Children as Victims, Witnesses, and Offenders Bette L. Bottoms, Cynthia J. Najdowski, Gail S. Goodman, 2009-08-10
Grounded in the latest clinical and developmental knowledge, this book brings together leading authorities to examine the critical issues that arise when children and adolescents become involved in the justice system. Chapters explore young people's capacities, competencies, and special vulnerabilities as victims, witnesses, and defendants. Key topics include the reliability of children's abuse disclosures, eyewitness testimony, interviews, and confessions; the evolving role of the expert witness; the psychological impact of trauma and of legal involvement; factors that shape jurors' perceptions of children; and what works in rehabilitating juvenile offenders. Policies and practices that are not supported by science are identified, and approaches to improving them are discussed.

Cruel Sacrifice Aphrodite Jones, 2005-05 On a freezing January in 1992, five teenage girls crowded into a car. By the end of the night, only four of them were alive. The fifth had been tortured and mutilated nearly beyond recognition. Her name was Shanda Sharer; her age-twelve. When the people of Madison, Indiana heard that a brutal murder had been committed in their midst, they were stunned. Then the story became even more bizarre. The four accused murderers were all girls under the age of eighteen: Melinda Loveless, Laurle Tackett, Hope Rippey, and Toni Lawrence. Here, for the first time, veteran true crime journalist Aphrodite Jones reveals the shocking truth behind the most savage crime in Indiana history—a tragic story of twisted love and insane jealousy, lesbianism, brutal child abuse, and sadistic ritual killing in small-town America...and of the young innocent who paid the ultimate price.

Quand les enfants tuent! Christian Page, 2024-03-13T00:00:00-04:00 À 11 ans, Mary Bell imagine des jeux divertissants. Ce qui la fait bien rire? Étrangler les bambins du voisinage. Le petit James, deux ans, échappe à la surveillance de sa mère. Il est retrouvé sans vie et affreusement mutilé sur une voie ferrée. Ses bourreaux? Deux gamins de 10 ans. Lundi matin, 8 h 30. La cloche sonne à l'école. Pour Brenda Ann Spencer, 16 ans, c'est l'heure de tirer sur les élèves. La jeune Wendy Gardner n'a que faire de la morale de sa grand-mère. À 12 ans, elle veut fréquenter des garçons. Mamie ne gagnera pas. Pierre Folliot, 14 ans, s'apprête à faire ses devoirs. Mais il change d'idée. Il va plutôt tuer toute sa famille... en écoutant Shrek. Et 25 autres

histoires vraies et choquantes où les enfants ne sont pas que des «petits monstres» : ce sont des monstres tout court.

Crimes of the Centuries Steven Chermak Ph.D., Frankie Y. Bailey, 2016-01-25 This multivolume resource is the most extensive reference of its kind, offering a comprehensive summary of the misdeeds, perpetrators, and victims involved in the most memorable crime events in American history. This unique reference features the most famous crimes and trials in the United States since colonial times. Three comprehensive volumes focus on the most notorious and historically significant crimes that have influenced America's justice system, including the life and wrongdoing of Lizzie Borden, the bombing of the Sixteenth Street Baptist Church, the killing spree and execution of Ted Bundy, and the Columbine High School shootings. Organized by case, the work includes a chronology of major unlawful deeds, fascinating primary source documents, dozens of sidebars with case trivia and little-known facts, and an overview of crimes that have shaped criminal justice in the United States over several centuries. Each of the 500 entries provides information about the crime, the perpetrators, and those affected by the misconduct, along with a short bibliography to extend learning opportunities. The set addresses a breadth of famous trials across American history, including the Salem witch trials, the conviction of Sacco and Vanzetti, and the prosecution of O. J. Simpson.

Community Policing Victor E. Kappeler, Larry K. Gaines, 2010-06-07 This text explores community policing — a philosophy and an organizational strategy that expands the traditional police mandate. It broadens the focus of fighting crime to include solving community problems, urging police to form a partnership with the people in the community so average citizens can contribute to the police process in exchange for their support and participation. Now includes a chapter on Community Crime Prevention. Profiles feature community policing programs in various cities, and problem-solving case studies cover special topics. Includes: The Ten Principles of Community Policing. Includes ten principles of community policing, profiles in community policing, and problem-solving case studies.

Ils sont passés à l'acte Liv, 2021-10-20 Un père de famille aimant assassine ses deux filles, un brillant étudiant dévore sa petite amie, une adolescente révoltée fait exécuter ses parents, un groupe de collégiennes met à mort l'une d'entre elles... Résolues ou irrésolues, françaises ou internationales, cet ouvrage fait le récit glaçant de 13 affaires criminelles hors du commun vues de l'intérieur. Meurtre, cannibalisme, viol, séquestration... Que se passe-t-il dans la tête du tueur et dans celle de la victime au moment du passage à l'acte ? En mêlant fiction et réalité, l'auteure nous fait vivre une expérience psychologique à couper le souffle et nous conduit aux portes de l'horreur. Grace à son talent de conteuse, elle nous immerge dans la peau des protagonistes et nous conduit, pas à pas, sur la scène du crime. « Le livre que vous avez entre les mains,

m'a immédiatement passionné. Le souvenir de *De sang-froid*, premier roman de non-fiction, m'a accompagné tout au long des histoires que raconte Liv avec talent. » Jacques Pradel

Summary of Michael Quinlan's Little Lost Angel Everest Media,2022-05-13T22:59:00Z Please note: This is a companion version & not the original book. Sample Book Insights: #1 Shanda Sharer, 12, was excited to be going to a different school. She was terrified of not fitting in, as she'd heard there were hoods, pretty girls, and all-that guys at Hazelwood. #2 Shanda was enrolled in Hazelwood Junior High, which had twice as many students in just the seventh and eighth grades than St. Paul had in the entire school. She was excited about her new home, but her mother, Jacque, had reservations about the school. #3 New Albany, Indiana, was a town that seemed to be immune to the violence that plagued bigger cities. It was a slice of small-town America, where people took life as it came and raised their children without fear. #4 When Shanda came home from her first day of school, she was brimming with good news. She loved Hazelwood. Her teachers were nice, and she had already met some friendly boys and girls. But it was just two days later that Jacque received a call from the school's assistant principal. Shanda had been in a fight with another girl.

Summary of Aphrodite Jones's Cruel Sacrifice Everest Media,2022-07-30T23:00:00Z Please note: This is a companion version & not the original book. Sample Book Insights: #1 The three girls drove to the castle, which was better known as Mistletoe Falls. It was a place of ruins, with a stone altar and an inscription about death. The place felt ominous to the girls. #2 The girls took Shanda back to the car and continued their interrogation. They took her to a dark dungeon near Laurie's house, where they threatened to bury her bones. #3 On the way to the gas station, Toni had a strange encounter with two guys in a blue convertible. They struck up a conversation, and Toni joked about them taking her home with them. She asked them if they were headed toward Madison. They said they weren't. #4 The girls stopped at Laurie's house. Laurie went into the kitchen and got some Pepsi, then brought it up to her bedroom for everyone to drink. She had on a long dark-colored trench coat similar to Melinda's.

Green Eyed Monster Brian Lee Tucker,2017-04-23 It starts with a thrumming in Shanda's ears, a sound very much like the thick, coursing current of a river swelling its' banks. Gradually she becomes aware that the frantic pulse is not water, but blood rushing through her veins, echoing in the pitch- black cavern of her inner ear. The deafening thunder grows louder, terror wrapping its icy fingers around her pounding heart until she fears she may drown in her own blood. Louder, and fiercer, it doubles, and triples in intensity. Abruptly, all falls silent. Except for the laughter. Still entombed in flames, she gasps for breath, but instead of fresh air she swallows fire. And then it starts. A scream pierces her to the core. And then another. Another. Her own screaming as she knows she is burning alive. And in the distance, but still audible, the laughter again. Then, mercifully, she lapses into unconsciousness. # The nightmare that 12-year-old Shanda Sharer had to endure was beyond horrifying. Kidnapped and beaten, stabbed, tortured, and then burned alive by her assailants, one can only imagine the horror she suffered in the last moments of her life. Her attackers, four teenagers who, following the instructions of a girl who was motivated just by pure, selfish jealousy - gladly joined in the horrible murder plot, without even an inkling of sorrow or remorse for their victim. Based on the true story of 12-year-old Shanda Sharer, whose murder gained nationwide notoriety, GREEN EYED MONSTER provides a terrifying glimpse into the minds of her killers, young girls who had led such horrible home lives, themselves victims of sexual and ritual abuse, and eventually descended into a life of sexual promiscuity, drugs, alcohol, self-harm, and physical violence.
