We've all experienced the first flush of love and remember the lingering fragrance of it. For ages Love has remained one of the most cherished experiences that everyone wishes to live through at least once. Selected and edited by Ravinder Singh, this anthology—made up of the stories that touched Ravin's heart the most—will make you believe that someone, somewhere, is made for you.

a coffee date Gagandeep Reehal, 2019-12-12 Often pleasure comes in sips, not gulps. Breathe in and walk along the lines of a little hooman (maybe human) as stumbles across the memories he had long forgotten. It begins nowhere. It ends nowhere. But between them lie the little things. Grab a cup of brewing coffee and live the tales of mix and match of plenty of stories that happened, but you forgot to notice. You might fall in love, you might feel hurt, you might laugh or you might break these stories into quarter-notes and rewind them in your mind again and again. But you will come back for more.

This Love that Feels Right . . . Ravinder Singh, 2016-08-12 Life would have been easier had it been possible for us to plan falling in love; more importantly, avoid falling in love . . . 'Love is not for you,' she told herself. Inside—just like any girl—she desired to be loved. She had accepted her life the way it was, till one day love showed up unannounced, uninvited! That's the thing with love. It doesn't take permission. It's in its very nature to gatecrash into our lives. Standing face-to-face with love, she finds herself asking, 'Is this love right?' The answer is not simple. It never was . . . This intense love story will shake every belief you've ever had about love.
