The Fix David Baldacci, 2017-07-04 The Fix (Memory Man series) By David Baldacci

The Fix David Baldacci, 2017-04-18 In this perfect 'fix' for the thriller aficionado (Associated Press) and #1 New York Times bestseller, maverick FBI detective Amos Decker must forge an uneasy alliance with the Defense Intelligence Agency to prevent an international incident that could spell the end of the United States as we know it. Amos Decker witnesses a murder just outside FBI headquarters. A man shoots a woman execution-style on a crowded sidewalk, then turns the gun on himself. Even with Decker's extraordinary powers of observation and deduction, the killing is baffling. Decker and his team can find absolutely no connection between the shooter -- a family man with a successful consulting business -- and his victim, a schoolteacher. Nor is there a hint of any possible motive for the attack. Enter Harper Brown. An agent of the Defense Intelligence Agency, she orders Decker to back off the case. The murder is part of an open DIA investigation, one so classified that Decker and his team aren't cleared for it. But they learn that the DIA believes solving the murder is now a matter of urgent national security. Critical information may have been leaked to a hostile government -- or worse, an international terrorist group -- and an attack may be imminent. Decker's never been one to follow the rules, especially with the stakes so high. Forced into an uneasy alliance with Agent Brown, Decker remains laser focused on only one goal: solving the case before it's too late.

The Fix: An Amos Decker Novel 3 David Baldacci, 2017-04-26 Amos Decker, David Baldacci's unique special agent, who suffered a head injury that resulted in giving him the gift of a remarkable memory together with a condition called synaesthesia, takes on another case in *The Fix*. BOOK 3 IN THE AMOS DECKER SERIES Walter Dabney is a family man. A loving husband and the father of four grown daughters, he's built a life many would be proud of. But then the unthinkable happens. Standing outside the FBI Headquarters in Washington, D C, Dabney shoots school teacher Anne Berkshire in cold blood before turning the gun on himself. One of the many witnesses is Amos Decker; a man who forgets nothing and sees what most miss. Baffled by what appears to be a seemingly senseless and random killing, Decker is thrust into the investigation to determine what drove this family man to pull the trigger. As part of an FBI special task force, Decker and the team delve into the lives of Dabney and Berkshire to find a connection that doesn't seem to exist. What they do find are secrets that stretch back a lifetime and reveal a current plot of impending destruction that will send the world reeling,

placing Decker and his team squarely in the crosshairs. PRAISE FOR THE AMOS DECKER SERIES Decker is one of the most unusual detectives any novelist has dreamed up ... a master class on the bestseller. ... Highly entertaining. Washington Post Amos Decker is an amazing character. Reading how Decker journeys from hitting rock bottom to finding ultimate redemption is nothing short of rewarding. [Decker] proves a quirky, original antihero with a definite method to his madness ... Readers will want to see Decker back on the printed page again and again. Kirkus Reviews

Something sinister is going on in Baronville. The rust belt town has seen four bizarre murders in the space of two weeks. Cryptic clues left at the scenes--obscure bible verses, odd symbols--have the police stumped. Amos Decker and his FBI colleague Alex Jamison are in Baronville visiting Alex's sister and her family. Decker, with his singular talents, may be the only one who can crack this bizarre case. Only this time--when one mistake could cost him everything--Decker finds that his previously infallible memory may not be so trustworthy after all...

A COMPENDIUM OF CLASSIC AND POSTMODERN NOVEL SUMMARIES Vivian Siahaan, 2019-08-03 This book is comprised of a compendium of summaries from all novels that I have read for almost twelve years. Obviously, the summaries have been documented on my blog since 2016, and seemingly, in my opinion, it is better bundled in a book form since the statistic views show that the classic fictions are those among most read, so I rose to comply with that demand. The purpose for which I devote myself to compose 85 summaries is to provide quick reading for novel readers and students. Numerous genres are presented because I am quite conscious those will bequeath you an imaginative horizon. As a work of art, many of them transcend their expiatory aspects. And still more important to us than scientific significance and literary worth is the inspirational impact those novels have on serious readers. Finally, happy reading and I hope you will find this book useful.

Memory Man David Baldacci, 2015-04-21 This impossible to put down #1 New York Times bestseller introduces Amos Decker, a gifted police detective with a perfect memory who must solve a mystery he wishes he could forget: his family's murder (Washington Post). Amos Decker's life changed forever--twice. The first time was on the gridiron. A big, towering athlete, he was the only person from his hometown of Burlington ever to play in the NFL. But his career ended before it had a chance to begin. On his very first play, a violent helmet-to-helmet collision knocked him off the field forever, and left him with an improbable side effect--he can forget nothing. The second time was at home nearly two decades later. Now a police detective, Decker returned from a stakeout one evening and entered a nightmare--his wife, young daughter, and brother-in-law had been murdered. His family destroyed, their killer's identity as mysterious as the motive behind the crime, and unable to forget a single detail from that horrible night, Decker finds his world collapsing around him. He leaves the police force, loses his home, and winds up on the street, taking piecemeal jobs as a private investigator when he can. But over a year later, a man turns himself in to the police and confesses to the murders. At the same time a horrific event nearly brings Burlington to its knees, and Decker is called back in to help with this investigation. Decker also seizes his chance to learn what really happened to his family that night. To uncover the stunning truth, he must use his remarkable gifts and confront

the burdens that go along with them. He must endure the memories he would much rather forget. And he may have to make the ultimate sacrifice. Memory Man will stay with you long after the turn of the final page.
