

Diccionario Marítimo Inglés Español

Juan Alfaro Pérez

Diccionario enciclopédico marítimo Inglés-Español DELGADO LALLEMAND, LUIS, 2010-01-01 Dentro de los diccionarios profesionales se echaba en falta un buen diccionario náutico. Ya sea porque la extensión de la obra no facilitaba que alguien se pusiera a la obra, o por la dificultad de la misma, ese vacío se quedaba sin cubrir. Gracias a la dedicación de D. Luis Delgado, catedrático de la Universidad de Las Palmas, con más de tres años de trabajo dedicados a este libro, podemos presentar un libro, al que hemos tenido que cambiar el título, por méritos propios, pues ha pasado de llamarse Diccionario Náutico, al título definitivo de Diccionario Enciclopédico Marítimo, con la seguridad de que va a ser un libro muy útil a todos los que necesiten conocer el vocabulario náutico. En este volumen se presentan miles de vocablos con su traslado al inglés profesional.

Diccionario marítimo cuadrilingüe Español - Inglés - Francés - Italiano Jean-Luc Garnier, 2020-12-30 * La navegación posee un vocabulario rico y a menudo poético —«largar el rizo», «proa al viento», «ceñir a rabiar»— que todo navegante debe conocer. * Sin embargo, la mar siempre ha sido un espacio de libertad en el que las fronteras tienen poco sentido. Desde la Antigüedad las embarcaciones han surcado los océanos y han arribado a los puertos de un sinfín de países. No son extrañas a los oídos de un marino expresiones francesas, inglesas, españolas o italianas con las que definir los elementos de un barco y las acciones necesarias para gobernar una nave. * Por ello, es imprescindible conocer la terminología en estos cuatro idiomas para desenvolverse perfectamente y comprender un mensaje radiado, designar una maniobra, leer una carta marina o adquirir una pieza de la maquinaria en un puerto extranjero. * Organizado en diecisiete capítulos diferentes que recogen desde las partes de la embarcación hasta las actividades maríneas más importantes, este diccionario define más de 1.500 términos de navegación e indica sus equivalentes en inglés, francés e italiano. * Claro, de fácil consulta y profusamente ilustrado, este diccionario cuadrilingüe se dirige a quienes deseen cruzar el horizonte y recalar en otros puertos.
