Finally, because we just may be living in our final days, there is no other manuscript being written now or in the past except for the Bible itself that is more important than this book titled THE MOST INCREDIBLE BOOK EVER WRITTEN.

We Are so Loved Jill Lambert, 2017-09-22 When we hear stories of spontaneous healing, assistance from angels and loved ones who've passed, the laws of physics bending or even breaking to save someone, and people using their divine creative power to claim what they desire despite appearances, our beliefs change about what is possible for us. We Are So Loved is about such miracles and more. Many of these stories may seem too fantastic to be true, but they are. As you read them, maybe you'll remember some of your own miracles that you discounted as just a coincidence, luck, or just your imagination. The mystical, miraculous experiences I've had since childhood, the stories others have shared with me of divine assistance and moments of grace, as well as the miraculous healings I witness as a Reconnective Healing Practitioner, have changed my beliefs about what is possible and continue to transform my world for the better on every level of my being. That's what I want for you, and why I'm sharing them in this book. I hope they inspire you to think and believe a little bigger and better than you did before you read them as you realize how Loved you are, Who You Really Are, and how possible the impossible really is. The miraculous experiences in this book are what fuel my life's mission to share the truth of how Loved we are and how powerful we are when we align with the Love that is our Source of being. I hope these stories remind you of the God Within you and all life on this planet, that they awaken an awareness of the Love and well-being that is constantly flowing to you, and help you release the limiting beliefs that have kept you from allowing into your life all that your heart desires. We Are So Loved is my first book, and just the beginning of much more to come. Jill Lambert

The Cokeville Miracle Hartt Wixom, Judene Wixom, 2015-06 This is the true story of a traumatic hostage takeover that threatened the lives of over 150 students and teachers from Cokeville, Wyoming. As parents of one of the student hostages, Hartt and Judene Wixom recapture the terror and confusion that struck this small, tight-knit community on May 16, 1986. The Wixoms describe in detail the chain of events that led up to David Young's invasion, balancing the horrific scenes of terror with stories of hope and faith. The miraculous outcome of the nightmare proved to those involved that there are times when angels intervene to save the children.

Crying Angels Sarah V. Tinsley, 2018-10 Most of us can probably think of a spiritual experience in our life that made a permanent profound impression. God reveals His infinite love through our personal experiences. Too often these stories of spiritual reality are never shared with others. When I began praying for spiritual experiences when my parents were very ill, I was blessed with a visit from crying angels. The first story in my book, *Crying Angels*, inspired the title of my book. I felt I should record and share my spiritual stories and the stories I had heard from others. I realized that both the teller and the listener's faith in God increases when stories are shared. Our sharing creates a ripple effect of numerous blessings. My hope is that the stories in this book will bless your soul and will help you not miss any of the miracles God places before you. Sarah

Killing Atheism Kenneth L. Fredrickson, 2021-01-28 Are you struggling with your faith or trying to help others but cannot get around the problem of If there is a God, why is he hidden? Killing Atheism bypasses traditional apologetics and powerfully shows that God is not hidden. It describes irrefutable secular evidence showing that the story of Christ must be true. This is not an academic endeavor, but a spiritual and evidentiary journey written for the layman, with only a few digressions into the world of traditional apologetics. We have been given free will to ignore, reject, or accept Jesus. If your inclination is to ignore or reject, you must deal with the points made in this book.

An Angel to Watch Over Me Joan Wester Anderson, 2012-03-01 Children are known to have wild imaginizations, which explains why their stuffed animals talk and invisible friends get invited to tea parties. So it's no wonder than when a child reports a personal encounter with an angel, adults tend to dismiss it with a wry smile and say, That's nice, sweetie. Why don't you go outside and play? But Joan Wester Anderson says not so fast. If Jesus himself taught that the kingdom of heaven belongs to children, there's no reason in the world not to believe that God can reveal his love to little ones through angels. In *An Angel to Watch Over Me* (originally published by Random House in 1994, with sales of 150,000 copies), Anderson shares more than 30 stories of children's experiences with celestial beings--from a boy whose angels helps him conquer his fear of thunderstorms to a girl who is miraculously rescued from her burning home. From angels who combat evil and darkness to angels who bring news of comfort and joy, each of these accounts is grounded in traditional Christian belief, eschewing any New Age interpretation of the events. For all who are open to the possibility that even children can have authentic spiritual lives--and that attaining a certain age is not a prerequisite for God to touch our lives in the form of heavenly helpers--this book is sure to stir the soul and fan the faith.

Bridge Between Worlds Dan Millman, Doug Childers, 2009 This richly diverse collection of stories (first published as *Divine Interventions*) features extraordinary experiences that have changed people's lives, expanded their awareness, and provided profound spiritual insight.

Then, the bomb exploded and what happened next can only be described as a miracle. Now, those who were there look back?teachers, students, families, emergency personnel and investigators share their recollections of that unforgettable afternoon, many for

the first time, and how it has affected their lives. Here the Cokeville Miracle Foundation presents almost 200 stories from those who are ready to share, witnessing to the world the miracles they experienced. 61 Minutes to a Miracle Bonnie L. Engstrom, 2019-08-28 You mean sixty-one seconds. You said sixty-one minutes, but you mean a little over one minute. No, I said. He didn't have a pulse for over an hour. After a healthy pregnancy, on September 16, 2010, Bonnie L. Engstrom delivered a stillborn baby boy. After sixty-one minutes, just when the doctors were going to call a time of death, James Fulton's heart began to beat. In that sixty-one minutes, the Engstroms been asking for and counting on the powerful intercession of James's namesake: Archbishop Fulton J. Sheen. That James was alive at all was a miracle. But the rest of the story is even more amazing. While the Engstroms were preparing for their little boy to grow up blind, unable to walk or talk, and be fed by a tube for the rest of his life, another miracle occurred. Against all medical odds, James not only survived, but he began — and continues — to thrive. In 2014, medical experts and theological advisors to the Congregation for the Causes of Saints unanimously approved the miracle. This amazing true story, full of weakness and strength, heartbreak and celebration, hope and joy, teaches us that through our faith in Christ and the prayers of the great cloud of witnesses, miracles are possible. Believe the incredible, and you can do the impossible. – Venerable Archbishop Fulton J. Sheen
