Arthur Austen Douglas

Dr. Seuss Philip Nel,2005-01-01 Philip Nel takes a fascinating look into the key aspects of Seuss's career - his poetry, politics, art, marketing, and place in the popular imagination. Nel argues convincingly that Dr. Seuss is one of the most influential poets in America. His nonsense verse, like that of Lewis Carroll and Edward Lear, has changed language itself, giving us new words like nerd. And Seuss's famously loopy artistic style - what Nel terms an energetic cartoon surrealism - has been equally important, inspiring artists like filmmaker Tim Burton and illustrator Lane Smith. --from back cover

FAMOUS SUCCESS QUOTES Aberdin Louis, 2016-01-18 believe in everyone who has goals they are willing to work hard to attain. I have learned over the years that you have to have a vision that feels so vivid that it is true before it ever manifests in real life. Everyone who asks me what, how or when to pursue their goals I say to them this: you have already accomplished most of what you are trying to do because you know what you want. The other 50% is working as much as it takes to attain and maintain your vision. Lastly, when it comes to money, the preservation of wealth is as or more important than the accumulation of wealth. Think of all of this as you set out on your journey to make your vision a reality. The benefits of positive emotions don't stop after a few minutes of good feelings subside. In fact, the biggest benefit that positive emotions provide is an enhanced ability to build skills and develop resources for use later in life.

Quotes to Inspire Elsinore Books, 2020-04-13 With a carefully chosen quote for each day of the year, this book will be a constant source of inspiration, accompanying you through the depths of winter to starry summer nights, and on again to Christmas and the New Year. You'll encounter lines from novels, short stories, essays, journals, and poems, as well as zen-like meditations, and classic aphorisms. The quotes come from more than a hundred different authors—including many of the world's great literary figures. There are quotes to inspire courage: "The thing is—fear can't hurt you any more than a dream" (William Golding); ignite creativity: "The Possible's slow fuse is lit/ By the Imagination!" (Emily Dickinson); and enjoin us to action and goodness: "Do not act as if you were going to live ten thousand years. Death hangs over you. While you live, while it is in your power, be good" (Marcus Aurelius). You'll meet more playful inspiration in quotes from Douglas Adams and Dr. Seuss. And we've also found room for the kind of mystical reflections that poets such as Wallace Stevens so excelled in composing. In these quotes you'll find a wealth of wisdom distilled into a few choice words. But of course, it is not always the full picture—while the main aim of this collection is to offer day-by-day inspiration, we hope it will also be a springboard for

discovering new writers. When you are inspired by a writer's words, we encourage you to seek out the original work, and rediscover the quote in its natural environment. We have rigorously tracked down the source of each quote and attributed it accordingly. This book was designed to be as easily navigable as possible on your e-reader. Good stuff for your heart & mind - a book of quotes (second edition) Rick Reed, PhD, 2016-10-11 a simple book of quotations compiled for a couple of great kids.

So You Think You Can Think Otto B. Toews, 2017-10-26 In our complex world, how can we learn to think through moral dilemmas in the pursuit of justice? How do the words we associate with morality impact our understanding and application of it? In short, how can we enact equal measures of fairness among family members, friends, and strangers? These are the

troubling questions that guide Dr. Otto Toews as he critically engages with the language of morality and uncovers what is lacking in our conversations about fairness. Using a Principled Thinking Model for resolving everyday moral dilemmas, Toews identifies five basic categories that are necessary for moral thinking: duty, rights, motive, desert, and justice. Combining this research with Nel Nodding's seminal work on caring, Toews concludes that while it is vital that we practice thinking through moral dilemmas, the key to attaining universal justice and fairness lies in our sense of fellow feeling, or empathy. Toews argues that without the urgency and energy prompted by a sense of concern for others, thinking through moral dilemmas will remain insufficient in fostering an ethical world. Throughout the book, Toews augments his research by providing hypothetical scenarios involving two teachers, Bill and Mae. They engage in spirited debates over how duty, rights, motive, desert, and justice apply to issues such as education, cyber bullying, mental illness, reconciliation, and more. Again and again, Bill and Mae are caught up by the power of empathy, demonstrating the urgent need to care for others. It is through their dialogues that Toews has designed a brilliant way for us to witness moral thinking in action, giving us the language we need to navigate it, and preparing us for the countless types of conflicts we encounter every day.

Twenty-Two Allison Trowbridge,2017-04-04 Over the course of twenty-two letters, author Allison Trowbridge addresses a wide range of practical issues and ties them to larger concerns such as identity, loss, social impact as a lifestyle, wisdom in the ordinary moments, and the profound way God's work is realized in how we live every day. Subtly weaving in today's pressing social concerns—from poverty in our neighborhoods to human trafficking across the globe—Twenty-Two will inspire a greater sense of mission and a passion to live more fully as young women embark on their own remarkable journeys. Allison Trowbridge harnesses the power of story in a series of letters to an imagined young woman wrestling with the questions that arise as she stands on the precipice of adulthood. Never in history has a young woman had so many options before her, yet never has she had less direction or guidance on what to do with them. A woman at the precipice of adulthood often finds herself with more questions than answers, with more disenchantment than direction. How is she supposed to “lean in” to a successful career while also building deeply meaningful relationships? How can she care for the community around her while simultaneously developing a global mindset and changing the world? How can she be all that she is destined to be without feeling paralyzed by the pressure of so many prospects? Allison Trowbridge knows this dilemma well. She remembers

stepping into her twenties and wishing for a mentor to guide her through this dizzying season of life. In *Twenty-Two*, she becomes the mentor she was looking for. Drawing from her own experience and from the wisdom of others, she offers advice and counsel in a series of personal letters to “Ashley,” a fictional college student looking for mentorship from someone one step ahead in life.

Quotes on Educators and Educating Jonathan Crowe, 2007 Upon education, our future depends, the future of our planet, our race, our very generations. Man is endowed with tremendous mental and spiritual gifts. It is up to man, therefore, to ensure that these gifts are used wisely and are not squandered in ignorance of what man has achieved, and more importantly, of what man is capable of achieving. Every moment of life is a learning opportunity; every person and experience a potential teacher. Education is not merely a means for earning a living or an instrument for the acquisition of wealth. It is an initiation into life of spirit, a training of the human soul in the pursuit of truth and the practice of virtue. This beautifully illustrated book of mankind's collective wisdom celebrates life, learning and the human experience.

The Divine Embrace Ken Gire, 2004-01-29 Using examples from his own life, the author urges Christians to pay close attention to God's gifts and callings, and not to take them for granted. Each sighting of God's work, Gire says, can make Christians fall more in love with Him.
