Heartiste on Game - Volume 2 Heartiste,2021-12-29 Chateau Heartiste, who started as a blog in 2007, has been one of the most influential bloggers of the 21th century. Many of the blog posts contained in this book have positively impacted the lives of thousands of men more than anyone else, and they contain what people now consider common knowledge about dating and the human nature. After the success of the book Heartiste of Game, this second volume aims to preserve for future readers more of the wisdom of the Chateau. It includes more of the best posts on game: an extensive range of game techniques, realtionship advice, an insight into some ugly truths about the sexual human nature and the Chateau's advice for women. All of it seasoned with its distinctive biting humor.

American Manifesto Bob Garfield,2020-01-14 Do you fear for our democracy? Are you ready to throw in the towel? DON'T! This is your guidebook to reassembling our hyperpolarized American society in 6 steps. The Peabody winner behind On the Media "examines the salient factors that shaped American politics prior to the 2016 election—and that continue to influence voter attitudes" (Booklist). As is often observed, Trump is a symptom of a virus that has been incubating for at least 50 years. But not often observed is where the virus is imbedded: in the psychic core of our identity. In American Manifesto: Saving Democracy from Villains, Vandals, and Ourselves, popular media personality Bob Garfield examines the tragic confluence of the American preoccupation with identity and the catastrophic disintegration of the mass media. Garfield investigates how we've gotten to this moment when our identity is threatened by both the left and the right, when e pluribus unum is no longer a source of national pride, and why, when looking through this lens of identity, the rise of Trumpism is no surprise. Overlaying this crisis is the rise of the Facebook-Google duopoly and the filter bubble of social media, where identity is insular and immutable. But fear not! WNYC's On the Media cohost Garfield has ideas about how we may counter the forces of fragmentation—the manifesto itself: 6 steps to take to reassemble our fractured society. A quick, fascinating read, American Manifesto offers not only a vision of a country in extremis, but also a plan for how to address the ways in which our democracy is imperiled. Provocative, profound, and sometimes hilariously profane, American Manifesto is a call to action like no other.
