That is the part of the personality which wants to develop and become whole. c.j. The pendulum of the mind oscillates between sense and nonsense, not between right and wrong. The woman is increasingly aware that love alone can give her full stature, just as the man begins to discern that spirit alone can endow his life with its highest meaning. Fundamentally, therefore, both seek a psychic relation to the other, because love needs the spirit, and the spirit love, for their fulfillment. The only important thing is to follow nature. A tiger should be a good tiger; a tree, a good tree. So people should be people. But to know what people are, one must follow nature and go alone, admitting the importance of the unexpected. Still, nothing is possible without love. . . . For love puts one in a mood to risk everything, and not to withhold important elements.

1,600 Quotes & Pieces of Wisdom That Just Might Help You Out When You're Stuck in a Moment (and Can't Get Out of It!) Gary P. Guthrie, 2003-03 John Lennon said, Life is what happens to you while you're busy making other plans. Sometime today while you're busy following your plan, something may happen that puts you in a funk or motivates you to make a change. Something that could leave you stuck in a moment. But, Marie Curie contended, Nothing in life is to be feared. It is only to be understood. When those moments sneak up on you, you can run to counseling, look yourself in the mirror, crawl over to your favorite self-pity corner or you can open Stuck in a Moment and find wisdom to help you understand and, possibly, turn your mood around. Precise in nature, Stuck... takes you straight to the heart of life's customary stumbling blocks: your relationships, your job life, your frame of mind and your desire to have the life you dream of. To some, it's an express self-help book; to others, a travel guide for their life. Whether you're following the 12 Steps, looking for an honest, encouraging companion or a fan of inspirational quotes, you'll find 1,600 opportunities to gain new insights in this book - a book of rationale and challenge that you will want to keep handy or gift to someone for those everyday moments.

Make Love, Not War: The Quotes that Defined the 1960's Dr. Leigh Davis, 2012-02-29 ABOUT THE BOOK The 1960s represent the 7th decade of the 20th century, and are remembered as a time of change; youth influence; radicalism; and the

sexual revolution. The baby-boomers of the 1940's were coming of age, and the largest population of college-age men and women banded together to mark a major turning point in the culture of nations worldwide. From the swinging sixties in London and the hip fashions on Carnaby Road; to the political activism and demonstrations in the United States and the standoffs on college campuses; to Woodstock, the music festival to end all music festivals in upstate New York; the 1960s were influenced by youth, no longer content to be representations of the generation preceding them, and of course, a time of sex, love and rock & roll. Make Love, Not War ~ Unknown MEET THE AUTHOR Dr. Leigh-Davis is a law professor, retired attorney, anthropologist and media personality; who frequently works as a TV news legal analyst. Dr. Leigh-Davis has taught at Cal State University and is a native of Beverly Hills, California. EXCERPT FROM THE BOOK "The people who invented the twenty-first century were pot-smoking, sandal-wearing hippies from the West Coast like Steve, because they saw differently," he said. The hierarchical systems of the East Coast, England, Germany, and Japan do not encourage this different thinking. The sixties produced an anarchic mind-set that is great for imagining a world not yet in existence." ~ Walter Isaacson, on Steve Jobs Buy a copy to keep reading!

Sovereign Love Dené Logan, MFT, 2024-05-28 From couples therapist Dené Logan comes a new perspective on understanding our inner masculine and feminine energetics as the key to experiencing fulfillment in our partnerships. Does something feel off about your intimate relationships? If you haven't been able to pin down exactly what, you aren't alone. While attempting to connect the dots of her own experience to the patterns she observes within the relationships of her clients, couples therapist Dené Logan came to a vital understanding in the search for relational fulfillment: the answer often lies in the inherent interplay of the masculine and feminine energy that everyone possesses. Both masculine and feminine polarities are present in every person and relationship. When we're out of touch with the energetics within ourselves and those around us, it can create an internal struggle and sense of disharmony in our partnerships. "Understanding these dynamics is the key to ending the unspoken war of the sexes that plays out far too often in our relationships," Logan says. Thankfully, we have the power to work with these polarities, first within ourselves, and then within our relationships. In Sovereign Love, Logan helps us understand how to integrate masculine and feminine energetics so we can move away from the codependent, transactional views of what relationships "should" be, toward an interdependent, mutually balanced state where both partners are present, self-aware, and strong in Self. Here you'll discover:

- What energetics you've been operating from and why
- The polarities that are being created in your partnerships
- How to take personal responsibility for shifting your own energy to a more integrated place

Logan shares revelations and techniques to support you in experiencing the wholehearted, satiating kind of love that is rooted in self-awareness and interdependence. "By unpacking the historical, cultural, and highly individual reasons why we love the way we do," she explains, "we can understand our motivations and consciously choose to love in a way that serves our growth, our values, and our personal sovereignty."

Fierce Love Susan Scott,2022-01-11 Grow your relationship through conversations that make a difference. New York Times bestselling author Susan Scott guides couples through eight must-have conversations to create a fierce love that stands the test of time and grows stronger over the years. Often in our romantic relationships, we long for deep connection, but we don't know how to communicate well and sometimes withhold what we're really thinking and feeling. This can lead to fighting, resentment, or, worse, complacency--where you are just going through the motions, more like roommates than two people in love. As Susan writes, It's as if we've pulled off our own wings. As couples, we don't stop to think how important our conversations are. And we certainly don't understand that what we talk about and how we talk about it determine whether our relationships will thrive, flatline, or fail. In Fierce Love, New York Times bestselling author Susan Scott guides couples through eight must-have conversations that lead to deep connection and lasting commitment. Through the use of true stories and hands-on exercises, Susan helps us understand that the conversation is the relationship; identify and dispel five relationship myths that mislead and derail us; learn eight conversations that are critical to enriching relationships; and stop fighting or ignoring issues and start connecting in a deep and meaningful way. After a season where many relationships were tested and tried, where some relationships thrived and others have exposed cracks couples didn't even realize were there, or realized but didn't acknowledge, now is the best time to learn to communicate well. By having honest, compelling conversations with our partners, we can foster true connection and a fierce love that will withstand the test of time and grow stronger over the years.

Leading with Love Karen Blakeley,Chris Blakeley,2021-07-15 As business becomes more automated, power more concentrated, and the forces of competition and consumption seem to dominate our lives, we are in danger of losing what it is to be human. Work for many can be a soulless activity, creating feelings of disempowerment, alienation, and depression. Learning to lead with love is a counterforce to the instrumentalisation of the person. This book presents original research based on leaders who were nominated by their people for leading with love. It shows how they learned to lead with love for the benefit of themselves, their organisations, and their people. It shows that leading with love is something that is practised by leaders who are more emotionally, morally, and spiritually mature. Leading with love is a sign of psychological maturity, whilst leading with fear is a sign of hindered emotional and spiritual development. Based on this research, this book presents a simple framework to help leaders who wish to develop their psychological maturity and apply practices which will enable them to successfully lead with love.

Tennysonian Love Gerhard Joseph, 1969-04-10 Tennysonian Love was first published in 1969. Minnesota Archive Editions uses digital technology to make long-unavailable books once again accessible, and are published unaltered from the original University of Minnesota Press editions. In the century or so since Alfred Tennyson's poetry reached the height of its popularity and critical acclaim, the pendulum of criticism has swung wide in opposite directions. From the earlier idolatry to the later ridicule, that pendulum has now settled into a position of qualified and selective praise from which a more thoughtful consideration of the poet is possible. Consequently, as this critical study suggests, new values and dimensions are recognizable in his work. Professor Joseph, concentrating on the theme of love but involving in his argument other facets of Tennyson's achievement, demonstrates the thesis that the poet moved as in a strange diagonal. This phrase used as the subtitle of the book comes from Tennyson's poem *The Princess* in which the narrator moved as in a strange diagonal / And maybe neither pleased myself nor them. As the author shows, Tennyson throughout his work moved between a Platonic conception of love in which the highest kind of spiritual love has disencumbered itself of sense and a Neoplatonic (Dantesque) one in which sense and soul tend to merge. In coming to terms with the nineteenth-century form of this divided Western heritage, the pietism of the evangelical revival on the one hand and the idealized eroticism of his Romantic predecessors on the other, Tennyson became the exemplary poet of Victorian love. No other Victorian poet, Professor Joseph concludes, exhibits quite his representative and successful blending of these clashing strains. For while moving between the alternate traditions of Western love, Tennyson was able to forge a large body of highly disciplined, beautifully wrought, and far-ranging verse.

He describes S.S.O.R. (Successful Significant Other Relationship) as containing stages which include, In Lust (1), Darth Vader (2), Silly Putty (3), Tolerance (4), Ferrari (5). The laws of Human nature Unity of Universal love ,2023-12-22 Introduction A life of Healing, a life of Health, A life worth living is a life of Wealth. I have practiced over 25 years as a chiropractor and I have learned that most people come to me to treat their pain. I'm sure that most doctors and therapists have the same experience, people want to receive a treatment that will cure their illness. As I treat my patients I'm also analyzing how their problem was created. I'm looking at various factors like diet, lack of exercise, injurious repetitive movements or anything else that could provoke the problem. I'm trying to get the patient to take responsibility for their problem and help me with their treatment. It appears that I'm treating their physical illness but over the years I have come to a new realization, that a person's emotional, mental and spiritual side can also affect their health. The reality of the situation is that we can't separate an illness into a physical, emotional, mental or spiritual ailment, because everything works together. I now understand that attitudes play an essential role in our health and wellbeing. Attitudes have characteristics that are physical, emotional, mental and spiritual. In psychology attitudes are labeled as behavioral (physical), affective (emotional) and cognitive (mental). In this book attitudes have a spiritual side as well, attitudes will have a positive spiritual value or a negative spiritual value. Attitudes that bring people together and unite them has an energy with a positive spiritual value and attitudes that are divisive and cause separation has a negative value. If we have attitudes with a negative spiritual energy then they will cause illness; physical illness, mental illness and emotional illness. We need to adopt attitudes with a positive spiritual energy if we want to stay healthy and grow spiritually. Spiritual growth is there for all of us but we have to make the effort, no one can make us grow spiritually. Looking for someone to cure our ills is a short-term proposition, the long term cure is when we discover what is causing us harm and create a healthy lifestyle. The 7 Laws of Human Nature is a scientific philosophical study into the human consciousness, the 7 chakras and the human aura. We use theories to make sense about what we are observing in life, to explain ideas and interpret facts. The 1st chapter is the Theory of the Oneness of Universal Love, which will present 7 hypotheses. These hypotheses will present facts and suppositions of facts, which will be followed up by a theory. This is all happening on four energy levels; physical, emotional, mental and spiritual. Life on Earth has to have a reason, our lives aren't an accident and this book presents a logical theory on the how and why of life. This is a book on love and how love works in our lives. With Love and Devotion to All
