoples. This deep dive into the past opens eyes to the true causes of much of Ukraine's suffering, revealing complex knots of political and cultural influences from Russia. But at the same time, it offers a new perspective on the relationship between these peoples, calling for understanding and healing of historical wounds. This historical book is a ruthless expose of Russia as the root of all Ukraine's ills. I will tear the covers off the centuries-old lies and manipulations of the Kremlin. I will prove that every historical tragedy in Ukraine has roots in Russian influence. From ancient times to modern times, we will look at the shocking truth hidden from us and see the real face of Russia as the main aggressor and oppressor of Ukraine. This is a guide to the true history of the two peoples, which will convince you to rethink the shared history of these countries.

*Hollywood and Africa* Opio Dokotum,2020-02-05 *Hollywood and Africa - recycling the Dark Continent myth* from 19082020 is a study of over a century of stereotypical Hollywood film productions about Africa. It argues that the myth of the Dark Continent continues to influence Western cultural productions about Africa as a cognitive-based system of knowledge,

especially in history, literature and film. Hollywood and Africa identifies the colonial mastertext of the Dark Continent mythos by providing a historiographic genealogy and context for the terms development and consolidation. An array of literary and paraliterary film adaptation theories are employed to analyse the deep genetic strands of HollywoodAfrica film adaptations. The mutations of the Dark Continent mythos across time and space are then tracked through the classical, neoclassical and new wave HollywoodAfrica phases in order to illustrate how Hollywood productions about Africa recycle, revise, reframe, reinforce, transpose, interrogate and even critique these tropes of Darkest Africa while sustaining the colonial mastertext and rising cyberactivism against Hollywoods whitewashing of African history.

**History and Story in the American Political Thriller Film** Pablo Castrillo Maortua,2023-08-29 In this book, Pablo Castrillo Maortua analyzes the emergence of the political thriller in Hollywood at a time of angst and turmoil in the United States. The Cold War, the nuclear age, domestic and international scandals, and an increasingly deceitful political culture catalyzed a filmmaking current that would gradually develop its own narrative form and aesthetics into a new genre. Castrillo Maortua explores the dramatic identity and design of the American political thriller, tracking the close correlation between the evolution of the genre and the history of the United States from the Cuban Missile Crisis to the 9/11 terrorist attacks and the ensuing War on Terror. Ultimately, the author demonstrates how the American political thriller defies Hollywood conventions and cultural presuppositions with an entertaining yet critical view of the state of politics. Scholars of film studies, screenwriting, and genre theory will find this book of particular interest.

**The History of Mining** Michael Coulson,2012-11-12 THE INDUSTRY THAT FORGED THE MODERN WORLD Throughout history metals and raw materials have underpinned human activity. So it is that the industry responsible for extracting these materials from the ground - mining - has been ever present throughout the history of civilisation, from the ancient world of the Egyptians and Romans, to the industrial revolution and the British Empire, and through to the present day, with mining firms well represented on the world's most important stock indexes including the FTSE100. This book traces the history of mining from those early moments when man first started using tools to the present day where metals continue to underpin economic activity in the post industrial age. In doing so, the history of mining methods, important events, technological developments, the important firms and the sparkling personalities that built the industry are examined in detail. At every stage, as the history of mining is traced from 40,000BC to the present day, the level of detail increases in accordance with the greater social and industrial developments that have played out as time has progressed. This means that a particular focus is given to the period since the industrial revolution and especially the 20th century. A look is also taken into the future in an effort to chart the direction this great industry might take in years to come. Many books have been written about mining; the majority have focused on a particular metal, geographical area, mining event or mining personality, but 'The History of Mining' has a broader scope and covers all of these essential and fascinating areas in one

definitive volume.

**The Nomadic Feast** Rachael Hudson, Get your hands on a cookbook with a difference, a book that will take you wherever you want to go. With over 50 different countries to explore, you'll get the chance to revisit some of your most loved destinations and visit those you've always dreamed of....and the best bit is you don't even have to leave home! The concept is simple! Choose a country that tickles your fancy and indulge in some of the world's most loved dishes from Pulled Pork burgers from Cuba, a steaming bowl of Beef Pho from Vietnam, or cocktails from Paris. Whip up a storm in the kitchen following our simple to make recipes and share with friends. Now you can stop there, or really create a truly authentic evening with the sights and sounds of each destination. While you are cooking or tucking into your meal why not enjoy some music. We've created a selection of music and sounds to really transport you to those far-flung destinations, from film theme tunes to the more traditional ones. We have also included a choice of films to accompany each destination so you can immerse yourself in the local scenery. Ranging from films set in your chosen country to documentaries where you can immerse yourself in the area's rich culture. Make your evening unforgettable with The Nomadic Feast. EAT, WATCH, PLAY, and see the world.

**Blood Diamond** R.J. Blain, The world is full of corpses, and Jackson knows them by name. When a group strives to destroy the Inquisition, his powers may be all standing between the supernaturals and extinction. However, when he learns the truth behind the deaths of his wife and unborn daughter, Jackson may prove to be the greatest threat of all to the survival of mankind...

From SAS to Blood Diamond Wars Fred Marafono, Hamish Ross, 2011-07-12 Alcibiades is one of the most famous (or infamous) characters of Classical Greece. A young Athenian aristocrat, he came to prominence during the Peloponnesian War (429-404 BC) between Sparta and Athens. Flamboyant, charismatic (and wealthy), this close associate of Socrates persuaded the Athenians to attempt to stand up to the Spartans on land as part of an alliance he was instrumental in bringing together. Although this led to defeat at the Battle of Mantinea in 418 BC, his prestige remained high. He was also a prime mover in Athens' next big strategic gambit, the Sicilian Expedition of 415 BC, for which he was elected as one of the leaders. Shortly after arrival in Sicily, however, he was recalled to face charges of sacrilege allegedly committed during his pre-expedition reveling. Jumping ship on the return journey, he defected to the Spartans. Alcibiades soon ingratiated himself with the Spartans, encouraging them to aid the Sicilians (ultimately resulting in the utter destruction of the Athenian expedition) and to keep year-round pressure on the Athenians. He then seems to have overstepped the bounds of hospitality by sleeping with the Spartan queen and was soon on the run again. He then played a devious and dangerous game of shifting loyalties between Sparta, Athens and Persia. He had a hand in engineering the overthrow of democracy at Athens in favor of an oligarchy, which allowed him to return from exile, though he then opposed the increasingly-extreme excesses of that regime.

For a time he looked to have restored Athens' fortunes in the war, but went into exile again after being held responsible for the defeat of one of his subordinates in a naval battle. This time he took refuge with the Persians, but as they were now allied to the Spartans, the cuckolded King Agis of Sparta was able to arrange his assassination by Persian agents. There has been no full length biography of this colorful and important character for twenty years. Professor Rhodes brings the authority of an internationally recognized expert in the field, ensuring that this will be a truly significant addition to the literature on Classical Greece.

**Hidden in Contradiction** Jeff McSwain, 2023-09-22 Does God's grace grab you and stir you to purposeful, Spirit-filled living? Or is the gospel that you hear and preach big on belief and short on embodiment? Do you see a need for change, whether personal, ecclesial, or social, that transcends us (righteous) vs. them (wicked) polarizations? Beginning with every person's participation in Christ as a keystone to creation, Jeff McSwain introduces the vibrant reality of Trinitarian community and shows us the dangers of losing sight of the belovedness we share as humans hidden with Christ in God. Avoiding simplistic categories, McSwain exalts the total goodness of every person in this world (by virtue of creation in Christ) while also acknowledging the simultaneous contradiction--the total depravity of every person (by virtue of the fall). If ignoring our human duplicity contributes to relational fractures at every level, McSwain's dimensional view of human agency urges us to embrace the redemptive truth of our identity in Christ and to refuse our false, destructive selves that have been crucified with Christ. Filled with scriptural exegesis and practical illustrations that pastors and teachers will especially appreciate, this project is a refreshing application of Christology to anthropology and everyday life--an inspiring work of systematic theology aimed at systematic change.

*Drive Growth Through Sustainable Business Practices (Collection)* Kevin Wilhelm, Peter A. Soyka, Eric Olson, 2013-11-25 A brand new collection of best practices for growing businesses and profits through sustainability... 3 authoritative books, now in a convenient e-format, at a great price! 3 authoritative books deliver world-class insights, methodologies, and strategies for accelerating business growth through sustainability Sustainability isn't just good for the environment: it can be a powerful driver of business growth and profitability. In this unique 3 eBook package, three world-class experts show you how great companies are improving performance by increasing sustainability. In *Creating a Sustainable Organization*, Peter A. Soyka helps you choose the right strategies, and then manage and measure them well. Bridging the worlds of the sustainability professional and the investor/analyst, Soyka reveals what the evidence says about linkages between sustainability and value... how to effectively manage sustainability throughout the business... how to manage key investor and stakeholder relationships, and much more. Next, in *Making Sustainability Stick*, Kevin Wilhelm provides a complete, up-to-date blueprint for successfully and profitably integrating sustainability across the enterprise. Wilhelm organizes his plan into easy-to-digest chapters, with action steps backed up from his extensive real-life consulting experience and candid

interviews with 40+ directors of Sustainability or Corporate Social Responsibility (CSR). He provides a step-by-step roadmap for realizing the benefits of sustainability by fully engaging employees... a checklist for implementation... powerful tips on regaining lost momentum... and specific resources and exercises for overcoming common obstacles to implementation. Finally, in *Better Green Business*, Dr. Eric G. Olson brings together practical insights and start-to-finish strategies for moving any enterprise to a higher level of environmental stewardship. Drawing on extensive experience, Olson shows how to systematically drive “win-win-win” gains: growing top-line revenue, helping customers increase efficiency, and improving the environment. He introduces powerful methodologies and technologies for increasing operational efficiency and reducing waste, including IBM’s impactful Green Sigma™ approach. You’ll find new ways to drive value by “instrumenting the planet,” and discover the technologies that now make this possible. Olson concludes by identifying long-term trends that make “green business” approaches increasingly indispensable. Whatever your role in optimizing business sustainability and value, this collection will help you build support, execute effectively, and get results. From world-renowned business sustainability experts Peter A. Soyka, Kevin Wilhelm, and Eric G. Olson

**Making Sustainability Stick** Kevin Wilhelm, 2014 This book provides the blueprint for implementation, breaking down barriers, and the steps required to integrate sustainability successfully into any business. It is laid out in easily digestible chapters, with action steps backed up from interviews with sustainability thought leaders, case studies, and the real life experience of the author, as well as over 40 interviews with CSR and Sustainability Directors at various companies on how to get things done based on their successes and temporary setbacks. It provides the step-by-step roadmap for implementing sustainability successfully and focuses on how companies can realize the benefits of sustainability by engaging the head, heart, and hands of their employees. Also included is a checklist for implementation and tips on how to regain momentum or get un-stuck at the end of each chapter as well as additional helpful resources and exercises to overcome the most common barriers towards implementation.

Screen Stories Carl Plantinga, 2018-04-06 The way we communicate with each other is vital to preserving the cultural ecology, or wellbeing, of a place and time. Do we listen to each other? Do we ask the right questions? Do we speak about each other with respect or disdain? The stories that we convey on screens, or what author Carl Plantinga calls 'screen stories,' are one powerful and pervasive means by which we communicate with each other. *Screen Stories: Emotion and the Ethics of Engagement* argues that film and media studies needs to move toward an approach to ethics that is more appropriate for mass consumer culture and the lives of its citizens. Primarily concerned with the relationship between media and viewers, this book considers ethical criticism and the emotional power of screen stories that makes such criticism necessary. The content we consume--from television shows and movies to advertisements--can significantly affect our welfare on a personal and societal level, and thus, this content is subject to praise and celebration, or questioning and even

condemnation. The types of screen stories that circulate contribute to the cultural ecology of a time and place; through shared attention they influence what individuals think and feel. Plantinga develops a theory of the power of screen stories to affect both individuals and cultures, asserting that we can better respond ethically to such media if we understand the sources of its influence on us.

**Encyclopedia of Journalism** Christopher H. Sterling, 2009-09-23 Written in a clear and accessible style that would suit the needs of journalists and scholars alike, this encyclopedia is highly recommended for large news organizations and all schools of journalism. —Starred Review, *Library Journal* Journalism permeates our lives and shapes our thoughts in ways we've long taken for granted. Whether we listen to National Public Radio in the morning, view the lead story on the Today show, read the morning newspaper headlines, stay up-to-the-minute with Internet news, browse grocery store tabloids, receive Time magazine in our mailbox, or watch the nightly news on television, journalism pervades our daily activities. The six-volume Encyclopedia of Journalism covers all significant dimensions of journalism, including print, broadcast, and Internet journalism; U.S. and international perspectives; history; technology; legal issues and court cases; ownership; and economics. The set contains more than 350 signed entries under the direction of leading journalism scholar Christopher H. Sterling of The George Washington University. In the A-to-Z volumes 1 through 4, both scholars and journalists contribute articles that span the field's wide spectrum of topics, from design, editing, advertising, and marketing to libel, censorship, First Amendment rights, and bias to digital manipulation, media hoaxes, political cartoonists, and secrecy and leaks. Also covered are recently emerging media such as podcasting, blogs, and chat rooms. The last two volumes contain a thorough listing of journalism awards and prizes, a lengthy section on journalism freedom around the world, an annotated bibliography, and key documents. The latter, edited by Glenn Lewis of CUNY Graduate School of Journalism and York College/CUNY, comprises dozens of primary documents involving codes of ethics, media and the law, and future changes in store for journalism education. Key Themes Consumers and Audiences Criticism and Education Economics Ethnic and Minority Journalism Issues and Controversies Journalist Organizations Journalists Law and Policy Magazine Types Motion Pictures Networks News Agencies and Services News Categories News Media: U.S. News Media: World Newspaper Types News Program Types Online Journalism Political Communications Processes and Routines of Journalism Radio and Television Technology
