The Yellow Wind David Grossman, 2002-09-07 The Israeli novelist David Grossman's impassioned account of what he observed on the West Bank in early 1987--not only the misery of the Palestinian refugees and their deep-seated hatred of the Israelis but also the cost of occupation for both occupier and occupied--is an intimate and urgent moral report on one of the great tragedies of our time. *The Yellow Wind* is essential reading for anyone who seeks a deeper understanding of Israel today. This edition includes a new afterword by the author.

To Dwell in Peace Daniel Berrigan, 2007-11-01 This new edition of Daniel Berrigan's classic autobiography *To Dwell in Peace*, with a new afterword by the author, takes us through his childhood in Syracuse; his early years as a Jesuit, teacher, priest, and poet; his bold 1968 Catonsville Nine action, when he poured homemade napalm on draft files in opposition to the U.S. war on Vietnam; and his ongoing civil disobedience, which led to his going underground and subsequent two-year imprisonment. We read of friends like Thomas Merton, Dorothy Day, William Stringfellow, and his brother Philip Berrigan, with whom he participated again in the 1980 Plowshares Eight disarmament action. Daniel Berrigan's breathtaking story and the poetic way he tells it inspire and challenge us to resist war, pursue nuclear disarmament, and undertake a similar journey to peace, hope, and justice.

Borderland Chrisanthi Giotis, 2022 Every two seconds a person is displaced, caught in one of the more than 40 active conflicts around the world that show no sign of ending. Since 1994, there has been ongoing war in the Democratic Republic of Congo, which has uprooted millions of people and resulted in the deaths of millions more. In the West, we have entered a political era where our border policies are underpinned by unending wars. At this critical juncture, how can journalists, especially those engaged in foreign correspondence, tell these stories? How can they make connections across time and space, and across politics, economics, environments, and crucially, people? Given its colonial history, are these connections possible for the profession of foreign correspondence? In *Borderland*, Chrisanthi Giotis argues that decolonization is possible and necessary for the development of a truly global, public sphere. New global narratives need to meaningfully include the voices, and knowledge, of those with the least power who are caught in resource-fuelled wars. Drawing on insights from postcolonial studies, international relations, development studies, and philosophy, which are brought to life through auto-ethnographic descriptions and analysis of behind-the-scenes events, Giotis introduces new reporting techniques for foreign correspondents. *Borderland* argues that decolonized reporting techniques will help journalists--and their audiences--move beyond the sociohistorical and political myopia that prevents us from communicating and understanding the reality of a complex world.

The Naming Song Jedediah Berry,2024-09-24 A gorgeously imaginative fantasy in the spirit of Hayao Miyazaki and Guillermo del Toro. "The Naming Song understands the fundamental magic of language, and breathes that magic onto every page." —Holly Black, #1 New York Times bestseller There's nothing more dangerous than an unnamed thing When the words went away, the world changed. All meaning was lost, and every border fell. Monsters slipped from dreams to haunt the waking while ghosts wandered the land in futile reveries. Only with the rise of the committees of the named—Maps, Ghosts, Dreams, and Names—could the people stand against the terrors of the nameless wilds. They built borders around their world and within their minds, shackled ghosts and hunted monsters, and went to war against the unknown. For one unnamed courier of the Names Committee, the task of delivering new words preserves her place in a world that fears her. But after a series of monstrous attacks on the named, she is forced to flee her committee and seek her long-lost sister. Accompanied by a patchwork ghost, a fretful monster, and a nameless animal who prowls the shadows, her search for the truth of her past opens the door to a revolutionary future—for the words she carries will reshape the world. *The Naming Song* is a book of deep secrets and marvelous discoveries, strange adventures and dangerous truths. It's the story of a world locked in a battle over meaning. Most of all, it's the perfect fantasy for anyone who's ever dreamed of a stranger, freer, more magical world. At the Publisher's request, this title is being sold without Digital Rights Management Software (DRM) applied.

My Empress Likes Handsome Guy Tian XiaYouChun,2020-09-17 Once transmigrated, she became a broken wife. He had accidentally gotten into some disease, a delicate man with peach blossoms. He was the one who slept under the willow, he was the one who was quiet and elegant, and he was also the one with a dark belly and a cold chest. It's fine, Jiang Dong doesn't mind! Development was the key! Together with Song Xiuchen, they abused the scum of men and fought the slut of women, working together to earn big money! On a dark, windy night, Jiang Dong, who was planning to secretly rub his hands together to get his money, was blocked by someone at the door. Th-th-this, Young Master Song is getting too close. Song Xiuchen said fiercely, You owe me six hundred taels of gold, now you have to pay me back!
