«**Svadhithana chakra**» Oris Oris, 2000-01-01 The weaknesses of our sex education have led to the fact that most people, even if they feel a deep sensual attraction, instead of beginning a heartfelt spiritual exploration of each other in the process of intimate interaction and accumulation of sexual energy, instead, close their heart centers and turn the unique opportunity of highly sensual admiration into a trivial sexual act. Unfortunately, the creators of the lower-astral and dense-material types of Reality benefit greatly from the fact that the prevailing majority of people completely incorrectly and perversely understand the very essence of SEXUAL INTERACTION. Sexual interaction in fact is a spiritual intimate process which, if properly understood, contributes to a stronger contact between a person and his inner Essence and contributes to a more highly-sensual and deeply soulful manifestation of the person. Love is the real Symbol of the Age of Transfiguration that is coming on Earth! And the mysterious «sacred key» to the Gate of Spiritual Transformation is not somewhere in the cosmic infinity and unfathomable unknown, beyond our psychic capabilities, but in fact is located quite «nearby», or rather, in our own heart center AIGLILLIA, which is filled with the highest vibrations of Love literally towards every manifested aspect of the Life around us, including the strongest of all – the sexual one.

Book 5. «Extraterrestrials» Oris Oris,1998-01-01 They, the extraterrestrials, are working on our planet neither to conquer nor to enslave it, but with one single goal in mind: to slow down our rapid fall into the abyss of self-destruction, trying to bring to our Consciousnesses the moral, spiritual, social and scientific values accepted in the civilized Cosmos. Those few people who are able to perceive their Word of Truth do everything possible, even impossible, to bring it to the halfasleep Consciousnesses of the rest of mankind. Many «extraterrestrials» from Pleiades, Sirius, Andromeda and other civilizations of the «Light Ring» have been living among us for thousands of years, voluntarily giving up being in the Worlds of higher dimensions, just so that we, people of Earth, did not remain completely cut off from the Source, from Which all of us have come out, and to illuminate with the Knowledge of Truth the Path of spiritual ascent for Consciousnesses who no longer wish to abide in the sleep of illusion and the darkness of ignorance. The Books of Oris are an example of this Service.

«Muladhara Chakra» Oris Oris,2000-01-01 Functionally, the Argllaamuni-center (Muladhara) is closely connected with the psychological abilities of the physical body, which provide survival of the physical body and protection of a person from unfavorable external influences. A big role in the activation of the whole immune system belongs to this lower center. Its normal functioning gives a sense of physical health, well-being, self-confidence and stability. Imbalance and all kinds of muladhara «breakdowns» in the Aura, lead to the constant outflow of these energies and can cause a feel of insecurity, deep depression, lack of willpower, a sharp decline and energy loss, increased soreness in the lower and middle parts of the body, despondency and melancholy. This is particularly typical for those, who have not yet opened the karmic channels of the heart center or if karmic channels of the heart center are very weakly activated, which in order to switch the person to completely higher, spiritual levels of feeling and thinking. In such cases a person loses the purpose of his Life, as if he loses his roots and, purely intuitively, following the consciousnesses of the organs and body systems, completely surrenders himself to the satisfaction of his own lower desires in order to replenish the energies of the Argllaamuni center
