

Long Nose Japanese Mask Meaning

Emiko Ohnuki-Tierney

The animal in Far Eastern art and especially in the art of the Japanese netsuke, with references to Chinese origins, traditions, legends, and art T. Volker, 2023-06-05

Japanese Myths Melanie Clegg, 2023-11-06 Illustrated with 150 photographs and artworks, Japanese Myths is an accessible, entertaining and highly informative exploration of everything from the kami holy spirits venerated in Shinto religion to the divine origins of the Japanese imperial family.

The Japan Magazine, 1915

The Problem of Lemuria Lewis Spence, 2002-07-15 Presents evidence that an advanced civilization once existed in the area of the Pacific Ocean in ancient times but has since vanished due to cataclysmic activity. Reveals supporting evidence from many disciplines including geology, archaeology, mythology, biology, linguistics (including word origins), and the transmission of various customs.

Culture Through Time Emiko Ohnuki-Tierney, 1990 Anthropological literature has traditionally been static and synchronic, only occasionally according a role to historical processes. But recent years have seen a burgeoning exchange between anthropology and history, each field taking on a powerful new dimension in consequence. Just what this means for anthropologists has not been clear, and this collection (eight core papers plus introduction and final commentary) introduces focus and direction to this interface between anthropology challenges several basic assumptions long held by anthropologists. Researchers can no longer be satisfied with approaches epitomized in 'the ethnographic present'. Society may be a bounded entity, but culture cannot be treated as such; a culture should be examined as it has interacted with other cultures and with its environment over time. Many traditionalists in anthropology, faced with these disturbing new challenges, fear the disintegration of the discipline; but these thoughtful papers demonstrate, on the contrary, its vitality, growth, and promise. In this volume, major figures in symbolic/semiotic anthropology offer various approaches to examining culture through time - culture mediated by history and history mediated by culture - in its complexity and dynamics. The eight core papers focus on particular cultures in various locales: Hawaii, Nepal, Spain, Japan, Israel, India, and Indonesia. No artificial unity - theoretical, thematic, or epistemological - has been imposed. The strength of the volume derives from a complementary diversity and tension, as each player, drawing on a particular culture, offers an original way of penetrating

that culture's historical dimensions.

Japan And Things Japanese Mock Joya, 2017-07-12 First published in 2006. For over fifty years, the Japanese-born Western-trained author of this remarkable volume devoted himself to explaining Japanese traditions and customs to foreigners through his newspaper columns, talks and four short books. The comprehensive work presented here, drawn from all these sources deals with all aspects of Japanese life and material culture - apparel and utensils; cures and medicines; houses and buildings; fetes and festivals; fish, birds and animals; folk tales; food, sake and tobacco; living habits; marriage, funerals and memorials; natural phenomena; plants and flowers; popular beliefs and traditions; recreation and entertainment; religious rites and social customs. With over seven hundred and thirty separate entries, this unique volume is the definitive work on all Japanese things.

Complete Guide to Japanese Kanji Christopher Seely, Kenneth G. Henshall, 2016-03-22 Learn over 2,000 Japanese Kanji characters with this user-friendly Japanese language-learning book. This unique Kanji study guide provides a comprehensive introduction to all the Kanji characters on the Japanese Ministry of Education's official Joyo (General Use) list - providing detailed notes on the historical development of each character as well as all information needed by students to read and write them. As fascinating as it is useful, this is the book every Japanese language learner keeps on his or her desk and visits over and over. This Kanji book includes: Clear, large-sized entries All of the General Use Joyo Kanji Characters Japanese readings and English meanings stroke-count stroke order usage examples mnemonic hints for easy memorization The components which make up each character are detailed, and the Kanji are graded in difficulty according to Ministry of Education guidelines, allowing students to prioritize the order in which the Kanji are learned and track their progress. This book is essential to anyone who is planning to take the official Japanese Language Proficiency Test (JLPT) and will appeal to beginning students as well as those who wish to attain higher-level mastery of the Japanese language. It is the only book that also provides historical and etymological information about the Japanese Kanji. This latest edition has been updated to include all of the 2,136 Kanji on the expanded Joyo list issued by the Japanese government in 2010. Many entries have been revised to include the most recent research on character etymologies.

Japanese Theater in the World James R. Brandon, 1997 Catalog of the largest exhibition of the century to focus on Japanese theater, this extraordinary volume illustrates over 700 objects, covering the whole range of Japanese theater and its history.

[Atlas of Paranormal Places](#) Evelyn Hollow, 2024-09-03 Uncover fascinating paranormal activity on this chilling, nerve-wracking global tour of 100 haunted locations. Set out on a uniquely dark armchair journey, and witness the shocking supernatural events, ghosts and unexplained phenomena that have captivated humankind for as long as we have told stories to each other, looked to the skies, and wondered whether we really are alone... The paranormal places include: The Island of

the Dolls in Mexico, where a haunted recluse has hung hundreds of creepy dolls from trees St. Augustine Lighthouse in Florida, USA, the eerie former home of three girls trapped beneath a wheelbarrow Gunnuhver Mud Pool in Iceland, infected by the spirit of a maddened criminal Turkmenistan's Door to Hell, an infernal crater still blazing after half a century Legends about spirits that rise from the dead, places where the crops don't grow, or sites where strange lights are seen at night... glaciers that bleed, ghost towns, crumbling castles, disused (and active) cemeteries, eerie forests, and freak nature patterns... This cursed collection covers these sites in all their mysterious glory, and recounts what happened, what continues to happen, and what may explain these phenomena. Hauntings, aliens, moving rocks, and all manner of paranormal activity are covered, in manmade as well as natural surroundings. You may not want to read it when you are alone...

The Monkey as Mirror Emiko Ohnuki-Tierney, 1987 This tripartite study of the monkey metaphor, the monkey performance, and the 'special status' people traces changes in Japanese culture from the eighth century to the present. During early periods of Japanese history the monkey's nearness to the human-animal boundary made it a revered mediator or an animal deity closest to humans. Later it became a scapegoat mocked for its vain efforts to behave in a human fashion. Modern Japanese have begun to see a new meaning in the monkey--a clown who turns itself into an object of laughter while challenging the basic assumptions of Japanese culture and society.

The Darker Mask Gary Phillips, Christopher Chambers, 2008-08-19 Wildly fantastic superhero stories by a cross section of today's cutting-edge urban fantasy and crime writers. Expanding on the concept behind Byron Preiss's *Weird Heroes* from the 1970s, George R. R. Martin's *Wild Card* series, and Michael Chabon's *McSweeney's Mammoth Treasury of Thrilling Tales*, *The Darker Mask* is a collection of original prose stories recalling the derring-do of the beings we call Superheroes and the worlds they fight to save. But unique to *The Darker Mask* stories is that these plots and characters color a literary universe outside of what has been predominantly white, idiosyncratic, and male in previous homages to pulp. This is the stuff of urban legends, new mythos, and extraordinary folks who might live in a soon-to-be-gentrified ghetto, the dreary rust-belt of the city, or in another dimension. *The Darker Mask* offers an eclectic mix of popular fiction writers exploring worlds gritty, visceral, and fantastic. Includes contributions from L. A. Banks, Steven Barnes and Tananarive Due, Lorenzo Carcaterra, Christopher Chambers, Reed Farrel Coleman, Michael A. Gonzales, Gar Anthony Haywood, Naomi Hirahara, Mat Johnson, Victor LaValle, Walter Mosley, Ann Nocenti, Gary Phillips, Jerry A. Rodrigues, Alexandra Sokoloff, Peter Spiegelman, Wayne L. Wilson, and Doselle Young. At the Publisher's request, this title is being sold without Digital Rights Management Software (DRM) applied.

Flowers That Kill Emiko Ohnuki-Tierney, 2015-08-12 Flowers are beautiful. People often communicate their love, sorrow, and other feelings to each other by offering flowers, like roses. Flowers can also be symbols of collective identity, as cherry blossoms are for the Japanese. But, are they also deceptive? Do people become aware when their meaning changes, perhaps as flowers are deployed by the state and dictators? Did people recognize that the roses they offered to Stalin and Hitler

became a propaganda tool? Or were they like the Japanese, who, including the soldiers, did not realize when the state told them to fall like cherry blossoms, it meant their deaths? *Flowers That Kill* proposes an entirely new theoretical understanding of the role of quotidian symbols and their political significance to understand how they lead people, if indirectly, to wars, violence, and even self-exclusion and self-destruction precisely because symbolic communication is full of ambiguity and opacity. Using a broad comparative approach, Emiko Ohnuki-Tierney illustrates how the aesthetic and multiple meanings of symbols, and at times symbols without images become possible sources for creating opacity which prevents people from recognizing the shifting meaning of the symbols.

Mission News, 1914

Body Studies Margo DeMello, 2013-12-17 In recent years, body studies has expanded rapidly, becoming an increasingly popular field of study within anthropology, sociology, and cultural studies. This groundbreaking textbook takes the topics and theories from these disciplines, and combines them into one single, easily accessible text for students. *Body Studies* is a comprehensive textbook on the social and cultural uses and meanings of the body, for use in undergraduate college courses. Its clear, accessible chapters explore, among other things: the measurement and classification of the human body illness and healing the racialized body the gendered body cultural perceptions of beauty new bodily technologies. This book investigates how power plays an important role in the uses, views, and shapes of the body—as well as how the body is invested with meaning. *Body Studies* provides a wealth of pedagogic features for ease of teaching and learning: ethnographic case studies, boxes covering contemporary controversies, news stories, and legislative issues, as well as chapter summaries, further reading recommendations, and key terms. This book will appeal to students and teachers of sociology, anthropology, cultural studies, women's studies, gender studies, and ethnic studies.

Kanban Alan Scott Pate, 2017-05-09 *Kanban*, a fusion of art and commerce, refers to the traditional signs Japanese merchants displayed on the streets to advertise their presence, denote the products and services to be found inside, as well as to give individual identity and expression to the shop itself. This book will trace the history of the shop sign in Japan, explore some of the businesses and trades represented, and help the reader travel back to the world of traditional Japan, made emblematic in the fascinating world of *kanban*--

The Great Eastern Temple John M. Rosenfield, 1986

Japanese Prehistory Nelly Naumann, 2000 The existing literature on Japanese prehistory is mostly focussed on describing material culture; this new study surveys the early artifacts and shows that they were either neglected in previous studies or reported of by unfounded and fantastic speculation. The author identifies prehistoric ideas concerning hunting and fishing, the cult of the dead, and the after-life. The cosmological implications of burial topography and stone-circles are as well examined as older written texts from other parts of the world aiding in elucidating the symbols recognized on these

remains. This helps to link the Jo-mon materials to other remains of similar or older age from the ancient Near East, China, the Pacific, and ancient America and proves that prehistoric Japan was never really isolated from the rest of the world. Although the method developed in this study, which rejects speculation and bases itself entirely on archaeological remains, permits only the elucidation of a part of the rich spiritual culture of prehistoric Japan; it reveals an abundance of new information concerning the most important religious ideas of mankind: the constant renewal of life, and the belief that death is not the ultimate end.

The Smart Set, 1904

Japan Adolfo Tamburello, 1975

The Rousing Drum Scott Schnell, 1999-06-01 Ritual is too often equated with unvarying or repetitive behavior. This impression is encouraged by the ethnographic tendency toward an overly narrow time frame, which highlights current relationships and conditions rather than long-term developments. The Rousing Drum takes a different view. It adopts a historical perspective encompassing several hundred years in exploring the role of ritual as an effective medium for negotiating sociopolitical and economic change. The setting is Furukawa, a town located in Japan's mountainous interior. Every spring the local Shinto shrine festival provides an opportunity for enacting social relationships and attitudes. By day, a portable shrine containing the spirit of the guardian deity is escorted through town in a stately procession. At night, however, a different scenario unfolds. A barrel-shaped drum is borne through the nighttime streets on a massive grid-like platform. Prominent members of the community are obliged to ride upon the platform, while teams of young adults rush out and attack it as it passes through their respective neighborhoods. The action can become quite unruly, and random fights and injuries are accepted as inevitable correlates. In analyzing the festival over time, Schnell reveals a dramatic transformation. The drum ritual, which originated as a minor preliminary to the other events, emerged during the late 1800s as an occasion for airing hostilities and settling scores. As Japan's modernization progressed, the ritual performance came to embody a symbolic challenge to institutionalized authority, and occasionally escalated into politically motivated violence. While the religious ceremonies observed during the day were appropriated by local power holders, the nighttime drum ritual represented a folk response to the officially sanctioned liturgy. The festival as a whole thus represented the clash of competing ideologies within the context of a single public forum. Today's ritual, rather tame by comparison, is being transformed into a tourist attraction aligned with the town's economic development objectives. Schnell's careful examination of the ethnohistorical data offers a valuable new perspective on Japanese festivals as well as the events and conditions that influence their development. His innovative look at ritual behavior over time persuades us that we can grasp the underlying significance of such activities only if we consider them within the context of larger historical patterns.

The Enigmatic Realm of **Long Nose Japanese Mask Meaning**: Unleashing the Language is Inner Magic

In a fast-paced digital era where connections and knowledge intertwine, the enigmatic realm of language reveals its inherent magic. Its capacity to stir emotions, ignite contemplation, and catalyze profound transformations is nothing short of extraordinary. Within the captivating pages of **Long Nose Japanese Mask Meaning** a literary masterpiece penned by way of a renowned author, readers embark on a transformative journey, unlocking the secrets and untapped potential embedded within each word. In this evaluation, we shall explore the book's core themes, assess its distinct writing style, and delve into its lasting effect on the hearts and minds of people who partake in its reading experience.
