Lyrics of My Life Branden James,2020-09-08 The world was not the least bit surprised when Branden James became a finalist on Season 8 of America's Got Talent, receiving high praise from the judges for his emotional, operatic vocals. During his time in the spotlight, he hit more than one perfect note. Coming out and sharing intimate details of his broken ties with his religious family on the show, he received countless messages from fans who could relate to his personal struggles. Through it all, Branden was surprised by one startling realization: how vital it was for him to be completely authentic in order to help others and continue to heal himself. Branden continued to inspire his fans and kindred spirits by publicly sharing further stories of struggling with depression, overcoming the tumultuous time when he contracted HIV, and being a victim of sexual assault, all while still identifying with the Christian faith. *Lyrics of My Life* is authentically Branden: a memoir highlighting the conflicts of growing up gay in a world that looked upon his true self and beliefs as an impractical, sinful way of life. Branden spares no details about his unstable life as a young adult, estrangement from his close-knit family, and, despite it all, his unbreakable will to overcome adversity. In a quest for his own personal freedom, Branden finds reconciliation with his family, rediscovers his faith, and realizes that affliction and hardship are not what define us as human beings.

Lyrics in Search of Music Terry L. Rath,2018-11-20 I have composed the following collection of poetry for more than four decades. This is my second published book of verse. Once again, it has been inspired by people, places, and life episodes that have been a large part of my life. Writing has become a great passion for me, as it occupies such a large part of my life. In this book, I cover several darker subjects from the less popular side of life that I didn't feature, in depth, in my first book. Working in downtown Denver for more than ten years, I encountered people that were struggling to just survive rather than actually living life. My goal, in compiling this collection, is to present a strong mix of poetic subjects. —Terry L. Rath

Introspection Regina (Regana) McKinney-McGee.,2014-01-08 Gina Phillips is hiding her pain. While her work takes her all over the world, she attempts to follow Gods laws and love her family. Even so, she is battling internal demons that have

caused her to push her dreams aside and live a lie. The truth is that no one really knows her. Gina has taken it upon herself to dispense justice in her own way. As she meets one man after the other, she feels nothing as she sleeps with them, steals their identification, and leaves them with something that will change their lives forever. No one knows what she is taking or giving to the unsuspecting men except God. But even as Gina continues down a dark path lined with deceit, a piece of her soul seeks deliverance from the hidden secrets that have left her ashamed, alone in her pain, and without peace. Now only time will tell if her secret will ever be exposed. Introspection is the poignant story of a struggle between morality and retribution as a woman with deep secrets embarks on a life-changing journey to seek justice from unwary souls.

P.G. Wodehouse in His Own Words Barry Day, Tony Ring, 2012-08-07 This unorthodox biography of "the greatest comic writer ever" collects Wodehouse's witty and revealing commentary on his own life story (Douglas Adams). As creator of memorable comic characters, including the immortal Jeeves and Wooster, P.G. Wodehouse was one of the most beloved and influential authors of the 20th century. This sparkling volume draws on Wodehouse's autobiographical writings, as well as personal letters and interview transcripts to present the author's life story as only he could tell it. Quotations from a literary career spanning more than seventy years are arranged in chapters that move from childhood to school years and on to various preoccupations of the grown man. A linking narrative—skillfully supplied by Wodehouse aficionado Barry Day and former President of the International Wodehouse Society Tony Ring—ties all the material together. Full of Wodehouse's scintillating wordplay and comedy, *P.G. Wodehouse in His Own Words* is essential reading for any Wodehouse fan.

The Seller of Secrets Kathleen Rose Morgan, 2025-07-30 Mother was an emotionally damaged woman shrouded in depression and dark secrets. Father was a man plagued by alcoholism who lived in a state of drunken evasion for many years before jumping ship. Kathleen Rose Morgan was born into this troubled family and merged with a community plagued by

toxic male aggression, submissive women, wannabe Mafia brutes, charlatan holy men and women, and lurid and criminal goings-on—all made possible by cheek-turners, complicit and fearful enablers, and an ever-present, overarching code of silence. This is the story of the poignant journey Kathleen embarks upon after the long-hidden details of her trauma finally come to light—a quest to seek deep healing through truth, nature, energy medicine, and after-death communication. After a shocking deathbed confession from Mother, Kathleen's healing path joins an investigation into a shadowy past where the puzzle of repressed memories and childhood secrets is painstakingly assembled. Raw and intense, *The Seller of Secrets* is a memoir of how early adverse experiences shape a fractured life with limitations, and how freeing oneself from fear and the muteness of shame is the key to true happiness.

Does the Woman of My Dreams Exist? Phillip Parcheminer, 2022-11-02 Does the Woman of My Dreams exist? This is the question that I am asking the universe as I write my second book. I doubted the existence of the woman of my dreams when I started to write my second book. I doubted her existence because of how cruel the rest of the world could be to someone with social anxiety. I thought my years of being bullied were over before the writing of my second book. Then the bullying started all over again after I was somehow able to find the courage to let one of my angels know how I felt about her. This vilification led me into another pit of darkness. It had me believing it was wrong to love beautiful women. Yet my love for beautiful women was also the only thing to keep me alive.
