The Gist in the Mist Dr. Anthony Roland Lethbridge, 2009-10-21 WHAT IS REALLY REAL? Is the chair you are sitting on really there? What does reality and existence mean to you? Can you, as an ordinary human, get a grip of what reality is or could be? Well, yes you can! You can raise your perception horizons without becoming a nuclear physicist, philosopher or priest. MAN IS AN UNCERTAINTY MACHINE. He is fine-tuned to deal with uncertainty. He is not primarily a love machine (I am of course the exception), nor a sex machine nor a fighting machine nor a hate machine and not even a gene machine. He is an UNCERTAINTY MACHINE. People like and seek certainty in their lives, but is uncertainty the real path or key to reality? Should we celebrate and embrace uncertainty? So let's start using all that uncertainty and applying it to every component of our very being. · Can we trust our senses or is perception deception? · Can we trust the physical objects we are seeing around us? What is the matter batter holding us all together and how does matter . . . chatter? · What is the relationship between mind and matter? Is it the case that If you don't mind, it doesn't matter? · Do we have free will or are we just a quantum puppet? · If religion is the opium of the masses, is science the amphetamine of the individual? Do we put too much reliance on science and is our conviction a restriction? · Could it be that doubt gives you clout? Read on and be transformed to another world, the world of: 'THE GIST IN THE MIST'.

Beyond The Lines Dr. M. K. Krishnamoorthy, 2024-09-09 Though my forte is the creative world, I used to dabble now and then as a conscious concerned critic reacting to the current events by calling a spade a spade and providing necessary inputs for progress. Whilst expressing my profound gratitude and sense of appreciation wherever it's due, I failed not to condemn the words and deeds of the high and mighty with equal gravity. In the pious endeavour, piercing through the life and death lines of constricting 'Chakravayuh' and expanding 'Gyre'... I could perceive what is intended but not said and not only denoted but also connoted! I deemed it as my bounden duty to make my fellow citizens aware of the good and bad that happen around us for further constructive action. The result is a plethora of write-ups on eclectic areas including some of my personal tragedies that have universal values... The melange of nostalgic thoughts of my odyssey are compiled as 'Beyond the Lines' for the perusal of the readers.

After the Flood Lydia Barnett, 2019-07-02 How the story of Noah's Flood was central to the development of a global environmental consciousness in early modern Europe. Winner, Morris D. Forkosch Prize, Journal of the History of Ideas Many centuries before the emergence of the scientific consensus on climate change, people began to imagine the existence of a global environment: a natural system capable of changing humans and of being changed by them. In *After the Flood*, Lydia Barnett traces the history of this idea back to the early modern period, when the Scientific Revolution, the Reformations, the Little Ice Age, and the overseas expansion of European empire, religion, and commerce gave rise to new ideas about nature, humanity, and their intersecting histories. Recovering a forgotten episode in the history of environmental thought, Barnett brings to light the crucial role of religious faith and conflict in the emergence of a global environmental consciousness. Following Noah's Flood as a popular topic of debate through long-distance networks of knowledge from the late sixteenth through the early eighteenth centuries, Barnett reveals how early modern earth and environmental sciences were shaped by gender, evangelism, empire, race, and nation.

Be My Witnesses Darrell L. Guder,1985 What is the church's mission in the world? What message does it proclaim, and who is to proclaim it? The mission, says Darrell Guder in this book, is to complete the work of salvation that God began in the incarnation of his son Jesus Christ. The message is the gospel -- the good news of the incarnate Christ. And the messengers are the Body of Christ -- the church -- who have been called to be his witnesses. Only as we understand Christ's incarnation and the church's role in proclaiming its meaning, according to Guder, can we understand our calling to be witnesses of God's salvation.

Manifestos for History Sue Morgan,Keith Jenkins,Alun Munslow,2007-09-12 Written by some of the world's leading historians and theorists of history, Manifestos for History draws together a series of manifestos that address the question of what kinds of histories we ought to be considering and making in and for the twenty-first century. With a foreword by Joanna Bourke and an afterword by Hayden White, these manifestos - critical, innovative, reflexive, inspirational - are absolutely essential reading, not just for those embarking on the study of history, but for all those who would think seriously about 'the nature of history' in its present and possible future forms. This collection establishes a benchmark for all future considerations upon the discourse of history.

Young Citizens of the World Marilynne Boyle-Baise,Jack Zevin,2009-03-03 This text takes a clear stance: Social studies is about citizenship education - citizenship not only as a noun, but as a verb, something one DOES. Based on this clear curricular and pedagogical purpose, it lays out a holistic and multicultural three-part process for civic preparation: becoming informed, thinking it through, and taking action. Six outstanding teaching strategies and teaching/learning projects throughout bring this framework life.

Face to Face Marty Folsom,2016-08-31 Like falling in love, this book argues that a relationship with God begins with surprise, proceeds with discovery, and shapes a life that comes to share a story of love. This book does not describe God, but pursues the nature of personally relating with the triune God. Consequently, it also engages how we relate with humans made in God's image. We finish the Face-to-Face series with this most mysterious and fulfilling encounter--a personal engagement with the Relational God, known as a community of persons who invite us to share in their life.
