**Speak of Me As I Am** Sonia Belasco, 2017-04-04 A moving story of grief, honesty, and the healing power of art — the ties that bind us together, even when those we love are gone. Melanie and Damon are both living in the shadow of loss. For Melanie, it's the loss of her larger-than-life artist mother, taken by cancer well before her time. For Damon, it's the loss of his best friend, Carlos, who took his own life. As they struggle to fill the empty spaces their loved ones left behind, fate conspires to bring them together. Damon takes pictures with Carlos's camera to try to understand his choices, and Melanie begins painting as a way of feeling closer to her mother. But when the two join their school's production of *Othello*, the play they both hoped would be a distraction becomes a test of who they truly are, both together and on their own. And more than anything else, they discover that it just might be possible to live their lives without completely letting go of their sadness. Praise for *Speak of Me As I Am*: Debut author Belasco adeptly captures the tribulations of high school life while also celebrating art's ability to help clarify and contextualize its joys and sorrows. . . . The novel's most intriguing character . . . is grief itself, which the author illuminates, examines, and dissects with a surgeon's precision and the gentle touch of an artist. A stirring account of the trials of adolescence. —Kirkus Reviews This book will undoubtedly be compared to Rainbow Rowell's *Eleanor & Park*. . . . Teens seeking a quieter but no less moving story will find this book a perfect read. —Booklist Never maudlin, always authentic, the portrayal of their struggles to deal with grief and with love will resonate with many teens. —VOYA A good purchase for realistic fiction collections and for readers looking for books about survivor's guilt and healing. —School Library Journal Belasco's novel sends a powerful message about the complicated nature of grief. . . . This powerful, emotional work should be earmarked to be a favorite with teen readers. —BookPage

Seraphina and Alessandro are pure combustible chemistry—this book devoured me. — Reader Review My name is Alessandro Moretti, and I built my kingdom with iron fists and bloodstained deals. Her silence cuts deeper than screams. And the deeper I fall, the more I crave her ruin... or my own. She thinks marriage to a monster will save her sisters. She doesn't realize: she just married the devil himself. And now that she's mine, I'll burn the world before I ever let her go. If he can successfully take over his father's pack, Alec will finally have a chance to make changes for the better, but he wouldn't be the first person to be corrupted by that kind of power. Human teenager Adri Paige is only days away from manifesting a supernatural ability that is as powerful as it is terrifying. Her only hope of survival lies in mastering her gift before it lures dark forces into her life. Separately, Alec and Adri have no chance of seeing another year. Together they just might be able to save the world. This omnibus edition includes the first three novels in the popular Dark Reflections Series (which has received more than 300 4- & 5-star reviews), and is nearly 800 pages of action, danger and romance set in one of the richest, most complex worlds in the genre. This Bundle includes: *Bound*: The only thing worse than having no family at all, is having a family that is out to hurt you. That would all be bad enough for a normal 17-year-old, but it's even worse for Alec Graves. A shape shifter's pack, his family, is the only thing stopping the other preternatural creatures out there from killing them. Alec's pack isn't just neglectful, he's pretty sure that his father wants him dead. Alec is about to be sent to the front lines of a war between his people and

everything else that goes bump in the night. His only chance of survival is to convince everyone around him that he's the perfect soldier, but there are lines that Alec won't cross, not for any price. **Hunted: The Perfect Weapon:** Adri Paige can visit people inside of their dreams, where they are defenseless. **The Ultimate Spy:** Adri's power lets her ferret out anyone's secrets and even influence their waking actions. **The World's Biggest Prize:** Adri's power comes with a price. Taggart has promised to train Adri, but he's got even more enemies than she does and there's no guarantee that he'll be able to keep her from being caught in the crossfire. More than anything else, Adri wants to talk to shape shifter Alec Graves, but he's gone strangely silent. There's no way for Adri to know if that's because he's no longer interested in her, or if it's simply because he's still on the run from his ruthless father, Kaleb. As enemies both new and old start closing in on Adri, she's starting to worry that she might be forced into choosing between Taggart, the man who saved her life, and Alec, the guy to whom she feels inexplicably connected. **Publisher's Note:** Dean Murray's ongoing Reflection Series has been a stunning success with more than half a million copies in circulation, and a rich, complex world where choices—right or wrong—have real, profound consequences.
