A Tiny Universe Joy Usher,2018-05-31 A Tiny Universe is a textbook which is based on Thema Mundi, a symbolic chart of the planets positions at the beginning of humankinds existence. Thema Mundi has existed as the teaching tool for astrological techniques since Hellenistic times and traditional sources from Greek, Persian, Arabic and Hebrew origins used the mythical representation of the Birth-chart of the Universe as a model for their evolving theories on astrology over the centuries. A Tiny Universe explores the seven original planets and their meanings and discusses the planets role, both in general through the time periods of life, and specifically through the astrology chart. The judgement of a planets condition under the terms of the Essential and Accidental Dignities is featured and the Friendships and Enmities which exist between various planets is discussed in the book. Thema Mundi embraces the process of life which begins with the four qualities, leads to the roots which we call the elements, and completes its journey at the twelve zodiac signs. The final chapters highlight the importance of the twelve houses which set the planets into specific areas of an individuals life through the astrology chart. A Tiny Universe takes a modern look at a very old chart as Thema Mundi introduces the planets, the qualities, the signs, and the houses, to the reader who is interested in astrology from the novice astrologer, to the practitioner, who wishes to gain a deeper understanding of the origins of their craft.

If I Was a Toy Sarah Smith,2018-06-01 Welcome to Sallys world, where the impossible becomes possible. Where imagination has no boundaries. Travel with her and her friends through countless journeys from the Amazon rain forest to the end of the universe with fun, laughter, a tinge of sadness and learn along the way. Witness Sallys transformation into a lion with an attitude, her doll Sarah transforms into a bird as mad as a March hare. A cross dressing frog Trichobatrachus and his long -suffering Brother Robusius. They begin their adventure to find a name for a little elephant as only Parents together can name their babies, and with her Mother Rebecca Alice Pompadour Numpty by her side off they go into the great unknown. You will meet a crocodile called Gum Drop with a bad case of halitosis, a heart as big as the sun, with a philosophy in life to smile, think, give, laugh, love, dream and not to look back as he wasnt going that way. A family of giraffes that will have you laughing you socks off, but that is okeydokey as a very big pink hairy yak called Zak likes to wear a pretty one. Follow these animals and more and build up a kaleidoscope of wonderful colours and memories, to enjoy whenever you wish.

The Long Win - 2nd edition Cath Bishop, 2024-05-20 'This is a deep and rewarding exploration of human motivation' The Financial Times 'Powerful and profound' - Matthew Syed 'This book will change your outlook on everything.' - Clare Balding Reimagining success in sport, business, education, politics and life. In this compelling examination of our obsession with winning, Cath Bishop draws on her extraordinary mix of experience to trace how increasingly narrow concepts of winning constrain our personal and professional lives. How do we redefine success in order to explore our potential more effectively over the long- term? In this second edition, Cath adds fresh insight from working with leaders who are putting The Long Win into practice and offers additional tips and strategies to leaders looking to unlock sustainable high performance. Cath is a triple Olympian, World Champion and Olympic silver medalist in rowing. In her career as a diplomat, she specialized in stabilization policy for conflict-affected parts of the world. She now works as a coach and consultant, advising on leadership, performance and culture across business, sport and education, and teaches on Executive Education programmes at the Judge Business School, Cambridge University. She is a globally sought-after speaker. 'It's not often you can say a book will change your life, but this certainly could.' Daily Mail 'Anyone interested in motivation should read this book and think deeply.' Margaret Heffernan Chosen by the Financial Times as one of its Best Business Books 2020

A Life Worth Living Bernard Sabella, 2017-12-14 Amidst a sometimes confusing barrage of news about the Middle East, Dr. Bernard Sabella, a Palestinian Christian, offers an enlightening, often humorous, personal narrative accompanied by reflections on lessons learned from his life in a conflict zone. Displaced from his home in infancy with his refugee family and educated in Jerusalem's Old City before pursuing university studies in the US, he blossomed into a committed educator, scholar, member of the Palestinian Parliament, and director of a church aid agency. Throughout his life Dr. Sabella has never lost his focus on the goal of promoting peace through understanding, and he has never been diverted from his path of absolute nonviolence. A Life Worth Living speaks with a voice worth listening to, alternately anecdotal and analytical, touching our hearts while pondering the past, present, and future of the Holy Land.

Hearing Jesus Kourtney Govro, 2023-01-10 "You can never go wrong studying, Jesus," Dr. Darrel Bock told me. This has become one of my favorite phrases. The Bible is one of the most accessible, understandable, and yet completely complex books ever written. It is filled with stories, advice, love letters, prophecy, poems, and prose. It is history in all its rawness combined with a promise that started when time began and was fulfilled with Jesus. With him as our focus, we cannot go wrong. If you have ever wondered, "Who is this Jesus?", "What does He stand for?", "What does it mean to be a follower of Christ?", or "What makes Him different than religion?", then I encourage you to take a journey through the Sermon on the Mount. Nothing speaks to the heart of the Messiah's mission more than it does.

The Story So Far Ann Cattanach, 2002-06-15 Play therapy can be a very appropriate way of facilitating this kind of

expression. This book describes the work of nine play therapists through the narratives of children - and some adults - whose stories emerge during their play therapy sessions.

The Long Win - 1st edition Cath Bishop,2020-10-13 'Powerful and profound.' - Matthew Syed 'Anyone interested in motivation should read this book and think deeply.' - Margaret Heffernan ***Selected as one of the Financial Times's Best Business Books of 2020*** ***THE PEOPLE' BOOK PRIZE 2022/23 SHORTLISTED TITLE*** In this fascinating examination of our widespread obsession with winning, Cath Bishop draws on her personal experience of high-performance environments to trace the idea of winning through history, language and thought to explore how it has come to be a defining concept in fields from sport to business, from politics to education. Faced with the challenges and opportunities of the 21st century, Cath offers a new, broader approach - The Long Win. Cath competed as a rower at three Olympic Games, becoming the first British woman to win the World Championships and an Olympic medal in the coxless pairs event. As a senior diplomat, Cath worked on policy and negotiations, specializing in stabilization policy for conflict-affected parts of the world. In business, Cath has acted as a coach and consultant, advising on team and leadership development and organizational culture, and teaches on the Executive Education Faculty at the Judge Business School, Cambridge University. In this book she brings that extraordinary mix of experience to examine what winning has come to mean to society and to us as individuals and offers a fresh perspective on how we might redefine success - personal and professional - for the longer-term. 'Looking at life from a different point of view is a rare skill. Built on in-depth research and broad experience as well as original thought, this book will change your outlook on everything.' - Clare Balding OBE 'This book is so relevant, timely and exciting for any person or organization wanting to investigate what success means to them. It couldn't be a more relevant book right now and Cath's exceptional ability in so many areas of life make it a gripping read with a lot of key takeaways whatever your area of interest. I wish every leader could immediately read this book as the world would be a better place if they did!' - Goldie Sayers, Olympic Medallist in the Javelin, Coach 'I love this book. It is a must-read for educators, business executives, policy makers, politicians and indeed anyone who wants to understand why we need a new narrative around winning and success. We need

a lot more Long-Win Thinking in our homes, businesses and institutions and Cath's book is the place to go to find out why - and how we get there.' - Dame Helena Morrissey
