J., The Puzzle of the Paper Daughter, The Silver Guitar, The Tangled Web, The Water Fountain Girls, Tracy Albright. Excerpt: Julie gets detention for passing a note to Joy, who is deaf and doesn't know what is going on. Discusses Jimmy Carter's presidency and disabled kids in school. Topics include: Coach Manley is very similar to the way he is in the books. Much like the books, he warms up to Julie when she is on the team, though at first he tells her to get out of the gym, there's no practice when you talk to him. Daniel Albright is the father of Julie Albright. Daniel is a pilot. Daniel takes Tracy and Julie to have tea at the Fairmont hotel. Ivy looks around the dinning table and sighs, asking why couldn't her family have American food like hamburgers and spaghetti instead of Chinese food. Andrew points out spaghetti is Italian and since many believe Marco Polo brought...

Julie Mini Doll American Girl,2007-08-01 This adorable 6.5 inch doll is a mini version of the beautifully crafted 18-inch doll. Includes a miniature, abridged copy of the Meet Julie book.

An American Girl Anthology Justine Orlovsky-Schnitzler,KC Hysmith,2025-05-15 Contributions by Mary Berman, Mary M. Burke, Abigail C. Fine, Juliette Holder, KC Hysmith, Mackenzie Kwok, Esther Martin, Hannah Matthews, Janine B. Napierkowski, Justine Orlovsky-Schnitzler, Samantha Pickette, Sheena Roetman-Wynn, Rebekkah Rubin, Marissa J. Spear, Tara Strauch, Cary Tide, and Laura Traister An American Girl Anthology: Finding Ourselves in the Pleasant Company Universe turns American Girl dolls—and the ever-growing ecosystem surrounding them—inside out. Editors Justine Orlovsky-

Schnitzler and KC Hysmith, along with an expansive list of contributors across multiple disciplines and within different research areas, explore Pleasant Company (American Girl's parent corporation) and the social and cultural impact the dolls and broader American Girl universe continue to have for generations of American consumers through thoughtful and fun essays. This collection serves as an ode to the democratizing power of the internet and the intoxicating power of nostalgia, while also looking toward the future as the eldest American Girl fans become parents themselves. It is also a critical account of the ways in which American Girl has shaped senses of self-worth and hopes for the future, securing a base of lifelong consumers, and also serves as a love letter to the kids we collectively used to be. Along the way, readers will take seriously American Girl's influence and place within larger cultural conversations. They will find essays focusing on topics as diverse as food and historical recipes in American Girl publications, the advent of "tag yourself" memes, the struggle to find authentic and long-lasting Asian American representation within the pages of the American Girl catalog, and the enduring power of The Care and Keeping of You as a resource for finding joy in our bodies.

Playing with America's Doll Emilie Zaslow, 2017-08-14 This critical account of the American Girl brand explores what its books and dolls communicate to girls about femininity, racial identity, ethnicity, and what it means to be an American. Emilie Zaslow begins by tracing the development of American Girl and situates the company's growth and popularity in a social history of girl power media culture. She then weaves analyses of the collection's narrative and material representations with qualitative research on mothers and girls. Examining the dolls with both a critical eye and a fan's curiosity, Zaslow raises questions about the values espoused by this iconic American brand.

Meet Julie Megan McDonald, 2007 In 1974, after Julie's parents divorce, she moves to a new San Francisco neighborhood where the school does not have a girls' basketball team, so she fights for the right to play on the boys' team.

American Girl Sweet & Savory Treats Cookbook Weldon Owen, 2021-11-16 Make history come alive with recipes for sweets & savories from the eras of favorite American Girl characters. INSPIRING IMAGES: Full-color photos help ensure success OFFICIAL AMERICAN GIRL COOKBOOK: The trusted partner for families who want to raise

strong, confident girls and help girls discover their sense of self

Dolls of Our Lives Mary Mahoney, Allison Horrocks, 2023-11-07 Which American Girl are you? Are you a Molly (a patriotic overachiever with a flair for drama)? Felicity (the original horse girl)? Kirsten (a cottagecore fan who seems immune to cholera), Samantha (a savior complex in a sailor suit), or Josefina (who dealt with grief by befriending a baby goat)? Have you ever wondered how Britney Spears or Michelle Kwan would answer that question? And why do we care so much which girl we are? Combining history, travelogue, and memoir, *Dolls of Our Lives* follows Allison Horrocks and Mary Mahoney on an unforgettable journey to the past as they delve into the origins of this iconic brand. Continuing the conversations that began on their podcast, they set out to answer the lingering questions that keep them up at night. What did American Girl inventor Pleasant Rowland hope to say to children with these dolls? Was girl power something that could be ordered from a catalogue, described by a magazine, or modeled in the plot lines of books? And how - and why - did this brand shape an entire generation? Through interviews with a legion of devoted doll lovers, a field trip to Colonial Williamsburg, a place that inspired Pleasant to create American Girl, and an exploration of their own (complicated) fandom, this is a deep dive into one of the 90s most coveted products - the American Girl doll.

Beyond the Synagogue Rachel B. Gross, 2022

My Formerly Hot Life Stephanie Dolgoff, 2010-08-17 When men stop making lecherous catcalls and Spanx get comfortable in your lingerie drawer, when marketers target you for Activia instead of \$200 premium denim, when you have to start wearing makeup to get that “I’m not wearing any makeup” glow and are “ma’amed” outside the Deep South, it may dawn on you that somehow you have crossed an invisible line: You are not the young, relevant, in-the-mix woman you used to be. But neither are you old, or even what you think of as middle-aged. You are no longer what you were, but not quite sure what you are. Stephanie Dolgoff calls this stage of a woman’s life “Formerly,” the state of mind and body she herself is in now: Her roaring twenties are behind her, but she’s not in hot flash territory, either. *My Formerly Hot Life*, showcasing Dolgoff’s wacky and wise observations about this little-discussed flux time, demonstrates that becoming a Formerly is intensely poignant if you’re paying attention, and hilarious even if you’re not. From fashion to friendship, beauty to body image, married sex to single searching, mothering to careering (or both), Dolgoff reveals the upside to not being forever 21—even as you watch the things you once thought were so essential to a happy life go the way of the cassette tape. You may be formerly thin, formerly cool, formerly (seemingly) carefree, formerly cutting-edge, but in reading *My Formerly Hot Life* you are reminded that you are finally more comfortable in your skin (formerly obsessed with your weight), finally following your instincts (formerly ruled by the opinions of others), and finally happy with where you are (formerly focused on the guy or job you thought would take you where you thought you should be). While you may no longer be as close to the media-machine-generated idea of fabulous, you can do many, many more things fabulously. Wildly entertaining and inspiring, *My*

Formerly Hot Life proves that once you let yourself laugh about that which is passing, life is richer, more fun, and more satisfying. Despite what you're led to believe, growing older most certainly means growing better.

San Francisco's Haight-Ashbury Katherine Powell Cohen, 2008 At the turn of the 20th century, the Haight-Ashbury first gained prominence as the gateway to Golden Gate Park; six decades later, it would anchor the worldwide cultural revolution that blossomed in the 1960s. Though synonymous with peace, love, and living outside the mainstream, its history goes back long before the Summer of Love. Starting as a dairy farm in San Francisco's Outlands, the area saw a building boom of Queen Anne country homes for well-heeled San Franciscans and served as a refuge for victims of the 1906 earthquake and fire. Through world wars, industrial and cultural revolutions, the dot-com boom, and beyond, the Haight-Ashbury has one of the most fascinating histories of any place, anywhere. Here is the story of a vibrant neighborhood that attracts throngs of visitors, while maintaining a core community of families, young people, and long-timers.

Washington Power Play Allan Topol, 2017-05-16 A young FBI agent in charge of a task force to identify a Chinese mole passing confidential US military information finds she has a bigger job than she realized when she discovers that powerful Washington leaders are conspiring with Chinese agents to take over the US government--Provided by publisher--

Storybook Worlds Made Real Kathy Merlock Jackson, Mark I. West, 2022-04-22 Memorable children's narratives immerse readers in imaginary worlds that bring them into the story. Some of these places have been constructed in the real world--like Pinocchio's Tuscany or Anne of Green Gables' Prince Edward Island--where visitors relive their favorite childhood tales. Theme parks like Walt Disney World and Harry Potter World use technology to engineer enchanting environments that reconnect visitors with beloved fictional settings and characters in new ways. This collection of new essays explores the imagined places we loved as kids, with a focus on the meaning of setting and its power to shape the way we view the world.

Growing Up Asian American in Young Adult Fiction Ymitri Mathison, 2017-11-20 Winner of the Children's Literature Association's 2020 Edited Book Award Contributions by Hena Ahmad, Linda Pierce Allen, Mary J. Henderson Couzelis, Sarah Park Dahlen, Lan Dong, Tomo Hattori, Jennifer Ho, Ymitri Mathison, Leah Milne, Joy Takako Taylor, and Traise Yamamoto Often referred to as the model minority, Asian American children and adolescents feel pressured to perform academically and be disinterested in sports, with the exception of martial arts. Boys are often stereotyped as physically unattractive nerds and girls as petite and beautiful. Many Americans remain unaware of the diversity of ethnicities and races the term Asian American comprises, with Asian American adolescents proving to be more invisible than adults. As a result, Asian American adolescents are continually searching for their identity and own place in American society. For these kids, being or considered to be American becomes a challenge in itself as they assert their Asian and American identities; claim their own ethnic identity, be they immigrant or American-born; and negotiate their ethnic communities. The contributors to *Growing Up Asian American in Young Adult Fiction* focus on moving beyond stereotypes to examine how Asian American children and

adolescents define their unique identities. Chapters focus on primary texts from many ethnicities, such as Chinese, Korean, Filipino, Japanese, Vietnamese, South Asian, and Hawaiian. Individual chapters, crossing cultural, linguistic, and racial boundaries, negotiate the complex terrain of Asian American children's and teenagers' identities. Chapters cover such topics as internalized racism and self-loathing; hypersexualization of Asian American females in graphic novels; interracial friendships; transnational adoptions and birth searches; food as a means of assimilation and resistance; commodity racism and the tourist gaze; the hostile and alienating environment generated by the War on Terror; and many other topics.

Quem educa nossas crianças? Susan Linn, 2024-04-30 *Quem educa nossas crianças?* é uma obra provocativa que mergulha no complexo mundo da influência da mídia na infância. A autora, Susan Linn, é uma psicóloga clínica renomada e examina como a publicidade, os programas de TV e os produtos infantis moldam a visão da criança sobre si mesma e sobre o mundo ao seu redor. A autora questiona quem está realmente educando nossas crianças, destacando como os interesses comerciais frequentemente superam o bem-estar infantil. Com uma mistura de pesquisa abrangente e exemplos vívidos, Linn desafia os pais, educadores e criadores de políticas a repensarem seu papel na formação da próxima geração e a defenderem um ambiente mais saudável e menos comercial para as crianças crescerem. Este livro é um chamado à ação urgente para proteger a inocência e a imaginação das crianças em um mundo saturado de mensagens consumistas. Envolve e perspicaz, este livro é rico em detalhes que pintam um retrato completo das relações contemporâneas entre crianças e empresas. *The New York Times Book Review* Uma acusação veemente às empresas de tecnologia que ganham muito dinheiro explorando as mentes dos nossos filhos. *New York Post* Um guia sobre como mudar de rumo, tanto individualmente quanto como sociedade, por uma ativista experiente. *Leitura obrigatória! Library Journal* (revisão com estrela) Uma análise impressionante de como o marketing, a tecnologia e o capitalismo de consumo impactam o bem-estar das crianças. Esta é uma leitura obrigatória para pais, mães e educadores. *Publishers Weekly* (revisão com estrela) Uma leitura obrigatória para qualquer pai e mãe. *Kirkus Reviews* (crítica com estrela) A pesquisadora e ativista pioneira Susan Linn mostra que temos sido passivos à medida que nossos filhos estão sendo moldados naquilo que as empresas tecnológicas querem que fossem. Este livro é um chamado às armas e um texto fundamental para um diálogo necessário. Sherry Turkle, professora do MIT e escritora Uma resposta inestimável para os pais num momento impossível – e para aqueles de nós cujos filhos já são adultos, um grande guia para resistir às plataformas e aos aplicativos que estão restringindo a vida da nossa sociedade de formas cada vez mais dolorosas. Bill McKibben, escritor Este é um livro sobre uma divergência perigosa – entre as estratégias de maximização de lucros das empresas que comercializam brinquedos e aplicativos de redes sociais para crianças, por um lado, e as necessidades reais das crianças, por outro. Com base numa coleção impressionante de estudos e histórias, Susan Linn ilumina os danos daquilo que ela apropriadamente chama de 'aquisição corporativa da infância' e mostra-nos o que podemos fazer para proteger nossas crianças. Alfie Kohn, autor de *Paternidade incondicional* Toda criança precisa de uma defensora

como Susan Linn; todos os pais, de uma amiga sábia como ela; todos os políticos e líderes empresariais, de uma desafiante ousada como ela. E todo leitor precisa deste livro - uma análise apaixonada e extremamente prática de um dos grandes dilemas da nossa época. James Carroll, escritor

Just Too Good to Be True E. Lynn Harris, 2009-06-30 A New York Times Bestseller Brady Bledsoe and his mother, Carmyn, have a strong relationship. A single mother, faithful churchgoer, and the owner of several successful Atlanta beauty salons, Carmyn has devoted herself to her son and his dream of becoming a professional football player. Brady has always followed her lead, including becoming a member of the church's Celibacy Circle. Now, in his senior year at college, the smart and very handsome Brady is a lead contender for the Heisman Trophy and a spot in the NFL. As sports agents hover around Brady, a beautiful and charming cheerleader named Barrett enters the picture. Barrett is set on seducing Brady and getting a piece of his multimillion-dollar future. But is that all she wants from him? Is she acting alone? In a story that combines football, family, faith and secrets, *Just Too Good to Be True* is a sweeping novel that proves once and again why E. Lynn Harris is a bestselling author.

Finding Delilah Isabel Jolie, 2020-05-01 A Hot Single Dad Romance **Originally Titled Walk the Dog** My daughter is my world. The fledgling veterinary practice is my career and my passion. As a single dad, I couldn't balance both without help from others. Some days, it doesn't feel like I'm balancing anything at all. Delilah Daniels walks into the clinic on one of those days. My partners are out with the flu, and I, once again, am stuck at work. I can't even explain why I ask her out. It's spontaneous. There's an energy to her. A zest for life. And there's something about how she cares for her friend's dog. We aim for casual. The problem is that I'm not really a casual guy. How can I be? I'm a single Dad. And Delilah, she's like the sun. She's not meant to be tied down. And if you try, she's bound to scorch you. It's a lesson you'd think I would have learned. Yet, after finding her, here I am, hoping for a turn in the sun. A sexy romp of a romance novel that also manages to take a look at some tough, worthy questions about what it takes to build and sustain--not only joyful, organically heartfelt relationships--but also a joyful, organically heartfelt life. - IndieReader, Best Reviewed Books of May 2020 Walk the Dog is the third book in the West Side Series, a set of contemporary romances about a group of friends living on the west side of Manhattan. Each standalone love story in the series features a different couple, and the series can be read in any order. Walk the Dog features a single-dad romance and family drama, southern style. Expect a sexy, angsty, single dad romance with a guaranteed happily ever after. Similar to books Single Dad Burning Up by Cathryn Fox Different with You by Evey Lyon Hook by Chelle Bliss Tempt by Piper Lawson Key Words: (would include top KU authors but don't have them to list so this is currently as of 11/22/22 empty on Google) Topics: adult romance, happily ever after, emotional read, contemporary romance, single father, single father romance, new york romance, new york city, KEYWORDS: strong heroine, contemporary romance, romantic series, women's fiction, romance for smart women, romance saga, romance series, love books, kissing books,

Freedomland, U.S.A., 1960-1964 -- Selling multicultural girlhood : the American Girl doll, 1986-present.

Performance Studies in Canada Laura Levin, Marlis Schweitzer, 2017-06-01 Since its inception as an institutionalized discipline in the United States during the 1980s, performance studies has focused on the interdisciplinary analysis of a broad spectrum of cultural behaviours including theatre, dance, folklore, popular entertainments, performance art, protests, cultural rituals, and the performance of self in everyday life. Performance Studies in Canada brings together a diverse group of scholars to explore the national emergence of performance studies as a field in Canada. To date, no systematic attempts has been made to consider how this methodology is being taught, applied, and rethought in Canadian contexts, and Canadian performance studies scholarship remains largely unacknowledged within international discussions about the discipline. This collection fills this gap by identifying multiple origins of performance studies scholarship in the country and highlighting significant works of performance theory and history that are rooted in Canadian culture. Essays illustrate how specific institutional conditions and cultural investments – Indigenous, francophone, multicultural, and more – produce alternative articulations of “performance” and reveal national identity as a performative construct. A state-of-the-art work on the state of the field, Performance Studies in Canada foregrounds national and global performance knowledge to invigorate the discipline around the world.
