Walking and Talking with Jesus One Day at a Time Pauline Romano,2020-03-10 I have always loved writing poetry, and I have always written poems for my family and friends for different special occasions in a rhyming format. But ever since I was baptized and became a Christian, I felt this urge in my heart to put into words how good it makes me feel as I talk with Jesus every day! I read my Bible every day, and I love the New Testament! I always read a small booklet called Our Daily Bread, which has scriptures and a short one-page story for each day of the month. I was inspired by this little book. I really enjoy reading it. I'm hoping my book will make it easier for the working people to get in a little time to talk to our Lord and Savior every day. On their way to work, they ride the bus or if they carpool, or maybe even during their lunchbreak. I also hope to reach retired people who might be at home alone and might find some comfort by reading my book. It might also help them learn where a few passages are in the Bible.

THE GOSPEL of JOHN, ONE DAY at a TIME Timothy C. McKeown, 2019-03-27 In the beginning was the Word, and the Word was with God, and the Word was God... And the Word became flesh and dwelt among us (John 1:1, 14). With those simple yet majestic words, the Apostle John began his gospel. The purpose of the final of the four gospels is found in John 20:31, "These (things) are written that you may believe that Jesus is the Christ, the Son of God, and that believing you may have life in His name."

Come and see was the first of many invitations that Jesus gave to the young fisherman from Galilee. The gospel invites the readers likewise to "come and see" the Light of the World ... to taste the Bread of Life ... to drink the thirst-quenching Living Water ... to enter the Door to the sheepfold ... to see an empty tomb ... to believe that Jesus rose from the dead. The Gospel of John is the deepest of the gospels and the most contemplative of all of the books in the New Testament. For seven weeks, come and see every morning and evening that Jesus is the Christ by reading through this dynamic study. In The Gospel of John, One Day at a Time, author Timothy McKeown offers a devotional designed for everyone, but especially new believers, to dig deeply into John's account of the life of Christ.

Tides and Transitions Dan Stultz, 2011-02-21 The book is a diary of a physician/father over 25 years of family life and his practice of medicine. The author kept a journal and although this journal reflects his mood and attitude at the time, it is a description about experiences, occurrences and important decisions. These transitions and tides are chronicled whether it be family life, building a practice, or operating a health system. The result is a journal that describes seemingly minor events that directed the author and his family in certain directions and as a result, this story. *Tides and Transitions* describes those people, events, and the stories that helped develop, mature, and challenge the family and medical practice. It is bits and pieces of the life of a young then middle aged physician and father.

Living Through This Pandemic Tom Garz, 2021-01-08 The Coronavirus (CV) Pandemic has affected all of us, in some way or another. Some of us have been diagnosed with Covid-19 and have survived. Some still have lingering symptoms. You might be what is currently called a Covid Long-Hauler. Some have not survived. All of us, however, have been impacted psychologically and emotionally, even if we never were affected physically. If not dealt with, the Stress we now feel these days might develop into lingering Covid Mental Health Issues and/or Post-traumatic Stress Disorder (PTSD). At the time of this writing, we are almost a year into this Pandemic. We are receiving conflicting information on the Pandemic, Politics, the

Economy, and many other aspects of our daily living. All this is overwhelming, at least for me. Maybe for you too. Time will tell how this pandemic will linger on in our lives physically, mentally, and maybe even spiritually as the days, weeks, months, and years go on. This book might at least give you some ideas and/or resources for now and in the future, if needed. This book is probably not for those who are thriving in the current situations we are all in at this time. This book is more for those who are slogging through each day, just like me - learning to live Just for Today.
