I Never Liked You Chester Brown, 2021-04-29 A harrowing memoir of loss and the struggle to connect, Brown's story is told with a spare poetic elegance. A self-absorbed teenager, Chester Brown strays into the difficult territory of friendship and early love while at home there is a slowly building crisis over his mother's mental health. Emotionally intense, the story veers unsteadily between the extremes of eerie detachment and sudden desperate outbursts of need. A complex and disturbing true story told with a nuanced, queasy visual style that lingers in the mind long after the book has been put away.

Anneliese Widman, 2009-05-01 Twenty years ago, the topic of Satan emerged for Anneliese Widman, PhD, while she was searching for a doctoral thesis subject. The following words appeared on a piece of paper, as though she were writing them automatically: the demonic aspect in the human personality. The concept underlying those words was manna from heaven; she realized that she was in touch with a monumental topic. She became aware that our insufficient egos stem not only from our parents' words and behavior, but also from the demonic intention that underlies the parents' feelings toward their offspring. She began to understand the ways that voices could destroy the self, limiting normal functioning, and she devised a method to help identify these voices and help a patient extricate him or herself from the power of their irrational impact on the psyche. In *Unleashing Satan's Grip*, through two patients' case histories, she shows how they deal with struggles similar to, yet different from, those we all face. The purpose of this book is to show the reader how to return to the Source, devoid of the evil ones, and to bring ways to master these forces and to remember the origin we all share-our Source, the vital force of our true self-and to ally with it as our friend and guide. It is available to all who seek it. Finding the true Self is a mammoth undertaking; the process can take many years to accomplish. As Dr. Widman writes, The task is a noble one, but we are all noble and godlike at our basic core. Is not the purpose of being on this planet to bring that core into the light, out of the unlit labyrinth, to completion-our connection to our Godself? This book will demonstrate how to approach such completion.

Complete Works of Peter Cheyney. Lemmy Caution Books, Slim Callaghan Books, Dark Novels, Short Fiction Peter Cheyney, 2022-01-05 Peter Cheyney is perhaps best known for his short stories and novels about agent/detective Lemmy Caution. Caution was first portrayed as a Federal Bureau of Investigation (FBI) agent, and in later stories as a private detective. Another popular creation was the private detective Slim Callaghan who also appeared in a series of novels and subsequent film adaptations. He was constructed as a British response to the more hardboiled detectives of American fiction

such as Sam Spade and Philip Marlowe. A meticulous researcher, Cheyney kept a massive set of files on criminal activity in London, but these were destroyed during the Blitz in 1941; he however, soon began to replace his collection of clippings. He dictated his work. Typically he would act out his stories for his secretary, Miss Sprague, who would copy them down in shorthand and type them up later... I Lived to Tell the Story Tamika D. Mallory, 2025-02-11 A powerful and heartfelt memoir of perseverance and triumph over tragedy from Tamika D. Mallory, trailblazing social justice leader and cofounder of the Women's March. In this candid and defiant memoir, a follow-up to her "masterful" (Marc Lamont Hill, New York Times bestselling author) response to the murders of Breonna Taylor and George Floyd, State of Emergency, Tamika D. Mallory holds nothing back as she shares hers, the activist's life. From early days as daughter to Black civil rights activists in Harlem, New York, to a young Black woman's first battles against the physical and political violence she'd fight all her life, to the never-before-shared personal and professional crises launched by those forces intent on keeping her silent, this is a work of activism in motion and an unflinching story of America at the turn of the 21st century. Ultimately, I Lived to Tell the Story is a celebration of the profound truth that our hearts grow closest when we discover that the values we share are grounded in personal truths as well as high-minded aspiration.

Intrepid Gord Francis, 2011-11-23 Lieutenant Don Fields is a genius with a PhD in math, but like many such credentialed academics, he also struggles with a limited understanding of people. When he finds himself recruited into an exclusive international military unit populated by other brilliant and accomplished people, he thinks he may have just found a home. Soon, he begins to make friends among these geniuses, who, like him, were recruited from all over the world. To his surprise, he finds that not only can he make friends, but he can also fall in love. Its not long, however, before he deduces that the unit has enemiespowerful enemies who are willing to do anything they can to harm him. And because of these people, what should have been the happiest day of his life quickly becomes the saddest. At their hands, his greatest joy turns to ash. Through his grief, Don is forced to continue his work on the units goals. Even though it may seem impossible, the newly shaped soldier in him knows that he must put his suffering aside, because the units goal is bigger than anything hes ever dreamed of.

A Bottle of Rum Steve Goble, 2019-11-12 August, 1723 -- Spider John Rush believes he has escaped piracy forever. Enjoying rum and chess in a dark Lymington tavern, he dreams of finding passage to Nantucket to reunite with his beloved Em and to finally get to know the son he remembers only as a babe in arms, though the lad must be dreaming of going to sea himself by now. But when a lazy taverner is stabbed to death, one glance at the victim tells Spider the pirate life has followed him ashore and he cannot possibly ignore this bloody crime. The wise maneuver would be to run before authorities arrive, but Spider is denied that choice because he's already deeply, connected to the crime—he fashioned the murder weapon with his own hands. The knife was a gift to a young man, one who ran off with the notorious Anne Bonny before Spider could drag him into a respectable life. Soon, Spider John and his ancient shipmate Odin are dodging accusations and battling smugglers on a trail that leads to a madhouse where patients are dying one by one. Spider finds himself tangling with a horribly maimed former shipmate, vengeful pirates, a gun-wielding brunette, a death-obsessed young woman, a sneaky farmhand and a philosopher engaged in frightening experiments. But death seems to be winning at Pryor Pond, and the next life lost may be the one Spider desperately wants to save. Spider must brave sharp steel, musket balls, gunpowder bombs, dangerous women and gruesome surgery if he is to find his foolish young friend alive and try once again to put piracy in their past.

Delphi Collected Works of Peter Cheyney (Illustrated) Peter Cheyney, 2024-02-09 The British crime fiction writer Peter Cheyney is the creator of the American FBI agent Lemmy Caution and the English detective Slim Callaghan. These characters were constructed as a British response to the hardboiled detectives of American fiction. In later years Cheyney's style matured with the 'Dark' books, drawing wide praise during World War II for bringing more realism to espionage fiction. Although his works have suffered neglect in recent times, the fame of Cheyney's novels in the post-war period cannot be underestimated, having sold over 5 million copies. This eBook presents Cheyney's collected works, with numerous illustrations, rare texts, informative introductions and the usual Delphi bonus material. (Version 1) * Beautifully illustrated with images relating to Cheyney's life and works * Concise introductions to the major texts * All 29 novels available in the US public domain, with individual contents tables * Features rare novels and story collections * The complete short stories * Images of how the books were first published, giving your eReader a taste of the original texts * Excellent formatting of the texts * Special chronological and alphabetical contents tables for the short stories * Rare uncollected tales appearing here for the first time in digital publishing * Easily locate the stories you want to read * Ordering of texts into chronological order and genres Please note: due to US copyright restrictions, 12 novels cannot appear in this edition. His Way Kitty Kelley, 2010-12-28 #1 NEW YORK TIMES BESTSELLER • With a new afterword by the author in honor of Frank Sinatra's 100th birthday This is the book that Frank Sinatra tried—but failed—to keep from publication, and it's easy to understand why. This unauthorized biography goes behind the iconic myth of Sinatra to expose the well-hidden side of one of the most celebrated—and elusive—public figures of our time. Celebrated journalist Kitty Kelley spent three years researching government documents (Mafia-related material, wiretaps, and secret testimony) and interviewing more than 800 people in Sinatra's life (family, colleagues, law-enforcement officers, friends). The result is a stunning, often shocking exposé of a man as tortured as he was talented, as driven to self-destruction as he was to success. Featuring a new afterword by the author, this fully documented, highly detailed biography—filled with revealing anecdotes—is the penetrating story of the explosively controversial and undeniably multitalented legend who ruled the entertainment industry for fifty years and continues to fascinate to this day. Praise for *His Way* “The most eye-opening celebrity biography of our time.”—The New York Times “A compelling page-turner . . . Kitty Kelley's book has made all future Sinatra biographies virtually redundant.”—Los Angeles Herald Examiner

Ruminations on Twentysomething Life Aaron Karo, 2005-05-03 Is there life after college? In this side-splitting follow-up to his runaway smash hit, *Ruminations on College Life*, Karo takes readers on another hilarious and eye-opening journey--this time into those critical years when the carefree days of school are done and the big, bad world of mature adulthood beckons.

The Last Good Thing John S. Anderson, 2002-08-01 A violent, gritty crime thriller, *The Last Good Thing* tells the story of a rogue spy, on the run, and running out of time.

Grieve, Breathe, Receive Steve Carter, 2024-05-07 What do you do when your world seems to be falling down all around you? When loss is too much to bear? When disappointment becomes your new reality? Pastor Steve Carter is certain you'll find hope and life through these three simple yet profound steps: Grieve. Breathe. Receive. In 2018, in light of further misconduct allegations against Willow Creek Community Church founder and senior pastor Bill Hybels, Steve Carter announced publicly that he was resigning from his dream job as a lead pastor at that church. After posting his resignation online, he turned off all of his devices and began to weep on his wife's shoulder. The next morning as he was taking a walk to process all the thoughts and feelings tumbling around in his mind, he cried out to Jesus in desperation, begging for an answer. What am I supposed to do now? He expected nothing but the silence that had overwhelmed him since hitting send on

his message to the world, but before he could take two steps, a gentle whisper impressed three words upon his heart: grieve, breathe, receive. Those three words would become a profound mantra for Steve in the season he would soon begin—a season focused on healing. Deep healing. The kind that comes after painful trauma. In this book, Steve is more personal and vulnerable than he's ever been, and by doing so he encourages all of us to: Allow ourselves the necessary time and space to properly GRIEVE what is, what you thought it was going to be and how key people let you down rather than fill our days with activities and commitments that distract us. Slow down to BREATHE in God's grace, His peace, and His love . . . and to learn how to exhale all the negativity, pain, resentment, and bitterness we carry within us. Be open to RECEIVE all the lessons, surprises, and healing God knows we need for every part of us to be made whole. This process of grieving, breathing, and receiving was a life-restoring gift from God for Steve and his family, and he is certain that it will bless anyone who prayerfully follows it.

Dead Voices Katherine Arden, 2020-06-30 New York Times bestselling author Katherine Arden returns with another creepy, spine-tingling adventure in the critically acclaimed Small Spaces Quartet. Now in paperback. Having survived sinister scarecrows and the malevolent smiling man in Small Spaces, newly minted best friends Ollie, Coco, and Brian are ready to spend a relaxing winter break skiing together with their parents at Mount Hemlock Resort. But when a snowstorm sets in, causing the power to flicker out and the cold to creep closer and closer, the three are forced to settle for hot chocolate and board games by the fire. Ollie, Coco, and Brian are determined to make the best of being snowed in, but odd things keep happening. Coco is convinced she has seen a ghost, and Ollie is having nightmares about frostbitten girls pleading for help. Then Mr. Voland, a mysterious ghost hunter, arrives in the midst of the storm to investigate the hauntings at Hemlock Lodge. Ollie, Coco, and Brian want to trust him, but Ollie's watch, which once saved them from the smiling man, has a new cautionary message: BEWARE. With Mr. Voland's help, Ollie, Coco, and Brian reach out to the dead voices at Mount Hemlock. Maybe the ghosts need their help--or maybe not all ghosts can or should be trusted. Dead Voices is a terrifying follow-up to Small Spaces with thrills and chills galore and the captive foreboding of a classic ghost story.

Hidden Souls Deanna Hayes, 2020-10-06 Come with me on a journey. One filled with vampires, werewolves, and everything in between. This tale is about the hidden souls among us and how the entire world is about to change. Creatures from fairy tales are stepping up, and they are us.

Love for All Seasons Suzanne Innes-Kent,2003-08-01 Creating lasting love is as popular as it ever was, and yet it often seems hard to achieve in a world of constant change. This is a book which faces the real issues of everyday living and provides a hopeful message for couples who want to make their love last and face life together. Overcoming jealousy, coping with major loss, surviving the effects of overwork or of losing a job, being a parent and a couple at the same time - this book provides thoughtful and practical ideas on these and many other issues.

Living With The Bad Boy Iam_Winnie,2022-01-07 His lips were bright red. I responded to him immediately when his sexy lips touched my mouth. I permitted his entrance into my mouth as I parted my lips. My body was on vibration because of his touch. He knew the right thing to wake up my sexual arousal. As our tongues clenched, I deepened the kiss as I couldn't get enough of him. My fingers combed behind his soft silky wet hair as I felt the burning steam inside me. I was on fire. His lips were so soft against mine that I couldn't get enough of him. His hands went to the back strap of my bikini bra, trying to loosening the tied knot. Bad girl Olivia Henderson is stuck with her worst nightmare, Alexander Williams. He happens to be the son of her parent's good friends and business partners. Their parents go on a one-month business trip leaving Olivia in the care of her worst nightmare.
