Mothers Are Made Danielle Sherman-Lazar,2025-04-08 A deeply personal motherhood memoir about how the challenges moms face daily sharpen them into stronger, braver, and better parents for their children. Motherhood is hard. It's full of plenty of moments where a mom might think, "I don't know if I can do this." Danielle Sherman-Lazar has had this thought many times as she's raised her four young daughters under 10, from her struggles with breastfeeding to two of her daughters' stays at the NICU. Through personal and honest stories on motherhood and her struggles with eating disorders, Mothers Are Made shows how moms aren't instantly born along with their babies—mothers are made through time and experience. It's when mothers go through the fire, Danielle argues, that we are forged into resilient, brave, and courageous parents. Danielle's writing is raw and relatable, and she shows how overcoming challenges with eating disorders, then facing the challenges of perfectionism, self-doubt, anxiety, and loneliness has given her tremendous inner strength, resilience, and confidence. Through real stories full of honesty, love, tenderness, and humor, she reminds her readers that they, too, have the knowledge and tenacity to persevere through any obstacle. Mothers Are Made will help moms realize that they can handle crises as they arise—large or small. And they will recognize that they are not alone in their struggles. Danielle's vulnerability will help readers find the courage to keep going through the uncomfortable parts of motherhood, knowing they'll get to the other side—a better, happier, and stronger mom.

Television Series of the 1980s Vincent Terrace, 2017-11-10 Television screens in the 1980s reflected some of the most memorable programs of all time. In that decade, such critically acclaimed shows as Cheers, The Golden Girls, Hill Street Blues, Newhart, and St. Elsewhere debuted. In that same decade, iconic shows like The A-Team, Baywatch, Cagney & Lacey, Knight Rider, MacGyver, Miami Vice, and Roseanne appealed to millions of viewers. Even after these shows departed the airwaves, they live on in syndication and on DVDs, entertaining many generations of viewers. In Television Series of the 1980s: Essential Facts and Quirky Details, Vincent Terrace presents readers with a cornucopia of information about more than seventy programs from the decade. For example, did you know that Sam Malone had an ex-wife named Deborah? Or that MacGyver's alias was Dexter Fillmore? Or Dan Fielding's license plate on Night Court read "Hot to Trot"? These are just a handful of hundreds of fun and intriguing specifics found inside this volume. Programs from all four major networks (ABC, CBS, FOX, and NBC)—as well as select syndicated programs—are represented here. This is not a book of opinions or essays about specific television programs but a treasure trove of facts associated with each show. From the name of Roseanne's diner to the title of Jessica Fletcher's first novel, readers will discover a wealth of fascinating information that, for the most part, cannot be found elsewhere. In some cases, the factual data detailed herein is the only such documentation that currently exists on bygone shows of the era. Television Series of the 1980s is the ideal reference for fans of this decade and anyone looking to stump even the most knowledgeable trivia expert.

American Taboo Lauren Rosewarne, 2013-08-13 America's often-unspoken morality codes make many topics taboo in the land of the free. This book analyzes hundreds of popular culture examples to expose how the media both avoids and alludes

to how we derive pleasure from our bodies. Flatulence ... male nudity ... abortion ... masturbation: these are just a few of the taboo topics in the United States. What do culturally enforced silences about certain subjects say about our society—and our latent fears? This work provides a broad yet detailed overview of popular culture's most avoided topics to explain why they remain off-limits and examines how they are presented in contemporary media—or, in many cases, delicately explored using euphemism and innuendo. The author offers fascinating, in-depth analysis of the meaning behind these portrayals of a variety of both mundane and provocative taboos, and identifies how new television programs, films, and advertising campaigns intentionally violate longstanding cultural taboos to gain an edge in the marketplace.

All Things Reconsidered Knox McCoy, 2020-06-02 Are you able to give your first impressions a second look? In this lighthearted and humorous take on life, Knox McCoy explores questioning and examining long-held ideas that no longer represent how we think. What would it mean to really examine what you think you know about yourself and your beliefs? To not just rely on the clichés you've always recited to yourself but to look deeply into why you think what you think? In *All Things Reconsidered*, popular podcaster Knox McCoy uses a unique blend of humor, pop culture references, and personal stories to show how a willingness to reconsider ideas can actually help us grow ourselves, our lives, and our beliefs. In this laugh-out-loud defense of changing your mind, Knox dives into a variety of topics including: Are participation trophies truly the worst? Is it really worth it to be a ride-or-die sports fan? Do we believe in God because of the promise of heaven—or the threat of hell? Does prayer work? Is anyone even there? In a world where we're divided by political, social, and religious differences, *All Things Reconsidered* is a hilarious and insightful book of essays that reminds us of the value of reflection and open-mindedness.

You Deserve a Drink Mamrie Hart, 2015-05-26 A New York Times bestselling, riotously funny collection of boozy misadventures from the creator of the YouTube series, "You Deserve a Drink." Mamrie Hart is a drinking star with a Youtube problem. With over a million subscribers to her cult-hit video series "You Deserve a Drink," Hart has been entertaining viewers with a combination of tasty libations and raunchy puns since 2011. Hart also co-wrote/co-starred in *Dirty Thirty* and *Camp Takota* with Grace Helbig and Hannah Hart. Finally, Hart has compiled her best drinking stories—and worst hangovers—into one hilarious volume. From the spring break where she and her girlfriends avoided tan lines by staying at an all-male gay nudist resort, to the bachelorette party where she accidentally hired a sixty-year-old meth head to teach the group pole dancing (not to mention the time she lit herself on fire during a Flaming Lips concert), Hart accompanies each story with an original cocktail recipe, ensuring that *You Deserve a Drink* is as educational as it is entertaining. With cameos from familiar friends from the YouTube scene and a foreword by Grace Helbig, this glimpse into Hart's life brings warmth and humor to the woman fans know and love. And for readers who haven't met Mamrie yet—take a warm-up shot and break out the cocktail shaker: you're going to need a drink. "Hart is a pull-no-punches comedian with a talent for self-deprecation in

the guise of self-aggrandizement, a winning formula.”—The New York Times
