The Joy of Sex Alex Comfort,Alex Comfort, M.D., D.SC.,2003 The Joy of Sex is an imaginative, uninhibited and entertaining guide to lovemaking and sex. A bestseller since it was first published in 1972, it discusses a wide range of subjects in practical detail with a reassuring authority and sense of fun. To celebrate the 30th anniversary of its publication, Mitchell Beazley presents a totally updated edition, bringing The Joy of Sex to a whole new generation. Illustrated throughout, the text has been revised in such a way as to retain Dr Comfort's original, revelatory advice while making it appropriate for the 21st century. Addressing concerns about sex and health, he balances the need for a responsible attitude to the risks presented by AIDS with the importance of happy and relaxed sexuality in people's lives. This text should be of interest to people who want to make their lovemaking richer and more exciting, and its drawings capture in full, frank detail the intimacy of the act of love.

SUMMARY - The Joy Of Sex By Alex Comfort Shortcut Edition,2021-06-21 * Our summary is short, simple and pragmatic. It allows you to have the essential ideas of a big book in less than 30 minutes. By reading this summary, you will learn how to take ownership of your sex life. You will also learn : to listen to your desires and those of your partners; to become sexually responsible; to approach sexuality in a relaxed and uncomplicated way; to take responsibility for your sexuality. For many, many years, sexuality has been ignored. Some agreed that making sexuality a taboo was not appropriate because it is a source of pleasure. Thus, a number of writings and drawings related to sex have circulated since then. Although there is no longer a law of silence around sexuality, it remains difficult to talk about it freely. The objective is therefore to free speech on this subject, by sending false beliefs, misinformation and any notion of guilt into the air. In any case, sexuality has not

drastically evolved, but the sexual revolutions and their moral repercussions have made it possible to approach certain subjects more serenely, without fear of being judged. So, are you ready to understand what it means to have a fulfilling sex life? *Buy now the summary of this book for the modest price of a cup of coffee!

Summary of Alex Comfort's The Joy of Sex Everest Media,2022-04-05T22:59:00Z Please note: This is a companion version & not the original book. Sample Book Insights: #1 There are four types of readers for this book. First, there are those who don't like it, find it disturbing, and would rather stay the way they are. Second, there are those who are with the idea but don't like our choice of techniques. Third, people will use our notes as a personal one-couple notebook from which they might get ideas. #2 The people we are addressing are the adventurous and uninhibited lovers who want to find the limits of their ability to enjoy sex. We take some things for granted, such as having intercourse naked and spending time over it. #3 The solo, by contrast, is when one partner is the player and the other the instrument. The aim of the player is to produce results on the other's pleasure experience as extensive, unexpected, and wild as his or her skill allows. The instrument does lose control, but this is not a problem if it ends in an uncontrollable ensemble. #4 There are only two rules in good sex, aside from the obvious one of not doing things that are dangerous or antisocial. One is: Don't do anything you don't enjoy, and the other is: Find out your partner's needs and don't balk at them if you can help it.

The Dangerous Joy of Dr. Sex and Other True Stories Pagan Kennedy,2008 Nonfiction is the new black comedy in this hilarious collection of award-winning literary essays written by the infamous Pagan Kennedy. In the title piece, Alex Comfort, author of *The Joy of Sex*, reinvents himself as a sex guru in California and hatches a plan to destroy monogamy forever. In the stories that follow, a retired chemist finds a way to turn a wasteland into paradise, an aspiring tyrant tries to become the emperor of America, and an artist rigs himself up to a brain machine made from parts he bought at Radio Shack. All of the essays--most of which have appeared in *The New York Times Magazine* and *The Boston Globe Magazine*--document the stories of visionaries bent on remaking the world, for better or for worse.
