**I Don't Give a F\*\*\*!** Prem Dayal,2015-11-02 I DON'T GIVE A F\*\*\*! American Mantras to Free the Spirit (A Roadmap to

Enlightenment for Godless Mystics). Good old Socrates said: all I know is that I know nothing. If Socrates didn't know it, imagine what it is that I don't know! But there are a hell of a lot of people who say they know a lot, and are therefore much smarter than I and even smarter than Socrates, who certainly would not be someone to be ashamed of as a classmate. There are those who speak with angels, who speak with the dead, with forest creatures, extraterrestrials, goblins and animals... and the luckiest of all speak long distance with God. Sadly, it often happens that these same people, found talking candidly with ghosts, plants, UFOs, sheep, cows and all types of beasts, have serious difficulty communicating with their own children, their partners or with the valet parking dude.

*Cottage Lake Soliloquy* John E. Shephard Jr., 2010-08-10 *Cottage Lake Soliloquy* is a guide to spiritual enlightenment in the form of a novel. It is primarily a tale of transformation about a year in the lives of two people, husband and wife, as they confront personal and professional challenges with their children on a lake in the woods in the small town of Forestville. The narrative unfolds through alternating chapters on each protagonist while weaving their stories together. Jay, a psychotherapist, and Bea, the head of a Student-Exchange company, encounter Leroy, part psychic part teacher, who guides them on a journey of self-realization through a series of dialogues by using their problems as opportunities for growth. Elements of the story include intense and insightful therapy sessions, lush and lyrical descriptions of nature, travel to foreign lands, alcohol and drug use, romance, intrigue, deception and betrayal. A handbook to awakening, the saga intertwines poetry, songs, quotations, essays and stream of consciousness thought in a unique and engrossing style of epic proportions while leading the reader towards his or her own spiritual awareness.

**Dynamics of Bible Holiness** George Mfula, 2022-03-14 I have had many people in my life, ask me lots of questions about the highway to greatness. Well, as much as we can celebrate the gifts and anointing upon our lives, still one thing stands tall above everything. Holiness stands tall above all things! Without holiness, no one can see God, no matter how anointed or educated you are. In this book, Pastor Mfula communicates deep things concerning holiness. Holiness is not an option, but a must! Salvation gives you a passport to go to Heaven, but it is holiness that gives you the passport to see God. That is why Jesus mentioned in Scripture that those who will endure up to the end shall be saved (Matthew 24:13). I pray God will open your spiritual eyes to spiritual truth in Christ Jesus. Get this book! You will learn how to maintain God's presence in your life. It will help you understand how to walk in the fear of God. In the Kingdom of God, you don't derive your greatness from the gifts you have, but from the fear that you have developed for God. May God bless you!!

*The Westminster Pulpit vol. III* G. Campbell Morgan, 2012-02-06 G. Campbell Morgan Reprint Series Foreword If it is true that the measure of a person's greatness is their influence, not only on his own time but on future generations, G. Campbell Morgan must be regarded as a great person. His greatness is seen not only in the wide impact of his ministry on both sides of the Atlantic, but in the fact that his books are still read and studied sixty-five years after his death. Named one of the ten greatest preachers of the twentieth-century by the contributing board of Preaching magazine, Morgan made the Bible a new and living book not only to the congregations who listened to him, but the vast multitude of persons who read his books. For sixty-seven years Morgan preached and taught the Scriptures and served churches in England and the United States. What is remarkable is that his commentaries and expositions of the Bible still speak to persons of a new millennium. There have been many changes in the world since he faithfully preached and taught the Scriptures, but the wide appeal of his books testify to the timelessness of his message. Although he held pastorates in the Congregational and Presbyterian denominations, he had an ecumenical appeal to persons of all denominations and traditions. The mystic Thomas á Kempis once wrote, He to whom the eternal word speaks is delivered from many opinions. In one of his sermons, he referred to the words of Amos that there would be a famine for hearing the word of God (Amos 8:11). The timeless work of G. Campbell Morgan addresses that hunger, as his books enable his readers to get beyond opinions to the living Word. Wipf and Stock Publishers have rendered a great gift to the religious world in reprinting dozens of Morgan's books. This growing collection makes his books more available, so that readers have an option other than searching the internet for used, and often expensive, copies. Among this collection is the classic *The Great Physician* and commentaries on the Gospel of Matthew and John. Persons seeking a living faith and a meaningful encounter with God would profit from reading any of these Morgan books. Near the end of his ministry, in a sermon entitled *But One Thing*, Morgan commented on how Portugal changed the words of a coin after Christopher Columbus discovered America. No longer did the inscription say, *Ne Plus Ultra* (nothing more beyond) but *Plus*

Ultra (more beyond). It is the hope of the G. Campbell Morgan Trust that the reprint- ing of these books will bring readers to the more beyond, and an even deeper encounter with the Word in Scripture. The Morgan Trust Richard L. Morgan Howard C. Morgan John C. Morgan
