All Things to All Men Ray Ashmore,2010-09-06 The task of the church, no matter what tradition or history, is to live incarnationally. It is the model of service that Christ exhibited and calls us to follow. One thing is clear: If the church's structure and practice is intended by God to be a means to redemptive ends, then the church today must change. The degree and pace of change depend upon each individual situation and its variables. But the necessity for change will not change.

When Love Hurts Nannie Scott Deese,2018-10-02 When Love Hurts, is a beautiful heart wrenching story about love, faith, grace, and redemption. Mary a beautiful young Colored girl from the Deep South in the early 1900s, the daughter of poor sharecroppers experienced all of these. In spite of her family being very poor, Mary was very happy growing up because she had a beautiful loving family, who she loved very much. She would do anything for the ones she loved. Mary was called by her parents their sensible child. They believed that they could always depend on Mary to use her good sense to make wise choices. She did have good sense, but lacked faith. Without faith, was good sense enough when temptation, troubles, and disasters came? Was it enough to help her to make good choices or did her choices led her to a life of indescribable pain and suffering, both emotional and physical? Come on this emotional roller coaster with Mary and see what happens. Experience love with Mary, experience pain with Mary, experience faith with Mary, experience grace with Mary, and experience redemption with Mary. This story can change your life! You will cry, laugh, and get angry as the characters in this story become real to you!

Colleen Wilson: Editor, Awesome Works Agency What I love about *Proverbs for Christian Living* is that it makes me think. The simple sayings are thought-provoking and very challenging. The Queer Bible Commentary Deryn Guest,2015-04-10 The Queer Bible Commentary brings together the work of several scholars and pastors known for their interest in the areas of gender, sexuality and Biblical studies. Rather than a verse-by-verse analysis, typical of more traditional commentaries, contributors to this volume focus specifically upon those portions of the book that have particular relevance for readers interested in lesbian, gay, bisexual and transgender issues such as the construction of gender and sexuality, the reification of heterosexuality, the question of lesbian and gay ancestry within the Bible, the transgendered voices of the prophets, the use of the Bible in contemporary political, socio-economic and religious spheres and the impact upon lesbian, gay, bisexual and transgender communities. Accordingly, the commentary raises new questions and re-directs more traditional questions in fresh and innovative ways, offering new angles of approach. This comprehensive, cutting-edge commentary is prefaced by an introductory essay by Professor Mary Tolbert. Contributors draw on feminist, queer, deconstructionist, utopian theories, the social sciences and historical-critical discourses. The focus is both how reading from lesbian, gay, bisexual and/or transgender perspectives affect the reading and interpretation of biblical texts and how biblical texts have and do affect lesbian, gay, bisexual and/or transgender communities. The commentary includes an extensive bibliography that directs the reader to a full range of literature relating to queer interpretation of scripture.

The Word Ann Monroe,2000-01-01 Based on interviews with biblical scholars (Ched Myers, Walter Wink, Marcus Borg), ministers (Peter Gomes, Jim Forbes, Kay Arthur), and Bible study groups across the country, Monroe's book offers a literary mosaic of the Bible in American culture.
