

Last Night At The Hollywood Canteen

Elisabeth Bronfen

Last Night at the Hollywood Canteen Sarah James, 2023-11-07 Perhaps the best place in 1943 Hollywood to see the stars is The Hollywood Canteen, a club for servicemen staffed exclusively by the entertainment industry. Annie Laurence definitely hopes to rub elbows with the stars - maybe then she can get her movie made. After a devastating surprise breakup, she moved from New York to Hollywood to start her new life as a screenwriter of murder mysteries--only to learn that the controlling studio head thinks women can only write light romances. At her second night at the Canteen, however, a particularly vicious critic is murdered. Annie falls in with the critic's old friends, a bitter and cynical group--each as uniquely unhappy in their life and career as Annie is in hers--that call themselves the Ambassador's Club. Even though the critic's death is officially ruled a suicide, Annie comes to believe that one friend-- or maybe a disgruntled former friend-- is trying to off the group one by one. Unfortunately, that now includes her. This vibrant, utterly delightful mystery expertly captures the drama, glamour and absurdity of wartime Hollywood. Sarah James's swift dialogue, dry wit and clever characters transport you into a 1940s movie, where the jokes are quick, the love affairs scandalous and the cast as charming as they are flawed. Underneath it all, James's deep knowledge of the era's movies and music lends an authenticity that makes the rest shine even brighter. I laughed, I gasped and I never wanted it to end. This should head straight to the top of every must-read list. -- Brianna Labuskes, author of *The Librarian of Burned Books*

Last Night at the Hollywood Canteen Sarah James, 2023-11-07 Glamorous and suspenseful. —Marie Benedict, New York Times bestselling author Perhaps the best place in 1943 Hollywood to see the stars is the Hollywood Canteen, a club for servicemen staffed exclusively by those in show business. Murder mystery playwright Annie Laurence, new in town after a devastating breakup, definitely hopes to rub elbows with the right stars. Maybe then she can get her movie made. But Hollywood proves to be more than tinsel and glamour. When despised film critic Fiona Farris is found dead in the Canteen kitchen, Annie realizes any one of the Canteen's luminous volunteers could be guilty of the crime. To catch the killer, Annie falls in with Fiona's friends, a bitter and cynical group—each as uniquely unhappy in their life and career as Annie is in hers—that call themselves the Ambassador's Club. Solving a murder in real life, it turns out, is a lot harder than writing one for the stage. And by involving herself in the secrets and lies of the Ambassador's Club, Annie just might have put a target on her own back. This vibrant, utterly delightful mystery expertly captures the drama, glamour and absurdity of wartime

Hollywood. Sarah James's swift dialogue, dry wit and clever characters transport you into a 1940s movie, where the jokes are quick, the love affairs scandalous and the cast as charming as they are flawed. —Brianna Labuskes, author of *The Librarian of Burned Books*

Last Stop Union Station Sarah James, 2025-07-15 Murder, movie stars, and mystery await those who climb aboard this cross-country train, inspired by the real-life history of the Hollywood Victory Caravan Hollywood, 1942. Jacqueline Love's acting career is flailing. Suddenly on the wrong side of 40, parts are drying up, directors are calling her difficult, and Humphrey Bogart has definitely stopped taking her calls. Desperate to cling to stardom, Jackie takes the only gig that will have her: the Hollywood Victory Caravan, a train full of movie stars crossing the country to fundraise for the war effort. Jackie wouldn't call herself patriotic, but with her life's work on the line, she'll do anything. When a fellow star dies on board, everyone assumes the death was a tragic accident—but Jackie isn't so sure. Stuck in Chicago's Union Station, Jackie enlists the help of Grace, one of the few women in the police force, to investigate. But difficult outside of a movie set is dangerous, and when the pair fall into a homegrown Nazi scheme, Jackie must ask herself what's more important: her career, or her country?

Boy at Sea Tom Canford, 2005-10 Kenny Roper has seen too many movies about WWI to hang around and be caught in the draft of WWII. If he goes down, let it be in water and not in trenches. He joins the U. S. Coast Guard. He won't have to go overseas, will he? Guess again, Kenny. You're in for a rude awakening, as well as a riotous and raunchy adventure. Do you like girls? he is asked in the examination room. What do they think, he's antisocial? So begins *Boy At Sea*, a novel that, as the title suggests, is about conflicted sexuality as revealed through the picaresque adventures of a college freshman-turned-sailor. Kenny meets great guys on ship and on land, but none so intriguing or troubling as blond gunner's mate Blake, stationed aboard the same destroyer escort in the South Pacific. Kenny's travels take him from Wilmington and other parts of California to New York and Boston, Brisbane, Samoa, the Panama Canal Zone and Alaska. He experiences the Zoot Suit Riots in Los Angeles in 1943 and the Battle of Leyte Gulf in 1944, but nothing sears itself into his consciousness like his relationship with Blake.

Buster's Book Donald Junkins, 2012-11 Providing insight in a family's history against the backdrop of major world wars, *Buster's Book* offers a collection of more than a thousand letters exchanged during the twentieth century as young men provided service to their country. In this memoir, author Donald Junkins has compiled letters, diaries, interviews, recollections, and photographs of the family's participants in both world wars and the Korean and Vietnam wars. This fascinating historical record includes the stories of a variety of escapades: from single-handedly opening an eight-year-old Nazi prison cell to B-24 air forays from New Guinea in which an aerial gunner shot down two Japanese Zero planes; and to the rescue in Korea of wounded men stalled in a jeep in the middle of a freezing river that culminated in the awarding of the

Silver Star. Buster's Book reflects both the lives of a middle-class American family during these years and the daily activities of two generations of young American men at war.

A Few Good Women Inga Fredriksen Ferris, 2002-08-05 A Few Good Women is the true story of a group of women who served in the Marine Corps during World War II. They came from different backgrounds, with nothing in common but youth, naivety, health, and a desire to serve their country. Boot camp training molded them into Marines, united as one and proud of the Corps. Marine Commandant Alexander Vandergrift credited these women with freeing enough men to put the 6th Marine Division into the field. Laced with humor and wartime nostalgia, this book gives insight to the beginning of women's military liberation. A candid, often graphic, personal account that provides a long-overdue salute to the valiant, innovative women who served their country well. Ted Fuller, columnist and author of Seniors Need 12 Hugs a Day For me, this book was a step back in time, an honest, vivid account of what life was like for Women Marines who served in World War II. The fast-paced dialogue with clear verbal expressions make for a quick and enjoyable read. Virginia Allred, USMCWR WWII Past National President, Women Marines Association As a former High School Teacher of Compository English, I give it an A+. 'A Few Good Women' is most interesting, and extremely well written. John Egan, USMC, Pearl Harbor survivor

The Vision Robert Blake, 2014-01-21 Jared Matthews is embarking on a journey which started with a well-deserved furlough from his duties as a foreign war correspondent and pilot during World War II. Everything changes for him after experiencing a vision which seems to portray parallels of the Nazi regime he had witnessed in the 1930s, to what is yet to come in the 21st century. At the outset, he meets a beautiful girl the night he has the vision, but they part ways, possibly never to see each other again. Will he find this woman he felt so drawn to? He also seeks the help of his war buddies, and a priest who offers insightful counsel and warnings about his vision. He returns to Europe and the war, while continuing to experience more dreams and visions, along with the devastation of battle. His destiny seems certain: to warn others of what is yet to come after the war is over. The future? Another dictator, but one of pandemic and prophetic proportions.

Specters of War Elisabeth Bronfen, 2012-10-03 *Specters of War* looks at the way war has been brought to the screen in various genres and at different historical moments throughout the twentieth century and into the twenty-first. Elisabeth Bronfen asserts that Hollywood has emerged as a place where national narratives are created and circulated so that audiences can engage with fantasies, ideologies, and anxieties that take hold at a given time, only to change with the political climate. Such cultural reflection is particularly poignant when it deals with America's traumatic history of war. The nation has no direct access to war as a horrific experience of carnage and human destruction; we understand our relation to it through images and narratives that transmit and interpret it for us. Bronfen does not discuss actual conflicts but the films by which we have come to know and remember them, including *All Quiet on the Western Front*, *The Best Years of Our Lives*, *Miracle at St. Anna*, *The Deer Hunter*, and *Flags of Our Fathers*. Battles and campaigns, the home front and women-who-wait narratives, war correspondents, and court martials are also explored as instruments of cultural memory. Bronfen argues that we are haunted by past wars and by cinematic re-conceptualizations of them, and reveals a national iconography of redemptive violence from which we seem unable to escape.

Dutch Clarke -- The War Years Brian Psy.D. Ratty, 2013-05-22 In 1942, as American blood is about to be spilled in far-off Guadalcanal, a young man boards a train and blindly heads towards his destiny: boot camp with the United States Marine Corps. These tragic times of World War II were the defining years for millions of cowboys and plowboys. This book is a compelling chronicle about these years and one not-so-ordinary young man. *The War Years* is a heartwarming saga about Dutch Clarke who, over the objections of his prominent family, answers his country's call. Just as Dutch is about to complete boot camp, family influence steps in and propels him through the ranks and into the Office of War Information. Here he puts down his rifle and takes up photography. Soon Dutch learns the power of the lens and the courage to use it. This is a uniquely different war story about men who fought their way across the Pacific, not with guns but with cameras. This tapestry covers more than just guns and bullets; it is also about the human threads of prejudice, friendship and the ultimate sacrifice. After surviving a Japanese POW camp and a daring escape, Dutch is given the opportunity to be one of the first American photographers to set foot on homeland Japan...here he turns his assignment from reconnaissance to revenge. This story is as fresh as today's headlines and as true as yesterday's sins. Winner: Eric Hoffer Literary Award Book of the Year Finalist - ForeWord Magazine *The War Years* is an engaging and insightful look into Dutch Clarke's military service among tinsel town's celebrities, his front line action as a combat photographer, and his subsequent refusal to be cowed as a Japanese prisoner. It's an action filled, satisfying read for any reader, especially if you like a good military novel. Gary Adams, author of *Felicity - Hard Times - Happy Days*. The novelist misses nothing as his narrative snaps pictures of racism, injury, death, heroism, revenge, and redemption in nonstop action. Ratty effectively weaves a combination of current drama and flashbacks

as Dutch narrates his saga. A skilled storyteller, Ratty has moments of elegant prose. ForeWord Clarion Review

Tony's War Edward Anthony (Tony) Zahn, 2019-12-20 Tony was an urbane, witty, college-educated Long Island boy whose WWII army career was recorded in 256 letters sent home to his parents as he lived through the experience. They begin with his departure for basic training in October, 1942 and continue until his return home from the Philippines in December, 1945. His first two years of stateside maneuvers were an involuntary adventure, a bit of a lark that had interrupted his life not unpleasantly. But when he lands in a combat zone on the heels of MacArthur, his perspective on life changes forever. This is the story, in his own words, of one individual soldier's complete WWII experience. TONY'S WAR chronicles here-and-now thoughts, observations, and fears of a war-time soldier. The letters describe in minute detail: basic training, stateside duty at several army camps, the trans-Pacific journey to war, hospital convalescence, and life in a jungle combat zone. There are disturbing secret letters sent to his father's office with revelations not meant for his mother's eyes, journal entries of events that would not have been passed by the censor, and the text is augmented by many of his photographs and drawings. Take a journey into the heart and soul of a member of the Greatest Generation, a WWII soldier.

The Devil Met a Lady Stuart M. Kaminsky, 2011-12-13 Hired as a bodyguard for diva Bette Davis, this wisecracking Hollywood PI better fasten his seat belt, it's going to be a bumpy night. Bette Davis has three words to describe her hotel hideaway: "What a dump!" After two days locked in a rented room with the acid-tongued actress, private eye Toby Peters is starting to feel like he's her husband—instead of Arthur Farnsworth—and he wants a divorce. The diva's real hubby—an aeronautics engineer with a head full of government secrets and a gang of blackmailers on his trail—has hired Peters to keep Bette safe from kidnappers. But when thugs burst through the hotel room door, it's almost a relief. Almost . . . Because Peters still has a job to do. And to rescue the snatched star, he needs to crack a Nazi spy ring while at the same time keeping a bit of indiscreet evidence involving Bette and Howard Hughes from falling into the wrong hands . . . "For anyone with a taste for old Hollywood B-movie mysteries, Edgar winner [Stuart M.] Kaminsky offers plenty of nostalgic fun" in the Toby Peters mysteries. "The tone is light, the pace brisk, the tongue firmly in cheek" (Publishers Weekly).

Dearest Darling, Letters from World War II Catherine Emerson Porto, 2022-12-08 Dearest Darling tells the true story of the WWII romance and marriage of Anthony (Tony) Porto of New York, a Navy aerial photographer aboard the USS Saginaw Bay, and Bernice Hardey of Texas. From a box of letters stored for decades, their daughter-in-law recounts their inspiring life together. Key to the story are Bernice's late-in-life recollections of the letters Tony wrote to her while he was aboard ship in the Pacific during the final battles of WWII. The letters were a lifeline, as Bernice listened to news feeds from Tokyo Rose

about supposed Japanese triumphs and worried about Tony's safety amidst the heavy fighting. When Tony died in 2011, Bernice disclosed to the family their lifelong secret, recalling how happy she was the day she finally received the long-awaited letter from Tony disclosing in code that he was finally coming home. Code? What code was she talking about? The code, which neither Tony nor Bernice had ever mentioned before, was his way of letting her know his ever-changing location in the Pacific without arousing suspicion from the Navy censor, who read all outgoing mail. Unraveling the code and reading Tony's elegant letters brings to life Bernice and Tony's deepening love amidst the backdrop of war. The letters chronicle his journey from aerial-photography training to pre-invasion surveillance to photographing the invasion of Iwo Jima. Dearest Darling is more than a classic WWII love story. Bernice's and Tony's postwar lives are inspiring examples of devotion to something bigger than oneself: in their case, faith, family, community, country, and--above all--each other.

Harte's Gold Jane Toombs, 2004-11 When, without her knowledge, Carole's grandmother allows a film company to shoot a movie on Harte's ranch, Carole, who actively runs the ranch, is confronted with Gerrald, an Australian actor, a type she has never trusted. Add to this a legend of ghost gold buried on the ranch, Gerrald's conniving father and Carole's vulnerable grandmother, plus Native American superstitions that just might be true. A mixture guaranteed to explode. When the fire dies down, can the bright phoenix of true love rise from the ashes? Jane Toombs brings her considerable award-winning skills to bear and enhance the main romance with the insightful secondary love story of the young-hearted grandmother. -- Romantic Times, 4 Stars

The Bread of Teaching Michael Bennett, 2009-02 Fifty-six years after their fathers fought on Iwo Jima, two teachers unaware of their shared past face the 2001 school year, a year unlike any other, a year in which change comes to their lives, their school district, and their nation.
