Franklin Gutiérrez

Lázaro Cárdenas. Un mexicano del siglo XX (El hombre que cambió al país 1) Ricardo Pérez Montfort, 2018-02-16 La biografía definitiva sobre un hombre que transformó un país. El nombre Lázaro Cárdenas se convirtió en una alegoría. Es inevitable que al pronunciarlo se piense en la expropiación petrolera, la Revolución de 1910, la construcción del México moderno, la idea de soberanía y la noción misma de lo heroico. Pero esa metáfora encubre toda la complejidad de Lázaro Cárdenas del Río, un hombre de carne y hueso que tuvo una vida inaudita, trepidante y asombrosa, plena de sutilezas y claroscuros. En esta obra, Ricardo Pérez Montfort -uno de los mayores investigadores del expresidente- relata sin cortapisas la vida del michoacano, con brillante fluidez explica las motivaciones que lo guiaron y contextualiza las decisiones de quien tal vez sea uno de los políticos mexicanos más reconocidos pero más desconocidos, más alabados pero más envueltos en mitos. En este primer tomo de Lázaro Cárdenas. Un mexicano del siglo XX, se profundiza en los años de formación del general: su infancia y juventud, su participación en la Revolución mexicana, sus inicios en la política y su meteórico ascenso en los pasillos del poder: en resumen, los hechos que configuraron al hombre que cambiaría México.

Cien años de espías y drogas Carlos A. Pérez Ricart, 2022-06-20 ¿Cómo llegamos hasta acá? ¿Desde cuándo operan agentes antinarcóticos de Estados Unidos en México? ¿Cuáles son los alcances y límites de sus operaciones? ¿Qué sabemos de su forma de operar y de relacionarse con las instituciones de seguridad de nuestro país? ¿Cuántos [agentes estadounidenses] han jugado a ser policías en México? ¿Pueden aquellos utilizar uniformes y armas de los marinos mexicanos sin consecuencias? ¿Cómo y ante quién son responsables? ¿Quién paga cuando se equivocan? Otra vez, ¿cómo llegamos hasta acá? —De la Introducción Han colaborado con los cárteles y con el gobierno, han derrumbado y encumbrado capos, han alimentado y dinamitado la «guerra contra el narco»; son infiltrados, protegidos, impunes y han jugado el juego más peligroso de todos... Son los « espías antinarcóticos» de Estados Unidos y este libro narra su historia. Con el rigor de académico de Oxford, el investigador Carlos A. Pérez Ricart relata el largo siglo en el que los enviados de Washington han atestiguado, protagonizado o, incluso, desatado algunos de los momentos más oscuros en la historia reciente de México. Producto de cientos de horas de entrevistas con los involucrados y de la consulta de miles de documentos, archivos y registros, Cien años de espías y drogas presenta la historia más exhaustiva que se haya hecho sobre el fenómeno. Aparece aquí la génesis del narcotráfico en México, los primeros cónsules-detectives, la lógica estadounidense frente a las drogas, el

perfil de las agencias que las combaten, los momentos y episodios más trascendentes, y el perfil de algunos de los espías más inauditos que hayan pisado este país.

Daniella Perez: Biografia, crime e justiça Bernardo Braga Pasqualette, 2022-10-17 O mais completo relato investigativo sobre as circunstâncias e motivações do crime hediondo que vitimou a estrela em ascensão Daniella Perez. Em agosto de 1992, enquanto no Brasil emergia o movimento caras-pintadas, na televisão estreava a novela De Corpo e Alma, escrita por Glória Perez. Em meio a artistas consagrados, estava Daniella Perez, cujo sobrenome revelava se tratar da filha da autora. Bailarina por vocação e engatando o terceiro trabalho seguido na televisão, a jovem atriz se via diante de um enorme desafio: vencer a desconfiança da crítica acerca de seu talento. Dando vida à Yasmin, personagem tipicamente suburbana que gerou forte identificação no público, Daniella conquistou o público. O crescimento de sua popularidade, contudo, veio acompanhado de críticas de setores da mídia, que atribuíam seu êxito à influência materna. Guilherme de Pádua, colega de elenco e futuro algoz da jovem estrela, também pensava assim e começou a assediá-la, num movimento silenciosamente percebido nos bastidores da novela. Mesmo após o crime, ele nunca negou que se aproximara da atriz por interesse. Escrito sob a forma de uma reportagem literária, Daniella Perez: biografia, crime e justiça é composto de um perfil biográfico de Daniella e uma minuciosa análise do crime que a vitimou. O trabalho se valeu majoritariamente de fontes primárias, além de terem sido analisadas inúmeras reportagens sobre a investigação criminal, o julgamento e a execução das penas dos condenados, além do processo que os condenou por homicídio duplamente qualificado. Daniella Perez: biografia, crime e justiça é a história de uma estrela em ascensão e de sua partida precoce, mas é também o mais completo relato investigativo das circunstâncias e motivações de um crime hediondo, trazendo à luz todas as nuances de um crime bárbaro que causou enorme comoção em todo o país.

The Sack of Panamá Peter Earle, 2007-02-06 Captain Henry Morgan's capture of the city of Panamá in 1671 is seen as one of the most audacious military operations in history. In The Sack of Panamá , Peter Earle masterfully retells this classic story, combining thorough research with an emphasis on the battles that made Morgan a pirate legend. Morgan's raid was the last in a series of brutal attacks on Spanish possessions in the Caribbean, all sanctioned by the British crown. Earle recounts the five violent years leading up to the raid, then delivers a detailed account of Morgan's march across enemy territory, as his soldiers contended with hunger, tropical diseases, and possible ambushes from locals. He brings a unique dimension to the story by devoting nearly as much space to the Spanish victims as to the Jamaican privateers who were the aggressors. The book covers not only the scandalous events in the Colonial West Indies, but also the alarmed reactions of diplomats and statesmen in Madrid and London. While Morgan and his men were laying siege to Panamá , the simmering hostilities between the two nations resulted in vicious political infighting that rivaled the military battles in intensity. With a wealth of colorful characters and international intrigue, The Sack of Panamá is a painstaking history that doubles as a rip-

roaring adventure tale.

Biografía de Rafael Pombo Héctor Orjuela,2017-12-22 Rafael Pombo es el máximo exponente de la poesía colombiana. Su prolífica vida literaria abarcó varios tópicos de la vida cultural, política, social colombianas desde la mitad del siglo XIX y primera década del siglo XX. No obstante, con el paso de los años la academia y los centros de educación de primaria y secundaria fueron relevando sus poesías infantiles, hasta convertirlo en el poeta de los niños por excelencia. Por su origen aristocrático y su cercanía familiar y de amistad con las élites que gobernaron durante las siete largas décadas de la vida de Pombo, los destinos gubernamentales del país, naturalmente Pombo fue partícipe de importantes acontecimientos de la historia colombiana, de los cuales dejó testimonio escrito como poeta, periodista, diplomático y respetado intelectual de su época. Luego de su muerte, el 16 de noviembre de 1912, el gobierno colombiano le rindió homenaje póstumo declarándolo Gloria nacional de las letras, indiscutible distinción que no ha podido ser superada y desde entonces se constituye en un símil para Colombia de lo que es Miguel de Cervantes Saavedra para España.
