We have had power taken from us and used over us, and sometimes we have had to give it away for our own safety. But when power is built internally, it is stronger and more enduring than that bestowed externally. In *Power*, renowned leadership coach Kemi Nekvapil introduces a new framework for cultivating your power from the inside out. When you tap into the power that comes from within, you have the capacity to rebuild yourself. You give yourself the opportunity to break free from chronic people-pleasing and start making choices that align with your needs and values. You stop living and leading with apology, and instead use your power as a force for good. Through the principles of Presence, Ownership, Wisdom, Equality, and Responsibility, *Power* invites you to stop waiting for power to be handed to you and instead choose it for yourself and on your own terms. Drawing on stories from her own life as a Black woman in a society where power is often used as a tool for fear and obedience, and from the lives of leaders, gamechangers, and everyday women who've learned to step into their power, Nekvapil shows you how to practice, build, and feel your inner force.
