Heroism and Wellbeing in the 21st Century Olivia Efthimiou, Scott Allison, Zeno Franco, 2018-02-13 Offering a holistic take on an emerging field, this edited collection examines how heroism manifests, is appropriated, and is constructed in a broad range of settings and from a variety of disciplines and perspectives. Psychologists, educators, lawyers, researchers and cultural analysts consider how heroism intersects with wellbeing, and how we still use—and even abuse—heroism as a vehicle to thrive and prosper in the everyday and in the face of the most unbearable situations. Highlighting some of the most pressing issues in today's world—including genocide, racism, deceitful business practices, bystanderism, mental health, unethical governance and the global refugee crisis—this book applies a critical psychological perspective in synthesizing the social construction of heroism and wellbeing, contributing to the development of global wellbeing indicators and measures.

The Game Maker's Companion Jacob Habgood,Nana Nielsen,Kevin Crossley,Martin Rijks,2010-12-31 The Game Maker's Companion is the long-awaited sequel to The Game Maker's Apprentice. This book picks up where the last book left off, advancing your game development journey with some seriously impressive gaming projects. This time you'll learn how to make professional-quality platform games with solid collision detection and slick control mechanisms and you'll get acquainted with a long-lost icon of platform gaming history on the way. You'll go on to discover techniques to add depth and believability to the characters and stories in your games, including The Monomyth, cut scene storyboarding, and character archetypes. This culminates in the creation of an original atmospheric platform-adventure which will take your GML programming skills to new heights. There's even a handy reference section at the back of the book which will be invaluable for adding common features to your own games. With contributions from four games industry professionals and a highly respected member of the Game Maker community, The Game Maker's Companion is another labor of love that will give you even more hours of enjoyment than the original. If you already own Game Maker, then you really must own this book as well.

Script Analysis James Bang,2022-08-19 A comprehensive step-by-step guide to deconstructing screenplay fundamentals, this book will allow readers to understand the elements, functions, and anatomy of a screenplay. Not only will this book enable readers to accomplish a thorough analysis of a screenplay and understand the dramatic elements and their functions, but screenwriters will be able to apply these steps to their own writing. The book explores theme and premise, provides an in-depth study of character development, and breaks down the dramatic elements needed to construct a solid screenplay. It provides examples of the three-act structure, the hero's journey, and the sequence method. Furthermore, it explores how the main plot and subplots are used in a storyline and discusses the importance of setting. Finally, it reveals screenwriting techniques and tools used by professional screenwriters, such as dramatic irony, reversal, and setup/payoff. To connect with a broad range of readers, the case studies used in this book are mainly from contemporary films, including Get Out (2017), Lady Bird (2017), The Dark Knight (2008), Toy Story (1995), Parasite (2019), and Whiplash (2014). Readers will understand how professional screenwriters use fundamental elements to construct, shape, develop, and tell a visual story. After reading

this book, readers will comprehend the components critical to developing a screenplay. This book is ideal for students of screenwriting and filmmaking who want to better understand how to comprehensively analyze a screenplay, as well as screenwriters who want to utilize this method to develop their own scripts.

In Case of Spiritual Emergency Catherine G. Lucas, 2011-08-01 Personal stories of spiritual crises are presented alongside practical and effective guidance in this exploration of a fascinating phenomenon. When spiritual emergencies, such as mystical psychosis and dark nights of the soul, are understood, managed, and integrated, they can offer enormous potential for growth and fulfillment, and this book offers three key phases for successful navigation. Encouraging, supportive, and life-saving, this resource is essential for avoiding the mental, emotional, or spiritual paralysis or exhaustion that can result from underestimating the current age of increased individual and global emergencies.

Gamification in Learning and Education Sangkyun Kim, Kibong Song, Barbara Lockee, John Burton, 2017-09-19 This book explores the theoretical foundations of gamification in learning and education. It has become increasingly difficult to engage and motivate students. Gamification not only makes learning interesting, but also allows game players to solve problems and learn lessons through repeated attempts and failures. This positive failure can motivate students to attempt a difficult mission. Chapters in this volume cover topics such as the definition and characteristics of gamification, gamification in learning and education, theories, research on gamification, framework, strategy, and cases.

Spirituality: An Interdisciplinary View Jennifer Mata-McMahon,Tihana Kovač,Grace Grace,2019-01-04 This volume was first published by Inter-Disciplinary Press in 2016. Even though spirituality can be considered as an innate human potential, one which all are capable of experiencing and developing, it has proven quite difficult to define among scholars. This volume presents various takes and uses of spirituality, looking into describing what it means, together with considering applications of spirituality as a healing measure and practice. Also, spirituality's presence in the world around us in the form of nature mandalas and world soul is presented in this volume. As well as, spiritual aspects of literary pieces, with rich analysis of story lines and characters, tied back to spiritual parallelism and connotations. This volume represents an interdisciplinary view on spirituality and the various uses this ephemeral term has in different fields of scholarship; it represents a synopsis of the current interesting views scholars, researchers, and practitioners have on spirituality and matters of the spiritual realm.

The Wayward Writer Ariel Gore,2022-10-11 When your dream and creative passion is to write, how do you succeed without selling out or selling yourself short? Ariel Gore has spent her life trying to solve this puzzle, writing and organizing her way towards a creative utopian vision, where storytelling is a form of resistance and writing is an outsider art. In this follow-up to her national bestseller How to Become a Famous Writer Before You're Dead, Gore offers a lyrical call to literary revolution paired with practical exercises. Through her own experiences and interviews with other authors, publishers, and agents, she shows you how to chart your own creative education, vanquish shame and imposter syndrome, cast off

oppression, cast a spell on your readers, step into your unique powers, and build your own literary community where respect and honesty reign and where you can be a writer and survive. Gore presents an alternative narrative structure to the patriarchal hero's journey, with a focus on tapping into myths and hidden places. She urges us to not be precious about where or when we write, or to apologize for who and what we are, or to stop short of telling the truth about our lives. The result is an impossible to ignore rallying cry for writing dangerously to create a liberatory literary utopia and a helpful guide through the thorny landscape of publishing your work.

The Becoming of a Hero Pradnya Bivalkar, 2023-12-14 Identity conflicts, a prominent feature of our times, a phenomenon of belonging somewhere yet belonging nowhere, are increasingly finding their way into cinema. This book looks at the representations of identity conflicts in India on the canvas of Indian cinema, connecting them with broader socio-political developments in contemporary India. Starting with the historical background of how political developments in Europe like the emergence of Nation states, secularism, modernity influenced socio-political developments in India in the past century, the book looks at how those developments have shaped modern India. While looking at the cinematic representations of a variety of identity conflicts through the lens of cultural and political analysis, it provides insights into how the construct of an Identity and the inherent conflicts associated with it evolve and manifest themselves through the medium of a film.
