

# The Origin Of The Family Private Property And The State

## Frederick Engels

*The Origin of the Family, Private Property and the State* Friedrich Engels, 2010-04-29 The Origin of the Family, Private Property and the State (1884), was a provocative and profoundly influential critique of the Victorian nuclear family. Engels argued that the traditional monogamous household was in fact a recent construct, closely bound up with capitalist societies. Under this patriarchal system, women were servants and, effectively, prostitutes. Only Communism would herald the dawn of communal living and a new sexual freedom and, in turn, the role of the state would become superfluous.

The Origin of the Family, Private Property and the State Friedrich Engels, 2004

*The Origin of the Family, Private Property and the State* Friedrich Engels, 2019-10-07 The Origin of the Family, Private Property, and the State: in the Light of the Researches of Lewis H. Morgan is an 1884 historical materialist treatise by Friedrich Engels. It is partially based on notes by Karl Marx to Lewis H. Morgan's book *Ancient Society*

**The Origin of the Family Private Property and the State** Frederick Engels, 2018-02-19 The Origin of The Family Private Property and The State by Frederick Engels. Translated By Ernest Untermann. The following chapters are, in a certain sense, executing a bequest. It was no less a man than Karl Marx who had reserved to himself the privilege of displaying the results of Morgan's investigations in connection with his own materialistic conception of history-which I might call ours within certain limits. He wished thus to elucidate the full meaning of this conception. For in America, Morgan had, in a manner, discovered anew the materialistic conception of history, originated by Marx forty years ago. In comparing barbarism and civilization, he had arrived, in the main, at the same results as Marx. And just as Capital was zealously plagiarized and persistently passed over in silence by the professional economists in Germany, so Morgan's *Ancient Society* was treated by the spokesmen of prehistoric science in England. My work can offer only a meager substitute for that which my departed friend was not destined to accomplish. But in his copious extracts from Morgan, I have critical notes which I herewith reproduce as fully as feasible.

The Origin of the Family, Private Property and the State Friedrich Engels, 1942

The Origin of the Family, Private Property and the State Friedrich Engels, Ernest Untermann, 2017-08-24 This work has been selected by scholars as being culturally important, and is part of the knowledge base of civilization as we know it. This

work was reproduced from the original artifact, and remains as true to the original work as possible. Therefore, you will see the original copyright references, library stamps (as most of these works have been housed in our most important libraries around the world), and other notations in the work. This work is in the public domain in the United States of America, and possibly other nations. Within the United States, you may freely copy and distribute this work, as no entity (individual or corporate) has a copyright on the body of the work. As a reproduction of a historical artifact, this work may contain missing or blurred pages, poor pictures, errant marks, etc. Scholars believe, and we concur, that this work is important enough to be preserved, reproduced, and made generally available to the public. We appreciate your support of the preservation process, and thank you for being an important part of keeping this knowledge alive and relevant.

**The Origin of the Family, Private Property, and the State (Illustrated)** Frederick Engels,2020-07-21 The state is nothing but an instrument of oppression of one class by another - no less so in a democratic republic than in a monarchy. —Frederick Engels - A Classic Work! - Includes Illustrations of Marx and Engels

**The Origin of the Family, Private Property and the State** Engels Friedrich,2016-06-23 Unlike some other reproductions of classic texts (1) We have not used OCR(Optical Character Recognition), as this leads to bad quality books with introduced typos. (2) In books where there are images such as portraits, maps, sketches etc We have endeavoured to keep the quality of these images, so they represent accurately the original artefact. Although occasionally there may be certain imperfections with these old texts, we feel they deserve to be made available for future generations to enjoy.

**The Origin of the Family, Private Property, and the State, in the Light of the Researches of Lewis H. Morgan** Friedrich Engels,1972 The professor Leacock pays particular attention to Engels' interpretation of the role of the family in primitive society, barbarism and civilization, and the subjugation of women in relation to the rise of classes and the state. The book is complement with a bibliography of pertinent works and a glossary of terms.

**Origin of the Family, Private Property and the State** Frederick Engels,Sankar Srinivasan,Alick West,2015-03-07 Engels wrote The Origin of the Family, Private Property and the State in just two months - beginning toward the end of March 1884 and completing it by the end of May. It focuses on early human history, following the disintegration of the primitive community and the emergence of a class society based on private property. Engels looks into the origin and essence of the state, and concludes it is bound to wither away leaving a classless society.Engels: "Along with [the classes] the state will inevitably fall. Society, which will re-organise production on the basis of a free and equal association of the producers, will put the whole machinery of state where it will then belong: into the museum of antiquity, by the side of the spinning-wheel and the bronze axe."

*The Origin of the Family Private Property* Friedrich Engels,2017-07-15 The Origin of the Family, Private Property and the State focuses on early human history, following the disintegration of the primitive community and the emergence of a class

society based on private property. Engels looks into the origin and essence of the state, and concludes it is bound to wither away leaving a classless society. Engels: Along with [the classes] the state will inevitably fall. Society, which will reorganise production on the basis of a free and equal association of the producers, will put the whole machinery of state where it will then belong: into the museum of antiquity, by the side of the spinning-wheel and the bronze axe.
