Kadie Scott

Kiss Now, Lie Later C. W. Farnsworth, 2021-06-10 One boy. One girl. Two feuding towns. MAEVE I've heard a lot of things about Weston Cole. Popular. Conceited. Supercilious. He's spent the last three years steadily dismantling my family's legacy. I should hate him. And I did. Until I encountered him freshman year and discovered he's also troubled. Captivating. Audacious. And when I come across him again senior year, it turns out that knowledge is even more dangerous than his suggestive smirk... WESTON No girl in Glenmont is more untouchable than Maeve Stevens. She lives across enemy lines. Her father is the head football coach. Her twin brother's their quarterback. My latest problem? One glimpse of her viridian eyes makes me forget about the decades long rivalry between our two towns. A few forbidden kisses, and the only thing I want to fight for? Her.

Girls Can Kiss Now Jill Gutowitz, 2022-03-08 "Wickedly funny and heartstoppingly vulnerable...every page twinkles with brilliance." —Refinery29 Perfect for fans of Samantha Irby and Trick Mirror, a hilarious, whip-smart collection of personal essays exploring the intersection of queerness, pop culture, the internet, and identity, introducing one of the most undeniably original new voices today. Jill Gutowitz's life—for better and worse—has always been on a collision course with pop culture. There's the time the FBI showed up at her door because of something she tweeted about Game of Thrones. The pop songs that have been the soundtrack to the worst moments of her life. And of course, the pivotal day when Orange Is the New Black hit the airwaves and broke down the door to Jill's own sexuality. In these honest examinations of identity, desire, and self-worth, Jill explores perhaps the most monumental cultural shift of our lifetimes: the mainstreaming of lesbian culture. Dusting off her own personal traumas and artifacts of her not-so-distant youth she examines how pop culture acts as a fun house mirror reflecting and refracting our values—always teaching, distracting, disappointing, and revealing us. *Girls Can Kiss Now* is a fresh and intoxicating blend of personal stories, sharp observations, and laugh-out-loud humor. This timely collection of essays helps us make sense of our collective pop-culture past even as it points the way toward a joyous, uproarious, near—and very queer—future.

Taming the Troublemaker Kadie Scott, 2019-03-21 One daring kiss with the playboy tempts the good girl, but can she tame him? Autry Hill may be a cowboy to his boots, but he's also gained quite the reputation as a charmer and playboy. His parents aren't sure he's ready to take the reins of the family's prosperous Texas ranch, so they set up a challenge: No women

or scandal for the next six months and the ranch house he grew up in is his. Easy peasy, Autry thinks. He's already tired of late nights and romancing, until elementary school teacher Beth Cooper happens to cross his path. Suddenly Autry is losing his heart, his mind, and what's left of his reputation. Good girl teacher Beth Cooper is far too practical to fall for Autry Hill, even if she had a crush on him way back when. The man's been breaking hearts since middle school. But when he becomes her unexpected champion and then they work together to help one of Beth's troubled students who's about to lose everything, she sees a different side of Autry – serious, compassionate, determined and dedicated. And that Autry is nearly impossible to resist. Does she need to?

Love and Lies Clancy Martin, 2015-02-03 A provocative and unsettling look at the nature of love and deception Is it possible to love well without lying? At least since Socrates's discourse on love in Plato's Symposium, philosophers have argued that love can lead us to the truth—about ourselves and the ones we love. But in the practical experience of erotic love—and perhaps especially in marriage—we find that love and lies often work hand in hand, and that it may be difficult to sustain long-term romantic love without deception, both of oneself and of others. Drawing on contemporary philosophy, psychoanalysis and cognitive neuroscience, his own personal experience, and such famed and diverse writers on love as Shakespeare, Stendhal, Proust, Adrienne Rich, and Raymond Carver, Clancy Martin—himself divorced twice and married three times—explores how love, truthfulness, and deception work together in contemporary life and society. He concludes that learning how to love and loving well inevitably requires lying, but also argues that the best love relationships draw us slowly and with difficulty toward honesty and trust. Love and Lies is a relentlessly honest book about the difficulty of love, which is certain to both provoke and entertain.

The Zeppelin Deception Colleen Gleason, 2024-02-06 Mina Holmes and Evaline Stoker return in their final—and most exciting—adventure together. Gleason has vamped up the familiar world of Holmes and Watson... to paranormally exhilarating effect!" -The New York Times It's a cold, blustery day in January of 1890 when Mina Holmes receives an invitation to Evaline Stoker's wedding. The two young women—partners and occasionally friends—haven't spoken for nearly two months, since the events at the Carnelian Crow. Shocked, Mina is still looking at the invitation when constables from Scotland Yard begin pounding on her front door. They've arrived to arrest her for the murder of a man she's never even heard of. Meanwhile, Evaline has her hands full with wedding plans (boring) and an overbearing sister who wants to manage her every move—including a dizzying array of social activities. In the midst of all this, she receives an invitation to visit Lady Isabella Cosgrove-Pitt, a most villainous woman. With Pix in jail, Mina being hunted by Scotland Yard, and Evaline dining with the murderous Lady Isabella what more can possibly go wrong? Plenty. And when the mysterious black zeppelin appears once again in the night sky, things are about to get even more dangerous than ever for Miss Stoker and Miss Holmes...

The Devil Wears Kilts Suzanne Enoch, 2013-11-26 Scotsman Ranulf MacLawry descends on the ballrooms of London in

order to rescue his sister from a society he holds in contempt, only to fall for sharp-tongued Lady Charlotte Hanover, who believes that she prefers docile men.

Stealing Second MJ Fields, 2024-04-18 A grumpy sunshine, close proximity, baseball, sports romance Cecilia Fresh out of college, I stumbled into the opportunity of a lifetime. My favorite professor had a friend who was looking to retire and sell his animal clinic. With a lot of help and a giant push from my sister and her husband, I made an offer. I'm now the proud owner of Wags Veterinary Clinic in Trenton, New Jersey. Life is good. I have a home with a beautifully landscaped lawn, a business that I love, and an amazing tribe of friends who encourage me to put myself out there. Truth be told, I prefer animals over most people. I'm happy with the occasional girls' night in and catching a glimpse of the hot neighbor, who I undeniably fantasize about—often. Those fantasies, however, come to a dramatic end when I see him walking his new puppy on my property and not cleaning up its mess—twice. There's nothing hot about a man who doesn't take care of his shhh—or his dog's. Nothing. Fantasy ruined. Roman Who gets a second chance at playing professional baseball after turning it down once before? This guy. I thought it was too good to be true, but my family encouraged me to take the opportunity and see what would happen. That's exactly what I did, with zero expectations. When I got the call that I was being pulled up from the minors to the majors, it was no longer an opportunity; it was a reality. Adjustments had to be made. I was going to be calling Trenton, New Jersey, home for a while; therefore, my minor-league lifestyle had to change. No more cleat chasers or hookups. I had to focus. The problem with this is, my focus is on the hot redhead next door, and she ... well, she can't stand me. If I've learned anything in the past couple of years, it's that baseball is magic. It's not in the game itself; it's in the lessons about endless opportunities. Right now, I'm on first, just waiting for the opportunity to steal second.

Stoker and Holmes: The Complete Series Colleen Gleason, 2022-05-03 The complete collection of the acclaimed Stoker and Holmes series. Evaline Stoker and Mina Holmes never meant to get into the family business. But when you're the sister of Bram and the niece of Sherlock, vampire hunting and mystery solving are in your blood. The Clockwork Scarab When two society girls go missing in 1889 London, there's no one more qualified than Stoker and Holmes to investigate. When none other than Irene Adler taps the two girls to help solve the crime, Mina and Evaline jump at the chance to help. Now, fierce Evaline and logical Mina must resolve their rivalry, navigate the advances of not just one but three mysterious gentlemen, and solve a murder with only one clue: the strange Egyptian scarab. The stakes are high. If Stoker and Holmes don't unravel why the belles of London society are in such danger, they'll become the next victims... The Spiritglass Charade After the Affair of the Clockwork Scarab, Evaline Stoker and Mina Holmes are eager to help Princess Alix with a new case. Seventeen-year-old Willa Aston is obsessed with spiritual mediums, convinced she is speaking with her mother from beyond the grave. What seems like a case of spiritualist fraud quickly devolves into something far more menacing: someone is trying to make Willa appear lunatic using an innocent-looking spiritglass to control her. The list of clues piles up: an unexpected murder, a

gang of pickpockets, and the return of vampires to London. But are these events connected? As Uncle Sherlock would say, there are no coincidences. It will take all of Mina's wit and Evaline's muscle to keep London's sinister underground at bay... The Chess Queen Enigma Evaline Stoker and Mina Holmes have reluctantly agreed to act as social chaperones and undercover bodyguards for Princess Lurelia of Betrovia, who has arrived in London to deliver a letter that details the secret location of an ancient chess queen that's been missing for centuries. But when the letter—which will heal a centuries-old rift between England and the Betrovians—is stolen out from under Evaline and Mina's watchful eyes, the two girls are forced into a high-stakes race to ensure they find the chess queen before anyone else does. The Carnelian Crow Ever since the debacle of the Chess Queen Enigma, Mina Holmes and Evaline Stoker have laid low, trying to settle back into their quiet lives as young ladies of London. But the Holmesian deductive abilities won't remain dormant for long, and when Mina receives a strange package from a winged, midnight visitor, she is catapulted into a new, dangerous adventure: the search for The Carnelian Crow. Meanwhile, Evaline has received some very disturbing news—news that will change her life forever. Along with that unpleasant knowledge is the strange disappearance of her nemesis, the disreputable pickpocket Pix. When it becomes clear the arch-villainess the Ankh has made her next move, it will take all of Mina's Holmesian ingenuity and Evaline's courage and determination to stop the criminal from executing her boldest and most dangerous plan yet! The Zeppelin Deception It's a cold, blustery day in January of 1890 when Mina Holmes receives an invitation to Evaline Stoker's wedding. The two young women—partners and occasionally friends—haven't spoken for nearly two months, since the events at the Carnelian Crow. Shocked, Mina is still looking at the invitation when constables from Scotland Yard begin pounding on her front door. They've arrived to arrest her for the murder of a man she's never even heard of. Meanwhile, Evaline has her hands full with wedding plans (boring) and an overbearing sister who wants to manage her every move—including a dizzying array of social activities. In the midst of all this, she receives an invitation to visit Lady Isabella Cosgrove-Pitt, a most villainous woman. With Pix in jail, Mina being hunted by Scotland Yard, and Evaline dining with the murderous Lady Isabella what more can possibly go wrong? And when the mysterious black zeppelin appears once again in the night sky, things are about to get even more dangerous than ever for Miss Stoker and Miss Holmes....

Noble Courage: Book One of the Aspen Series Daisha Marie Korth, 2015-04-21 The Darktower name held the power to make one shiver with trepidation as it rolled off the tongue. Thorne Darktower, Earl of Cliffhaven, stood tall and ominous, resentful of his own existence and plotting against his own family's life-long enemy until he is touched by the heart of an angel and shown the promise of life as she lifts the wool of hatred from his eyes. Aspen Tiller found herself as an unsuspecting pawn in a strategic game of self-preservation. With her innocence and child-like ideals held close to her, she reaches deep within herself to accomplish the impossible, command the respect of those around her, welcome the love of all who knew her and face the wrath of the devil who covets her...And still, embedded in her character, is a courage so noble

that it refuses to allow her to give in to defeat as she trudges through the obstacles in her path to emerge anew...But does it destroy the woman so many love?

Dare You to Lie Amber Lynn Natusch, 2018-09-04 The terrifying finale is a doozy, and Ky is a capable (can you say muay thai?), whip-smart, snarky joy. Readers will follow her anywhere, no matter how dangerous. Dark and thrilling. —Kirkus When her FBI agent father is framed for murder, Kylene is forced to move in with her grandfather, back to the small town that turned its back on her, and the boy who betrayed her. All Ky cares about is clearing her father's name, but someone won't let her forget the photo scandal that drove her away two years ago. As the threats gain momentum, Ky finds an unlikely ally in the rookie FBI agent sent to keep an eye on her. Determined to expose the town's hidden skeletons, Ky unwittingly thrusts herself into a much bigger plot. They thought she'd forgive and forget. They're about to learn they messed with the wrong girl. A quick-witted heroine, a fast-paced plot, and a twisty whodunit mystery kept me on my toes. Fans of Riverdale will adore Kylene Danners and devour this suspenseful story. —USA Today bestselling author K.A. A Moonpekiian Summer J. J. N. Whitley, 2022-05-04 After helping defeat Abner, the Fox Lords and Ladies at the Jade City form a plan to find Jal and the remnants of Abner's resistance. There are just a couple of problems. One, there is no more resistance. Two, Jal died. And Ultreon knows that. In Vitro Jim Ford, 2014-07-03 Nobody likes a loan shark and the list of people who wanted Ged Salkeld dead would fill the Newcastle phone book. But who would go to the extreme of torching his house while his wife and kids were sleeping upstairs? This is the question facing DCI Theo Vos and his team of detectives from the Bug House as they search through the charred wreckage for clues to the identity of a cold-blooded multiple murderer. Newcastle, it seems, is a city up to its eyes in debt and, for once, there is not shortage of suspects. But are the dead as innocent as they seem?

Trouble Won't Wait Autumn Piper, 2014-06-09 Good things may come to those who wait, but trouble waits for no one... Cheating is a dealbreaker...or so Mandy has always thought. But when she catches her husband getting some "strange," she realizes how hard it is to cut and run, or even file papers. She agrees to a month of counseling, which will give her time to grieve the loss of her marriage before she has to tell the world—and the kids. Then she meets Adam, who gives her a hunky, if mysterious, shoulder to cry on, and that thirty-day waiting period seems like an eternity. Adam has no problem confessing that he's watched Mandy from his window for months as she runs by his house. If he told her why, though, she'd freak out for

sure. He knows they've got a future together, if he can think of a way to explain his past. And he's sure the rat-bastard who cheated on her is putting the moves on her again, but he won't be the revenge guy. The month-long cooling off period she agreed to is lasting forever, and might just be indefinite, if trouble keeps getting in their way. CONTENT WARNING: Eccentric old lady pushing salt-of-the-earth advice, bossy big brother, kooky counselor, super-secretive hunk, and perfect justice served amidst adult situations and language.

She gives us insight on how children experience and process life. Bessie helps us to understand that children take in everything—they take on the problems of the adults in their life. Sometimes they even take on the blame. Will Bessie overcome her guilt?

Have You Got Five Minutes? Opal Belieu,2021-08-04 I picked this title because I have been writing poetry since I was thirteen years old, and I figured it takes two minutes for someone to read the poem and three minutes to grasp the meaning of the poems and ponder its meaning. That is why my title is *Have You Got Five Minutes*. As we know, a lot can happen in five minutes. You can fall in love. You can fall down the stairs. You can fall off your rocker, or you can fall into insanity. But if you really think about it, almost anything in life can happen in just five minutes. So I hope you take five minutes to enjoy one or all of my poetry. I hope that it moves you in a way and defines you both spiritually and emotionally blessed. As I have been writing poetry for so long, sometimes my words slip away from me. Sometimes, my pen is quicker than my brain, and I go off on my tangents. I hope everyone enjoys reading this book as much as I have enjoyed writing it.
