My Family and Other Animals Gerald Durrell, 2017-04-20 My Family and Other Animals is the first book in The Corfu Trilogy, the inspiration for ITV's The Durrells. The bewitching account of a rare and magical childhood on the island of Corfu by treasured British conservationist Gerald Durrell Escaping the ills of the British climate, the Durrell family - acne-ridden Margo, gun-toting Leslie, bookworm Lawrence and budding naturalist Gerry, along with their long-suffering mother and Roger the dog - take off for the island of Corfu. But the Durrells find that, reluctantly, they must share their various villas with a menagerie of local fauna - among them scorpions, geckos, toads, bats and butterflies. Recounted with immense humour and charm My Family and Other Animals is a wonderful account of a rare, magical childhood. 'Durrell has an uncanny knack of discovering human as well as animal eccentricities' Sunday Telegraph 'A bewitching book' Sunday Times

My Family and Other Animals Gerald Durrell, 1958 Sometimes it's pretty hard to tell them apart ... my family and the animals, that is. I don't know why my brothers and sisters complain so much. With snakes in the bath and scorpions on the lunch table, our house, on the island of Corfu, is a bit like a circus. So they should feel right at home ...

The Corfu Trilogy Gerald Durrell, 2016-11-29 National Bestseller: The complete trilogy that inspired Masterpiece production The Durrells in Corfu in one volume. The tales of a naturalist and his family, who left England for the Greek island of Corfu—where they interacted with fascinating locals of both human and animal varieties—these memoirs have become

beloved bestsellers and inspired the delightful series that aired on PBS television. Included in this three-book collection are: *My Family and Other Animals*: Ten-year-old Gerald Durrell arrives on sun-drenched Corfu with this family and pursues his interest in natural history, making friends with the island's fauna—from toads and tortoises to scorpions and geckos—while reveling in the joyous chaos of growing up in an unconventional household. *Birds, Beasts and Relatives*: Written after a boyhood spent studying zoology, this memoir is part nature guide, part coming-of-age tale, and all charmingly funny memoir. *The Garden of the Gods*: In the conclusion of the trilogy, Durrell shares more tales of wild animals and his even wilder family, including his mother, Louisa, and his siblings Lawrence, Leslie, and Margo, in the years before World War II. "[Durrell's] books have an unfailing charm. . . . It is a tribute to his skill that one never tires of his accounts" (Chicago Tribune). This ebook features an illustrated biography of Gerald Durrell including rare photos from the author's estate.

My Family and Other Animals Gerald Durrell,2000-03-01 Soaked in the sunshine of Corfu, where Gerald Durrell lived as a boy with his family and other animals, this book evocatively chronicles his five-year sojourn on the Greek island. With hilarious yet endearing portraits of his eccentric family and their many unusual hangers-on, *My Family and Other Animals* also captures the beginnings of Durrell's lifelong love of animals. In its passionate understanding of Corfu's natural history, this is an entertaining and enduring memoir.

My Family and Other Animals Gerald Durrell,2004-06-29 The first book in Gerald Durrell's Corfu Trilogy: a bewitching account of a rare and magical childhood on the island of Corfu, which was the inspiration for the Masterpiece PBS series *The Durrells in Corfu*. When the unconventional Durrell family can no longer endure the damp, gray English climate, they do what any sensible family would do: sell their house and relocate to the sunny Greek isle of Corfu. *My Family and Other Animals* was intended to embrace the natural history of the island but ended up as a delightful account of Durrell's family's experiences, from the many eccentric hangers-on to the ceaseless procession of puppies, toads, scorpions, geckoes, ladybugs, glowworms, octopuses, bats, and butterflies into their home.

Summary of Gerald Durrell's My Family and Other Animals Everest Media,2022-07-24T22:59:00Z Please note: This is a

companion version & not the original book. Sample Book Insights: #1 My family was not a very attractive sight that afternoon, as the weather had brought with it the usual selection of ills. For me, it had brought catarrh, which had inflamed the convolutions of my ears and made them bleed delicately but persistently. #2 We sold the house and flew to Greece. We were all travelling light, taking only what we considered to be the bare essentials of life. When we opened our luggage for Customs inspection, the contents of our bags were a fair indication of character and interests. #3 We arrived in Corfu, the largest of the Greek islands. The sea was calm and the sky was blue, and the island was blanketed in mist. We could see the mountains, and the beaches were as white as tusks among the brilliant rocks. #4 We arrived in Split, and had to wait for Mother to get Roger into a cab. He had never been in such a vehicle, and he treated it with suspicion. We had to lift him and hurl him inside.
