Wired For Intimacy Struthers., 2010-03-02 Pornography is powerful. Our contemporary culture as been pornified, and it shapes our assumptions about identity, sexuality, the value of women and the nature of relationships. Countless Christian men struggle with the addictive power of porn. But common spiritual approaches of more prayer and accountability groups are often of limited help. In this book neuroscientist and researcher William Struthers explains how pornography affects the male brain and what we can do about it. Because we are embodied beings, viewing pornography changes how the brain works, how we form memories and make attachments. By better understanding the biological realities of our sexual development, we can cultivate healthier sexual perspectives and interpersonal relationships. Struthers exposes false assumptions and casts a vision for a redeemed masculinity, showing how our sexual longings can actually propel us toward sanctification and holiness in our bodies. With insights for both married and single men alike, this book offers hope for freedom from pornography.

One Day at a Time Daniel J. Fick, 2019-04-04 One Day at a Time provides an explicit view into my journey from obsession with lust, addiction to pornography use, and adultery to real emotional and spiritual healing. Lust, and the compulsive attitudes and actions it breeds, is one of the most profound and taboo issues facing humanity today. Most within the Church are too afraid to share their stories of struggle and redemption. Unfortunately, fear is born from shame, which keeps those struggling isolated, allowing for our obsessions and addictions to fester and destroy lives and families. Through anecdotal advice, scientific research, and honest, transparent, and humble autobiography, this book aims to bring awareness to the havoc lust, pornography use, and adultery are wreaking on society today.

The Other Worldview Peter Jones, 2015-06-24 A must-read for every concerned American--and especially for every Christian who weeps at the graveside of his culture. --R.C. Sproul A cataclysmic change has occurred as our culture has shifted toward belief in Oneism. Every religion and philosophy fits into one of two basic worldviews: Oneism asserts that everything is essentially one, while Twoism affirms an irreducible distinction between creation and Creator. The Other Worldview exposes the pagan roots of Oneism, traces its spread throughout Western culture, and demonstrates its inability to save. For bodily holiness and transformed thinking . . . we depend entirely on one amazing thing: the incredibly powerful message of the Gospel to a sinful world, which is the ultimate expression and goal of Twoism. The only hope is in Christ alone.

Real Marriage Mark Driscoll, Grace Driscoll, 2013-01-07 Most marriage books assume the author did it right. Most marriage books barely mention friendship. Most marriage books use "intimacy" as code for "sex." This is not one of those books. In Real Marriage, Pastor Mark Driscoll and his wife, Grace, share how they have struggled and how they have found healing through the power of the only reliable source: the Bible. They believe friendship is fundamental to marriage but not easy to maintain. So they offer practical advice on how to make your spouse your best friend - and keep it that way. And they know from experience that sex-related issues need to be addressed directly. Five chapters are dedicated to answering questions like: Should I confess my pre-marital sexual sin to my spouse? Is it okay to have a "work spouse"? What does the Bible say about masturbation and oral sex? Stunningly honest and vulnerable, Real Marriage is like a personal counseling session with a couple you cannot surprise, you cannot shock into silence, who will respond to every question with wisdom, humility, and realism. If you want to have a long-lasting, fulfilling marriage you should read this book. Wrestle with this book. Pray over this book. Share this book. And discover how God can use it to change your life. Endorsements: "If you're married or plan to be someday, do yourself a favor and read every page of this book." —DRS. LES & LESLIE PARROTT Founders of RealRelationships.com and authors of Love Talk "Whether engaged, newlywed, or veteran, Real Marriage will serve as an invaluable resource. I highly recommend this book." —ANDY STANLEY author of The Grace of God and Senior Pastor, North Point Community Church One of my greatest concerns is that culture is going to continually define and redefine what

marriage is and is not, and the church is going to simply sit on the sidelines and react rather than seeking to actually become proactive by confidently teaching what the Bible has to say about it. That is why I am so thankful that Mark and Grace Driscoll wrote this book. Their approach to marriage, its benefits and challenges are transparent and challenging and I honestly believe that every married couple who will work through what they lead us through in this book will not just merely have a marriage that survives in this world but rather thrives in it. — PERRY NOBLE Senior Pastor, NewSpring Church Our thanks to Mark and Grace Driscoll who have served this generation well by tastefully but boldly addressing the real issues facing real marriages. Taking the unchanging truth of God's word and sprinkling in is the story of God's mercy in their own marriage they have filled every chapter with real helpfulness. This book is powerful, biblical, practical and healing for marriages that hurt. My wife and our adult children read it to great profit. — DR. JAMES MACDONALD Senior Pastor, Harvest Bible Chapel and Bible teacher for Walk in the Word

The Journey Out Ken Williams, 2021-03-16 I didn't think there was a way out. Many churches and individuals now affirm the gay Christian life and cheer-on LGBTQ Pride. But what if the LGBTQ life isn't the party—for our neighbors, loved ones, or ourselves—that the world says it is? What if these valuable people are in pain? Pain that sex and Gay Pride...

Biblical Porn Jessica Johnson, 2018-04-19 Between 1996 and 2014, Mark Driscoll's Mars Hill Church multiplied from its base in Seattle into fifteen facilities spread across five states with 13,000 attendees. When it closed, the church was beset by scandal, with former attendees testifying to spiritual abuse, emotional manipulation, and financial exploitation. In Biblical

Porn Jessica Johnson examines how Mars Hill's congregants became entangled in processes of religious conviction. Johnson shows how they were affectively recruited into sexualized and militarized dynamics of power through the mobilization of what she calls biblical porn—the affective labor of communicating, promoting, and embodying Driscoll's teaching on biblical masculinity, femininity, and sexuality, which simultaneously worked as a marketing strategy, social imaginary, and biopolitical instrument. Johnson theorizes religious conviction as a social process through which Mars Hill's congregants circulated and amplified feelings of hope, joy, shame, and paranoia as affective value that the church capitalized on to grow at all costs.

Discipleship that Fits Bobby Harrington, Alex Absalom, 2016-02-09 For far too long, the church has tried to make disciples using a one-size-fits-all approach. Some churches advocate 1-on-1 discipling, others try getting everyone into a small group, while still others training through mission trips or service projects. Yet others focus all their efforts on attracting people to a large group gathering to hear biblical teaching and preaching. But does one size really fit everyone? Based on careful biblical study and years of experience making disciples in the local church, Bobby Harrington and Alex Absalom have identified five key relationships where discipleship happens in our lives. In each relational context we need to understand how discipleship occurs and we need to set appropriate expectations for each context. Discipleship That Fits shows you the five key ways discipleship occurs. It looks at how Jesus made disciples and how disciples were formed in the early church. Each of the contexts is necessary at different times and in different ways as a person grows toward maturity in Christ: Public Relationships: The church gathering corporately for worship Social Relationships: Networks of smaller relationships where we engage in mission and live out our faith in community Personal Relationships: Small groups of six to sixteen people where we challenge and encourage one another on a regular basis Transparent Relationships: Close relationships of three to four where we share intimate details of our lives for accountability The Divine Relationship: Our relationship with Jesus Christ where we grow through the empowering presence of the Holy Spirit Filled with examples and stories, Alex and Bobby show you how to develop discipleship practices in each relational context by sharing how Jesus did it, how the early church practiced it, and how churches are discipling people today.

Seeing with the Eyes of the Heart Elizabeth T. Groppe, 2020-07-03 In an era in which the internet has made pornography readily accessible, Seeing with the Eyes of the Heart offers a theological critique of pornography and retrieves from the Christian tradition an alternative visual culture. This visual culture is constituted by both the character of the images we behold and the manner in which we see. Contributors include psychologists William M. Struthers and Jill Manning, who address the neurological effects of pornography and its influences on personal, familial, and social life. Their professional analysis is complemented by the testimony of a young man in recovery from pornography addiction. In an

exposition of Christian visual culture, Orthodox iconographer Randi Sider-Rose describes the spiritual discipline of icon writing, Danielle M. Peters, S.T.D., surveys the iconography and art of Marian traditions, and art historian Dianne Phillips elucidates the meaning of divine desire as evident in Catholic visual culture of the late medieval and early modern periods. Catholic theologians Ann W. Astell, Nathaniel Peters, Boyd Taylor Coolman, and Nicolas Ogle discuss specific practices and dimensions of the Catholic tradition that can contribute to the cultivation of sacramental vision, and David W. Fagerberg, Kimberly Hope Belcher, Jennifer Newsome Martin, and John C. Cavadini offer reflections on sacramental imagination and the healing of vision. *Seeing with the Eyes of the Heart* is a work of scholarship composed with pastoral care and concern, and it will be serviceable to both classroom teachers and pastoral ministers. A special feature of the book is an inset of seventy-two full-color plates featuring both classic and contemporary works of Christian iconography and art. The essays and images invite readers to behold in beauty the truth that we are created by the triune God not for sexual objectification but with a sacramental vocation to deification through Christ and the Holy Spirit of love.

Lead Strong Philip J. Rasmussen, 2020-10-08 New leaders have tremendous potential to be the next generation of church leaders, but for many, biblical character development was not a foundational part of growing up. Pastor Philip J. Rasmussen, vice president of church relations and spiritual formation at Northwest University, draws on his experience working closely with pastors and students to outline the problems to developing the next generation of church leaders—as well as solutions.

He knows how concerned church leaders are with finding qualified ministerial replacements, but he also knows most students have not been prepared to live a life in ministry. If they don't get the guidance they need, a shortage of qualified individuals looms on the horizon. Lead Strong starts with the premise that a person must fully embrace the Fruit of Spirit as the vital elements for character development. When the Fruit of Spirit is present in a believer's life, essential leadership qualities will naturally flow as the leader influences people. This book can be used for ministry training sessions, small group studies, or one's individual devotional development. Its purpose is to reveal the role of the Holy Spirit in the life of the believer and to clearly describe the fruit that His presence should bear in one's character.

Garments of Paradise Susan Elizabeth Ryan, 2014-06-13 A historical and critical view of wearable technologies that considers them as acts of communication in a social landscape. Wearable technology—whether a Walkman in the 1970s, an LED-illuminated gown in the 2000s, or Google Glass today—makes the wearer visible in a technologically literate environment. Twenty years ago, wearable technology reflected cultural preoccupations with cyborgs and augmented reality; today, it reflects our newer needs for mobility and connectedness. In this book, Susan Elizabeth Ryan examines wearable technology as an evolving set of ideas and their contexts, always with an eye on actual wearables—on clothing, dress, and the histories and social relations they represent. She proposes that wearable technologies comprise a pragmatics of enhanced communication in a social landscape. “Garments of paradise” is a reference to wearable technology's promise of physical and mental enhancements. Ryan defines “dress acts”—hybrid acts of communication in which the behavior of wearing is bound up with the materiality of garments and devices—and focuses on the use of digital technology as part of such systems of meaning. She connects the ideas of dress and technology historically, in terms of major discourses of art and culture, and in terms of mass media and media culture, citing such thinkers as Giorgio Agamben, Manuel De Landa, and Gilles Deleuze and Félix Guattari. She examines the early history of wearable technology as it emerged in research labs; the impact of ubiquitous and affective approaches to computing; interaction design and the idea of wearable technology as a language of embodied technology; and the influence of open source ideology. Finally, she considers the future, as wearing technologies becomes an increasingly naturalized aspect of our social behavior.
