Outside the Jukebox Scott Bradlee,2025-05-01 From the creator of the sensation Postmodern Jukebox -- with millions of fans globally -- comes an inspirational memoir about discovering what you love and turning it into a creative movement. With student loan debt piling up and no lucrative gigs around the corner, Scott Bradlee found himself in a situation all too familiar to struggling musicians and creative professionals, unsure whether he should use the little income he had to pay his rent or to avoid defaulting on his loans. It was under these desperate circumstances that Bradlee began experimenting, applying his passion for jazz, ragtime, and doo wop styles to contemporary hits by singers like Macklemore and Miley Cyrus--and suddenly an idea was born. Today, Postmodern Jukebox -- the rotating supergroup devoted to period covers of pop songs, which Bradlee created in a basement apartment in Queens, New York--is a bona fide global sensation, having collected more than three million subscribers on YouTube while selling out major venues around the world and developing previously unknown talent into superstar singers. From its Etta James-inspired rendition of Radiohead's Creep to its New Orleans jazz interpretation of Meghan Trainor's All About That Bass, the group has established a sound like no other, crafting hits as exquisitely sublime as they are humorously absurd. But it wasn't always as easy as the YouTube videos make it look. As he worked to establish Postmodern Jukebox, Bradlee struggled through the obstacles that every self-employed artist or entrepreneur with a vision faces: how to collaborate successfully on teams with divergent visions, how to outrun the naysayers, how to chase the next innovation when your reputation makes others start to pigeonhole you, and so many of the other challenges lining the path to success. Taking readers through the false starts, hilarious backstage antics, and unexpected breakthroughs of Bradlee's journey from a lost musician to a musical kingmaker -- and presenting all the entrepreneurial insights he learned along the way -- Outside the Jukebox is an inspiring memoir about how one musician found his rhythm and launched a movement that would forever change our relationships to our favorite songs.

Finding Courage Emma Grondines, 2023-07-25 Lea and her brothers are normal teenagers living normal lives in Vancouver with their parents. (Well, except for the part where they're quintuplets . . . and ninjas in training.) But that normalcy is turned upside down when, one day, they get home from school to find their house trashed. On top of that, their parents are missing, and all traces of their existence have been erased. As they search the house for clues, they find a message from their parents telling them they are members of the Hirawa clan and that they should travel to Japan to get help from their grandparents. The only problem? They've never met their grandparents. They didn't even know they had grandparents. The Hirawa clan has historically stood against the Kaneshiro clan, who are planning to release the Yōkai,

creatures of myth that were banished by a Hirawa ancestor long ago. And according to prophecy, only the quintuplets have what it takes to stop them. But to do that, they'll need to survive life under the Hirawa clan's roof, find their parents, and unlock their true powers. No sweat, right?

The Complete Lyrics of Oscar Hammerstein II Oscar Hammerstein II, 2008-11-25 From every "beautiful mornin'" to "some enchanted evening," the songs of Oscar Hammerstein II are part of our daily lives, his words part of our national fabric. Born into a theatrical dynasty headed by his grandfather and namesake, Oscar Hammerstein II breathed new life into the moribund art form of operetta by writing lyrics and libretti for such classics as *Rose-Marie* (music by Rudolf Friml), *The Desert Song* (Sigmund Romberg), *The New Moon* (Romberg) and *Song of the Flame* (George Gershwin). Hammerstein and Jerome Kern wrote eight musicals together, including *Sweet Adeline*, *Music in the Air*, and their masterpiece, *Show Boat*. The vibrant *Carmen Jones* was Hammerstein's all-black adaptation of the tragic opera by Georges Bizet. In 1943, Hammerstein, pioneer in the field of operetta, joined forces with Richard Rodgers, who had for the previous twenty-five years taken great strides in the field of musical comedy with his longtime writing partner, Lorenz Hart. The first Rodgers and Hammerstein work, *Oklahoma!*, merged the two styles into a completely new genre—the musical play—and simultaneously launched the most successful partnership in American musical theater. Over the next seventeen years, Rodgers and Hammerstein wrote eight more Broadway musicals: *Carousel*, *Allegro*, *South Pacific*, *The King and I*, *Me and Juliet*, *Pipe Dream*, *Flower Drum Song*, and *The Sound of Music*. They also wrote a movie musical (*State Fair*) and one for television (*Cinderella*). Collectively their works have earned dozens of awards, including Pulitzers, Tonys, Oscars, Grammys, and Emmys. Throughout his career, Hammerstein created works of lyrical beauty and universal feeling, and he continually strove—sometimes against fashion—to seek out the good and beautiful in the world. "I know the world is filled with troubles and many injustices," he once said. "But reality is as beautiful as it is ugly . . . I just couldn't write anything without hope in it." All of his lyrics are here—850, more than a quarter published for the first time—in this sixth book in the indispensable Complete Lyrics series that has also brought us the lyrics of Cole Porter, Lorenz Hart, Ira Gershwin, Irving Berlin, and Frank Loesser. From the young scribe's earliest attempts to the old master's final lyric—"Edelweiss"—we can see, read, and, yes, sing the words of a theatrical and lyrical genius.

Play It Again Alan Rusbridger, 2013-09-17 The Guardian editor and amateur pianist's account of a remarkable musical challenge during an extraordinary year for news. As editor of the Guardian, one of the world's foremost newspapers, Alan Rusbridger lives by the relentless twenty-four-hour news cycle. But increasingly in midlife, he feels the gravitational pull of music—especially the piano. He sets himself a formidable challenge: within a year, to fluently learn Chopin's magnificent Ballade No. 1 in G minor, arguably one of the most difficult Romantic compositions in the repertory. With pyrotechnic passages that require feats of memory, dexterity, and power, the piece is one that causes alarm even in battle-hardened

concert pianists. Under ideal circumstances, this would have been a daunting task. But the particular year Rusbridger chooses turns out to be one of frenetic intensity, beginning with WikiLeaks' massive dump of state secrets and ending with the Guardian's revelations about widespread phone hacking at News of the World. "In between, there were the Japanese tsunami, the Arab Spring, the English riots . . . and the death of Osama Bin Laden," writes Rusbridger. The test would be to "nibble out" twenty minutes per day to do something totally unrelated to these events. Rusbridger's subject is larger than any one piece of music: *Play It Again* deals with focus, discipline, and desire but is, above all, about the sanctity of one's inner life in a world dominated by deadlines and distractions. Praise for *Play It Again* "An absorbing, adroitly crafted tale of humility, discipline and the sheer love of music . . . [Alan Rusbridger's] triumph is an inspiration." —Katie Hafner, *The New York Times* Book Review "A unique mélange of political and musical reportage . . . [Alan Rusbridger] illuminates not only print media in this digital age but also the changing role of the music within." —Iain Burnside, *The Observer* (London)

One Last Regret (The Governess: Book 7) Blake Pierce, 2025-01-28 "An edge of your seat thriller in a new series that keeps you turning pages! ... So many twists, turns and red herrings... I can't wait to see what happens next." —Reader review (Her Last Wish) ★★★★★ Governess Mary Wilcox travels to the sultry Garden District of New Orleans, where she goes to work for a family amidst Spanish moss-draped mansions. During preparations for Mardi Gras festivities, one of the children under Mary's care uncovers old sheet music that plays an eerie lament when performed. Soon after, a series of chilling incidents strikes those connected to an old jazz club the family owns. Plagued by the ghostly echoes of a love lost to music and a disappearance shrouded in silence, Mary must untangle the notes of the past from the present. In this symphony of suspense, is every tragedy merely coincidence, or is something more sinister at play in the rhythm of the night? "A masterpiece of thriller and mystery." —Books and Movie Reviews, Roberto Mattos (re *Once Gone*) ★★★★★ ONE LAST REGRET (THE GOVERNESS: BOOK 7) is the seventh book in a long-anticipated new psychological thriller series by #1 bestseller and USA Today bestselling author Blake Pierce, whose bestseller *The Perfect Wife* (a free download) has received over 20,000 five star reviews. Future books in the series are also available! "A strong, complex story about two FBI agents trying to stop a serial killer. If you want an author to capture your attention and have you guessing, yet trying to put the pieces together, Pierce is your author!" —Reader review (Her Last Wish) ★★★★★ "A typical Blake Pierce twisting, turning, roller coaster ride suspense thriller. Will have you turning the pages to the last sentence of the last chapter!!!" —Reader review (City of Prey) ★★★★★ "Right from the start we have an unusual protagonist that I haven't seen done in this genre before. The action is nonstop... A very atmospheric novel that will keep you turning pages well into the wee hours." —Reader review (City of Prey) ★★★★★ "Everything that I look for in a book... a great plot, interesting characters, and grabs your interest right away. The book moves along at a breakneck pace and stays that way until the end. Now on go I to book two!" —Reader review (Girl, Alone) ★★★★★ "Exciting, heart pounding, edge of your seat book... a must read for mystery and suspense readers!" —Reader review

It's the only way to control the ghosts haunting her...at least until the FBI shows up asking questions. The first eighteen years of Echo Simmons' life have been less than ideal. On more than one occasion her parents have considered committing her. They don't believe she sees ghosts or that they harass her on a daily basis. So when a rogue ghost begins tormenting her, they're the last people she's going to tell. Her best friends Holden and Zara are doing their best to help, but ghost attacks are only the beginning of Echo's problems. Handling the ghosts by giving them a voice on YouTube through her webshow has been her saving grace—even if her parents think it's all a hoax—but that gets a little complicated when the ghost of Madeline Crew reveals a little too much about her previous life and the FBI shows up at her door wanting to know how she gained access to long-buried government secrets. It just keeps getting worse from there. Madeline's message to her great grandson sparks a strange connection between Echo and Malachi, which leads to Georgia, secrets, mistakes, love, lies, and life changing revelations.
