Life in Words Elisa Valdes, 2016-05-17 Back Cover Summary Life in Words is a written description of my experiences and the experiences of others, my faith and dreams, my attempts to reach those in despair, to entertain, to make the reader think, to motivate involvement. There is also humor in a humble attempt to help ease stress and help to adapt to the inevitable. It is written with simplicity and much respect for the reader with a sincere approach to reach and attract those who do not enjoy reading poetry. There is definitely a poem for as many types of individuals I have come in contact all my years, topics like sports, the environment, love, motherhood, fatherhood, painful social issues. This work is the product of a childhood dream that went asleep for decades then materialized in a matter of seconds. I hope it serves as a catalyst in the lives of those who are about to give up or those who have stopped dreaming because of age or obstacles. For those reasons and for just about everything under the sun, Life in Words will speak to the readers as they witness the dream of a little girl and the accomplishment of the woman. It's never too late when you believe.

A New and Complete Concordance Or Verbal Index to Words, Phrases, & Passages in the Dramatic Works of Shakespeare John Bartlett, 1889

Toasting the Bride Benneth Nnaedozie Okpala, 2003 In the matter of personal experience, I am qualified to write about

Africa & about America as well. In me, the phrase African-American is alive with vivid experiences. I have spent equal halves of my eventful life in Africa & in the USA. I have citizenship in both worlds & have been uniquely impacted by both through bouts of traumatic experiences. Presently & continuing, one-America-gets to house my body; the other-Africa- my soul. In the ensuing strange marriage of the two cultures, the line between the bride & bridegroom is fluid at best. I can, therefore, constructively praise &/or criticize both, interchangeably, w/ civilized equanimity & without fear, favor/shame. I can Toast the Bride, specific circumstance warranting. The book is to inform & to query alike. Although the material presented is predominantly a product of the African culture, it is not parochially African in its view of human life & Nature; nor in the content of the personal experiences presented. The book draws heavily from the literary wisdoms of philosophers to articulate the language & extract a body of knowledge suitable for describing, & coincidental to expressing, the deeper side of personal life experiences. It also juxtaposes traditional African spiritual idealism with modern American material realism to establish context. The reader is not to equate the different chapters as simple matching titles of the knowledge they contain. Although these chapters are meaningful & intelligible in themselves, the reader is persuaded to accumulate them progressively as the background necessary for understanding the relation of each to the whole. Toasting the Bride challenges the reader to know more about certain naked hypocrisies of the American legal system & to formulate educated personal opinions about the American social culture and to imbibe some universal lessons of life by partaking in the more vivid accounts of my personal experiences; & by pondering on the harder questions of living.

In My Own Words Susan Leslie Gowdie, 2018-06-25 This is a selection of simple poems I have written over the years from the time I was a teenager until I was in my thirties. These poems are made up from years of tears and fears as well as prayer, love, and hope. I always had a thing about dating my poems to jog my memory about what I was experiencing at that time. It took me back through the years to see the journey I was on. At the worst of times, I wrote poetry to rid me of my fears and help me through some awful darkness when I thought I was going to lose my mind. More importantly, writing poetry was about my faith and my relationship with God. This has been a foundation for me. It has kept me going and kept me from going insane (even though I am still crazy). I hope my poems will help even one reader find a place, a dream, a goal, or an answer in life.
