

Quotes For The One That Got Away

Roni Loren

The One That Got Away Brigitte Knowles, 2014-12-02 When Brigitte meets Johnny in West Palm Beach, she falls in love against her will, with a man notorious for using women for their money, their assets and their lifestyle. A gigolo that breaks hearts, destroys lives and leaves a trail of broken souls in his path, Johnny meets his match in Brigitte. The story reveals what all women should know about love and money and their dangerous mix.

The One That Got Away Zoë Wicomb, 2009-06-09 These short stories from the award-winning South African author “combine the coolly interrogative gaze of the outsider with an insider’s intimate warmth” (J. M. Coetzee). Zoë Wicomb’s debut short story collection, *You Can’t Get Lost in Cape Town*, won critical acclaim across the globe as well as high praise from fellow authors including Toni Morrison, J. M. Coetzee, Bharati Mukherjee, and Gayatri Chakravorty Spivak. Now, after two novels, Wicomb returns to the genre that first brought her international acclaim. Set mostly in the South African city of Cape Town, where Wicomb is from, and the Scottish city of Glasgow, where she now lives, this new collection of short stories straddles two worlds. With an array of expertly drawn characters, these twelve tales explore a range of human relationships: marriage, friendship, family, and the fraught yet often intimate relations between those who serve and those who are served. Full of ironic twists, ambiguities, and moments of startling insight, *The One That Got Away* showcases this Windham Campbell Award-winning author at the height of her powers. “An extraordinary writer . . . seductive, brilliant, and precious, her talent glitters.” —Toni Morrison

The One That Got Away A.J. Pine, 2016-04-18 I loved this fun road-trip romance with two friends you immediately know should be a whole lot more! — Cindi Madsen, author of *Anatomy of a Player* Jaime and I have been best friends—forever. Like, awkward teenager with braces forever. We barely crossed the line once, a million years ago, with a kiss, but we didn’t let it ruin what we have. He’s charming, hardworking, and no one makes me laugh till it hurts like him. Now we’re on a road trip to California, and he’s surprising me at every turn—helping me overcome my fear of heights, belting out my favorite songs, and looking way sexier with his shirt off than a best friend is supposed to. I’ve been in love with Brynn for as long as I can remember. She’s sweet, sexy and brilliant and bottom line, there’s no one else I’d rather be stuck in a car with for the next five days. Except, she keeps talking about this other guy she’s got her sights set on. I made the mistake of letting her go once before. Now, I’m going to have to prove that the only guy she needs is right in front of her. Each book in the Kingston

Ale House series is STANDALONE: * The One That Got Away * Six Month Rule * Three Simple Words * Worth the Wait

The One That Got Away Diana Rubino, 2022-02-06 A loyal Southerner embroiled in John Wilkes Booth's plot to kill President Lincoln struggles with a dilemma that is tearing him apart. But should he avenge the South as a hero, or back out as a coward and avoid an unforgiveable sin? We know about Mary Surratt, "the conspirator" who helped John Wilkes Booth launch his insane plot to assassinate President Lincoln. But Mary wasn't the only conspirator in the Surratt family. Her son John is a mere footnote in history, but he was also one of John Wilkes Booth's most trusted followers. Whether he joined Booth out of need for approval or recognition as a war hero, we may never know. Becoming Booth's cohort, he took numerous risks for this beloved South. But as Booth's plan to abduct Lincoln changed to assassination, a question arises: was John Surratt there in Washington to assist Booth in the murder, or was he in New York? No one knows for sure, as witnesses claim to have seen him in both places. *The One That Got Away* explores the possibilities; did Surratt have an attack of conscience or cowardice, or did he just promise to obey Booth, without any intention to carry out the deed? And what ultimately caused John Harrison Surratt, Jr. to get involved in John Wilkes Booth's plan in the first place?

The One that Got Away Howell Raines, 2006-05-16 Lost fish, writes Howell Raines, chasten us to the knowledge that we are all, in each and every moment, dwindling. Imagine my surprise when I discovered well into my sixth decade that losing fish can prepare us for a blessing as well as for pain. Confronting loss -- of an elusive fish or something larger -- is at the heart of *The One That Got Away*, the graceful sequel to Raines's much-loved, bestselling memoir *Fly Fishing Through the Midlife Crisis*, published to great acclaim in 1993. With the same winning combination of reminiscences, anecdotes, philosophy and fishing lore, his bold new memoir covers the eventful years in this latest passage of his life, and the realization that in relinquishing his former identity as a newspaperman he has actually gotten what he wanted, just in the most unlikely way. In wry and witty prose, Raines shifts between fishing vignettes and personal reflections on his childhood, his second marriage, his relationships with his two sons, the trajectory of his career at *The New York Times* and his move toward old age. At the center of his narrative is his most thrilling fishing adventure -- an epic battle with a marlin he hooked and fought for more than seven hours in the South Pacific -- which comes to symbolize his growing understanding and acceptance of the unpredictability of luck, love, lies and life, and how the unexpected can, in fact, be an opportunity to make life more interesting. Raines's wonderful descriptions of streams, people and fish; his passion for angling and writing; and his wise and perceptive commentary on the vagaries of his own life combine to create a profound book -- one of undeniable appeal and uncommon heart.

The One Who Got Away Rebecca Perry, 2023-02-03 I thought I would never see him again. But here he is, standing there, not a care in the world. No thought to the pain he caused me a year ago. Ruby thought she could move on from her break-up with best friend Danny until he shows up at her university campus with a quick smile, sexy abs and eyes that you

could easily drown in. Ruby resolves to stay away, not entangling her heart again. But her hormones have other ideas, leading to a steamy night with Danny before she can think better of it. When the two lovers reconnect, how long will it last before the issues that broke them up the first time, start rearing their ugly head?

The One That Got Away Lee Robert Schreiber, 2005 Have you ever Googled an ex? Have you ever wondered what happened to the first, the truest and/or the greatest love of your life? Have you ever wanted to sit down with that person and ask: How often, if ever, do you think of me (and in what context)? Do you have any regrets? What do you think would have happened if we ended up together? Were we soul mates? If so, how could you move on to someone else so quickly, so easily and painlessly with someone else? Have you ever considered how that person would respond if and when you did contact (let's say) her today? With dismissive laughter? A restraining order? Tears of joy? Lee Robert Schreiber has not been with the purported love of his life since they broke up 25 years ago (primarily because he could not commit to marriage). He's not precisely sure how encountering her after all this time will bring him closer to, well, closure, but he's tried everything else: long-term relationships; one-night stands; friends of friends; friends of relatives; relatives of friends; friends; relatives; therapy; analysis; recreational medication; professional medication; how-to seminars; self-help literature. And none of it, none of them has brought him close to the depths of affection and intimacy that he felt for this one young girl way back when. Pathetic or Romantic? You make the call. Schreiber made the call (actually he emailed her). This is his (and her) poignant, often hilarious and absolutely true story.

The Ones Who Got Away Bill Yenne, 2024-01-04 A remarkable collection of accounts of intrepid American aircrew shot down over enemy lines during World War II and how they got away. To be an airman in the Eighth Air Force flying over the war-torn skies of Europe required skill, tenacity, and luck. Those who were shot down and evaded capture needed all of that and more if they were to make it back to friendly lines. These are their stories. Each is compiled from the original intelligence debrief written by the pilots or aircrew themselves. Bill Yenne details how a spider web of escape routes sprang up, created by the local Résistance. Downed airmen were clothed, given false papers, and hidden so they could be smuggled back to England. These efforts were then supplemented by Allied intelligence agents. But the risks remained the same. Capture could mean death. Their accounts are sometimes funny, often heartbreaking. P-47 pilot Joel McPherson feigned appendicitis and was able to escape from the local German military hospital – after he had his appendix removed. He spent weeks operating as a getaway driver for a Maquis bank robber gang before making it into neutral Spain. Bomber crewmen Fred Hartung and Norman Therrien found refuge at a French château, but later nearly froze to death crossing the icy Pyrenees with the Gestapo on their trail. The accounts of these men and others from the Mighty Eighth make this a story of defiance, foolhardiness, and bravery against the odds.

The Ones Who Got Away Roni Loren, 2018-01-02 Absolutely unputdownable! Roni Loren is a new favorite.—COLLEEN

HOOVER for The One You Can't Forget Twelve years ago, tragedy struck a sleepy Texas town. Only a small number of those impacted survived—a group the media dubbed The Ones Who Got Away. This is their story. THAT NIGHT: He was the star athlete. She was the sharp-tongued Goth girl who never failed to get under his skin. They were never meant to be together, and one terrible night was enough to tear them apart. NOW: Liv Arias is ready to put the past behind her and move on from the trauma that shaped her young life. But when she runs into her former flame, Finn Dorsey, closure seems harder than ever. Finn almost got Liv killed all those years ago, and their relationship ended in a bitter rift. But when their attempt to say a final goodbye turns into a passionate kiss, Liv and Finn realize that the spark between them still burns as hot as ever. Theirs was never supposed to be more than a fling, but as Liv and Finn sort through the pain of broken trust and slowly mending hearts, they may come to realize there's something buried deep that's worth fighting for. By turns heart-wrenching and deeply romantic, this award-winning spicy contemporary romance will challenge the way you see life, love, and happily ever after. Readers are raving: Phenomenal. Gets my highest recommendation!—LORELEI JAMES, New York Times and USA Today bestselling author Unforgettable... Roni Loren at her best!—KRISTEN CALLIHAN, New York Times and USA Today bestselling author Unique, swoony, and lively.—SARINA BOWEN, USA Today bestselling author The Ones Who Got Away is EXACTLY what I love in romance; angsty, hot, conflicted, funny!—M. O'KEEFE, USA Today bestselling author The Ones Who Got Away: The Ones Who Got Away, book 1 The One You Can't Forget, book 2 The One You Fight For, book 3 The One for You, book 4

The One that Got Away Ernest Hemingway, 1989 Collection of fishing stories, legends, and lore, with authors ranging from greatest of storytellers to the lesser-known but equally talented fishing luminaries.

Quote Me the Book of All New Quotes Joseph Julius Bonkowski, Jr., 2009-07 Born 8-30-58 in Cleveland Ohio, graduated from Lincoln-West high school in 1977 (Honor Roll), and was on the chess and track team, and started working for the city of Cleveland water dept. in 1977 and retired in 2007. I write short stories, slogans, saying, philosophy, songs, and comedy, restore paintings and comic books, and I can invent almost anything technical. I jog and it seems like I don't age; do to mixing a Dr Jackal and Mr. Hide type concoction when I was 20 years old. My parents are Joseph and Dorothy Bonkowski. I wrote The secrets of mind reading revealed (Howell Press), and Casablanca 2 (Unpublished), the Theory of Relativity 2, which expands on Einstein's Theory of Relativity (Only 200 copies printed.) My future plans are to keep on writing, and start a career in comedy. I still have thousands of unpublished quotes and saying, and if this book sells well I will write a second book lord willing.

First You Then Him Ninya, 2020-10-15 Two books in one, First You Then Him is half self-help and half dating advice because you have to be healthy to attract healthy. Are you a woman over forty searching for a fulfilling life and a healthy, loving relationship? First You Then Him is the ultimate guidebook designed just for you. This captivating book combines self-

help and dating advice, because you have to be healthy to attract a healthy partner. In the first half of this empowering read, *First You*, embark on a transformative journey toward self-worth and genuine happiness. Delivered in bite-sized lessons, infused with humor and the occasional swear word, each chapter will leave you inspired and eager to discover your true potential. And to ensure your progress, every lesson concludes with an essential takeaway question, propelling you towards self-discovery at lightning speed. In the second half of the book, *Then Him*, we delve into the exhilarating quest of finding the perfect partner who complements your incredible awesomeness. Through concise chapters packed with invaluable insights and takeaway questions, you'll conquer your insecurities, gain a clear vision of what a healthy relationship truly entails, and step boldly into the partnership you genuinely deserve. Imagine being a kick-ass, solid, and strong woman who stands on her own two feet, armed with all the necessary tools to enhance your life with the perfect partner. This is your chance to transform into the extraordinary woman you've always aspired to be! With *First You Then Him*, you'll:

- Unleash your inner power and skyrocket your self-worth
- Embrace a journey of self-discovery with humor and authenticity
- Crush your insecurities and step into a healthier mindset
- Gain a crystal-clear understanding of what a truly fulfilling relationship looks like
- Cultivate a strong foundation for a loving, long-lasting partnership
- Become the irresistible woman who attracts the perfect partner effortlessly

Unlock your full potential and create the life you deserve filled with genuine happiness and true love. Keywords: women over forty, self-help, dating advice, healthy relationship, self-worth, happiness, kick-ass woman, strong woman, true love, genuine happiness, transformative journey, self-discovery, insecurities, healthy partner, unleash inner power, lasting love.

My First Five Husbands...And the Ones Who Got Away Rue McClanahan, 2007-04-10 Rue McClanahan, best known for her portrayal of Blanche Devereaux on the Emmy-award winning series *The Golden Girls* reveals her life in and out of the spotlight in a laugh-out-loud funny memoir about love, marriage, men, and getting older that is every bit as colorful as the characters she played. Raised in small-town Oklahoma in a house “thirteen telephone poles past the standpipe north of town,” Rue developed her two great passions— theater and men—at an early age. She arrived in New York City in 1957 with two-weeks worth of money in her pocket, hustled her way into a class with the legendary Uta Hagen, and began working her way up in the acting world against the vibrant, free-spirited backdrop of the sixties. That’s when she met and married Husband #1—a handsome rogue of an aspiring actor who quickly left her with a young son. Still, she was determined to make it on the stage and screen—and in the years that followed, rose to the top of the entertainment world with a host of adventures (and husbands) along the way. From her roles on Broadway opposite Dustin Hoffman and Brad Davis, to her first television appearances on *Maude* and *All in the Family*, to the *Golden Girls* era and beyond, *My First Five Husbands* is the irresistible story of one woman’s quest to find herself. Rue is proof that many things can and do get better with age—and that, if she keeps her wits about her, even a small-town girl can make it big. People always ask me if I'm like Blanche. And I

say, 'Well, Blanche was an oversexed, self-involved, man-crazy, vain Southern Belle from Atlanta—and I'm not from Atlanta!'"
—Rue McClanahan

The Ghost That Got Away Charity Tahmaseb,

Whiskers and Wanderlust KC McCormick Çiftçi, 2024-11-19 Adnan, an endearing and passionate tour guide, knows every nook and cranny of Istanbul's vibrant streets and hidden wonders. When a travel writer from his past, the sophisticated and somewhat aloof Meredith, travels to the city for the first time, old tensions resurface—especially when cat lover Adnan learns that Meredith's disdain for his favorite animal hasn't changed. Their views couldn't be more different, and yet, fate seems determined to throw them together as they explore the city he loves. As Meredith works on a series of articles about Istanbul's cultural gems, with Adnan determined to show her the best the city has to offer, the two find themselves navigating not just the historic landmarks, but also their undeniable chemistry. Along the way, a mischievous feline makes sure to insert herself into the picture, forcing Meredith to confront her aversion to cats—and her growing feelings for the tour guide who got away. *Whiskers and Wanderlust* is a charming romantic comedy about second chances, unlikely connections, and the unpredictable adventure of love. Join Adnan and Meredith as they discover that the heart—much like the city of Istanbul—holds countless surprises.

The Man who Got Away Rose Keefe, 2005 Chronicles the life of George Bugs Moran, the last of Chicago's North Side gang leaders, discussing his childhood in Minnesota, his early years as a horse thief, his rise and fall in Chicago's Prohibition-era underworld, his life as an outlaw in the 1930s and 1940s, and other related topics.

Wright that Got Away K.A. Linde, 2022-03-22 A sexy second chance rockstar romance set in the world of the Wrights about Campbell & Blaire from New York Times bestselling author K.A. Linde... Campbell Abbey is the lead singer of the biggest band in the universe right now. He's also the boy I fell in love with in high school when no one knew my name. Now, I have a million followers, teach girls every day how to love themselves and get over that boy that wronged them. If only I could take my own advice...and not still pine for the Wright that got away.

Empire of Imagination Michael Witwer, 2015-10-06 The first comprehensive biography of geek and gaming culture's mythic icon, Gary Gygax, and the complete story behind his invention of *Dungeons & Dragons*. The life story of Gary Gygax, godfather of all fantasy adventure games, has been told only in bits and pieces. Michael Witwer has written a dynamic, dramatized biography of Gygax from his childhood in Lake Geneva, Wisconsin to his untimely death in 2008. Gygax's magnum opus, *Dungeons & Dragons*, would explode in popularity throughout the 1970s and '80s and irreversibly alter the world of gaming. D&D is the best-known, best-selling role-playing game of all time, and it boasts an elite class of alumni--Stephen Colbert, Robin Williams, and Vin Diesel all have spoken openly about their experience with the game as teenagers, and some credit it as the workshop where their nascent imaginations were fostered. Gygax's involvement in the industry

lasted long after his dramatic and involuntary departure from D&D's parent company, TSR, and his footprint can be seen in the role-playing genre he is largely responsible for creating. Through his unwavering commitment to the power of creativity, Gygax gave generations of gamers the tools to invent characters and entire worlds in their minds. Witwer has written an engaging chronicle of the life and legacy of this emperor of the imagination.

The Hazards of Life and All That J Bond, 2017-07-12 A light-hearted look at an extremely serious subject, *The Hazards of Life and All That: A Look at Some Accidents and Safety Curiosities, Past and Present*, Third Edition presents numerous examples of accidents throughout history and around the world, drawn from a wide range of contemporary sources. Illustrated with high-quality cartoons, this historical anthology addresses important issues affecting humans while presenting them in a humorous, accessible style. The author relates anecdotes from the gentleman struck, even in death, by lightning to the ICI invention of WATER, a cheap resource for quenching fires. The anecdotes contain salutary reminders on the precautions one should take to secure a long and healthy life.

Edited to Death Linda Lee Peterson, 2013-09-25 When murder strikes the San Francisco magazine *Small Town*, editor and amateur sleuth Maggie Fiori investigates in this witty mystery.
