Levelling the Score Penny Jordan, 2016-03-14 He'd always made light of her feelings When she was young, Jenna had been infatuated with Simon Townsend, her best friend's teasing brother. Then infatuation changed to a curious uneasiness, one that made her feel edgy and restless in his company. Fortunately she had little occasion to see much of him now, for, as a prominent London barrister, he moved in different circles than Jenna. But an escapade of his sister's threw Simon and Jenna together again in a most awkward—not to mention compromising—situation. He thought it was funny. Jenna was not amused. And she would have given anything to avoid the consequences! Originally published in Sep 1988.
