Seth A. Klarman

Security Analysis, Seventh Edition: Principles and Techniques Seth A. Klarman, 2023-06-27 The classic work from the “father of value investing”—fully updated for today’s generation of investors First published in 1934, Security Analysis is one of the most influential financial books ever written. With more than million copies sold, it has provided generations of investors with the timeless value investing philosophy and techniques of the legendary Benjamin Graham and David L. Dodd. Security Analysis, Seventh Edition features the ideas and methods of today’s masters of value investing, who discuss the influence of Graham and Dodd on today’s markets and contextualize the philosophy that has influenced so many famous investors. The successful value investor must constantly be in the process of reinvention, of raising his or her game to navigate the terrain of new eras, novel securities, nascent businesses, emerging industries, shifting standards, and evolving market conditions. With the diverse perspectives of experienced contributors, this new edition of Security Analysis is a rich and varied tapestry of highly informed investment thinking that will be a worthy and long-lived successor to the preceding editions.
