Anthony Trollope

Judi Emm, 2005-08-01 Olivia is a young girl from a working-class family background; she comes from a small countryside village, nestled away along with other villages, in the Hope Valley area of Derbyshire, in England. The story follows the events through her life over two decades. Beginning in 1967 as she is brought by an ambulance to a hospital, in Manchester, England, when she is losing an aborted baby, and she endures an inhumane and horrific experience at the hands of a sadistic doctor. Olivia's life then begins to move forward when she joins a happy 'Hippy-Movement' crowd, before entering into a controversial marriage to a man many years her senior. Then a short time later she experiences with her husband, a very traumatic car accident, where at the hospital the attending doctor's prognosis, predicting that her life will soon be coming to an end!! But her body, soul, and willpower insist on fighting for her survival. A few years later she enters into a second doomed marriage. And in the following years that pass, Olivia's life seems to turn into a big 'ROLLER-COASTER-RIDE!' Now always filled with sex, drugs and rock & roll, as she clings to this wild, and crazy, hedonistic-lifestyle for her own emotional security. Until many years later, when taking an overall view and stock of her life, which now seems to be becoming so totally, out of her control, she finally decides that it's time for her to jump off, all of these fast-fun-filled-rides, which are taking her to nowhere. So after much soul-searching about what she does now really want in her life, she decides that it is time for a reconciliation with her second husband Alex. They decide to go to start a fresh new life, when they go to live together in North America, leaving all of her past behind her in England. So now finally at last Olivia, begins to enjoy the much-needed love of her husband and family, which deep down she had been craving for most of her life. Suddenly from somewhere one night out of the blue in the year of 1987, a deep, dark, hidden force in her life returns, turning twenty-long-lost-hidden-years, into a FULL-CIRCLE! Motivating her now to visit the world-down-under in Australia, forcing her to now confront and deal, with her dark, secret, hidden past, which tragically ends, with sad, dramatic consequences! WHO IS OLIVIA? The writer has portrayed in this woman's fiction novel a person that is as far removed from anything in Hollywood as possible! She's just an ordinary girl, who could be living next door to you, or anyone-else in the North of England. The life of Olivia has been portrayed and written in colourful, vivid, imaginary, and detailed true to life form so that the readers can visualise Olivia, as a real true to life person, that they could possibly identify with in part. While at times understanding and feeling that some of the things that happened in her life, could also have possibly happened in their own. But no matter what trauma, hardship,

heartache or crisis arrives in Olivia's life, she not only challenges it, grows from it and flourishes, she is also very determined to survive it all, whatever life throws her way. And the readers will soon realize, that no matter how tough Olivia's going gets, she will never give up, even when she feels that her world is crashing as it begins to crumble down all around her, she will keep on striving until she perseveres. Yes Olivia is a true survivor and will always manage to keep on swimming, until she reaches and gets herself across to the other side of the shore! So come on you ladies--- And make yourselves very comfortable for this controversially, absorbing story, about the reality of a woman who could be you, or one of your friends!!!! As Olivia dares u-all to take this positively exciting and emotionally charged 'ROLLER-COASTER-RIDE' with her, hoping you can hang on until the end, as you deal with what her life has in store as it turns into a 'FULL-CIRCLE!'

So they look for help from their last possible ally. The House of Gaian. The reclusive witches who rule the Mother's Hills. The witches powerful enough to create a world—or destroy one... Surviving With Grace Linda Werman Brawner,2015-09-01 When Linda's husband, Jerry, had open-heart surgery, the doctor told them he would be home in a week and back to work in six months. However, the doctor's prediction proved dreadfully inaccurate. From that point forward, Jerry was in and out of the hospital with multiple complications. *Surviving With Grace* is the inspiring story of Linda's journey through the trials of life. From dealing with depression to caring for a terminally ill spouse to coping with the death of her husband, Linda met each challenge with the help of her Best Friend. It wasn't always easy. It wasn't always what she wanted. But through it all she saw the hand of God and His love shining through the darkness. The first half of the book features Linda's personal story, and the second half offers advice as to how to cope with life's crises. She shares her thoughts through the analogy of making a comforter. The various pieces each represent something, and the end result is a warm blanket that helps shelter us from the cold realities of the world.

A Breath Before Dying C. Alan Lytle,2001-08 After 30 years of failed relationships and poor choices, a self-declared

loser searches for the strength to end his life, but fate shows him that the future can be quite different from the past.

Kid Ben Bradlee,2025-05-01 From acclaimed journalist Ben Bradlee Jr. comes the epic biography of Boston Red Sox legend Ted Williams that baseball fans have been waiting for. Williams was the best hitter in baseball history. His batting average of .406 in 1941 has not been topped since, and no player who has hit more than 500 home runs has a higher career batting average. Those totals would have been even higher if Williams had not left baseball for nearly five years in the prime of his career to serve as a Marine pilot in WWII and Korea. He hit home runs farther than any player before him -- and traveled a long way himself, as Ben Bradlee, Jr.'s grand biography reveals. Born in 1918 in San Diego, Ted would spend most of his life disguising his Mexican heritage. During his 22 years with the Boston Red Sox, Williams electrified crowds across America -- and shocked them, too: His notorious clashes with the press and fans threatened his reputation. Yet while he was a God in the batter's box, he was profoundly human once he stepped away from the plate. His ferocity came to define his troubled domestic life. While baseball might have been straightforward for Ted Williams, life was not. The Kid is biography of the highest literary order, a thrilling and honest account of a legend in all his glory and human complexity. In his final at-bat, Williams hit a home run. Bradlee's marvelous book clears the fences, too.

The Snow Adam Roberts,2018-12-11 The new Adam Roberts novel is a story of global apocalypse, old hatreds and new beginnings. It is his best novel to date. And this is how the world will end ... 'The snow started falling on the sixth of September, soft noiseless flakes filling the sky like a swarm of white moths, or like static interference on your TV screen - whichever metaphor, nature or technology, you find the more evocative. Snow everywhere, all through the air, with that distinctive sense of hurrying that a vigorous snowfall brings with it. Everything in a rush, busy-busy snowflakes. And, simultaneously, paradoxically, everything is hushed, calm, as quiet as cancer, as white as death. And at the beginning people were happy.' But the snow doesn't stop. It falls and falls and falls. Until it lies three miles thick across the whole of the earth. Six billion people have died. Perhaps 150,000 survive. But those 150,000 need help, they need support, they need organising, governing. And so the lies begin. Lies about how the snow started. Lies about who is to blame. Lies about who is left. Lies about what really lies beneath.

Skip Jordan and the Angels of Light Book 2 Christopher Shennan,2012-02 Skip Jordan and his friends have faced the powers of darkness before; they have confronted the deceptions of witchcraft, and done battle with demonic entities. They have seen The Veil of Deception, and prevailed against seemingly impossible odds, but what they are called to face now is more ominous than anything they have known before. Skip Jordan is dreaming again. Their former friend Roger Wilson, missing for almost a year, appears in the dream. He also sees Ntambo, the African preacher who had saved Skip from death when he was only four years old. Against the backdrop of Victoria Falls in Africa, or, as the locals know it, The Smoke That Thunders, he sees his black friend hounded over the edge into the gorge below. Skip has no doubt the dream is a call for he

and his friends to launch a rescue mission to save Roger, and others, from the clutches of witchcraft. Only two months short of his fifteenth birthday, they leave for Africa on an adventure that could very well be their last. They face attacks from demons, lying wonders, and end up in a secret place known as The Lion's Den. In this evil place no escape is possible; only death awaits them. Will their faith be sufficient to carry them through? Will their youth and inexperience cause them to fail? Or is there help on the way, both human and divine, that will lead them to final victory? This second volume in the SKIP JORDAN series, told with a blend of fantasy, drama and adventure, cannot fail to excite, challenge, and bless all who read it
