Good Guys, Bad Guys Emily K. Carian,2024-05-07 Good Guys, Bad Guys: The Perils of Men's Gender Activism explores questions of masculinity, privilege, and identity to explain why some men become feminists while others become men's rights activists. Film Quotations Robert A. Nowlan,Gwendolyn W. Nowlan,2016-04-30 Certain lines define a movie. Marlene Dietrich in Morocco: "Anyone who has faith in me is a sucker." Too, there are lines that fit actor and character. Mae West in I'm No Angel: "I'm very quick in a slow way." Jane Fonda in California Suite: "Fit? You think I look fit? What an awful shit you are. I look gorgeous." From the classics to the grade-B slasher movies, over 11,000 quotes are arranged by over 900 subjects, like accidents, double entendres, eyes (and other body parts!), ice cream, luggage, parasites, and ugliness. Each quote gives the

movie title, production company, year of release, speaker of the line, and, when appropriate, a comment putting the quote in context.

Quote the World Forevermore AYDI the Watcher ,2022-09-19 Why do I call myself AYDI the Watcher? That's a good question. I call myself that because I observe our world and the way we interact as humans. Years and years of these observations led me to read up on Psychology, politics and human relations. I listened to many prominent psychologists and therapists to hone my ideas, and the result is this book. Now, this is not a traditional book that delves into the subject matters mentioned above, but a collection of inspiring and thought-provoking quotes fleshed out with my thoughts and feelings, these thoughts and feelings touching on human psychology and behaviour. Some of these quotes were taken from my Facebook page, The Watcher (@AYDItheWatcher) and expanded upon and new ones were added to convey my thoughts on this world that we live in and how hierarchies and human structures affect our daily lives. My goal is to get people thinking and see different perspectives, and protect themselves from harm and manipulation. I hope this goal is achieved and your minds are unlocked. The freer the minds, the better the world.

American Indian Quotations Howard J. Langer,1996-06-24 The first book of American Indian quotations, this volume offers 800 quotations covering more than four centuries of American life. The quotations include the words of warriors, poets, politicians, doctors, lawyers, athletes, and others. Arranged chronologically, they enable one to follow the history of American Indians since Columbus through the words of those who lived through centuries of despoilment, disease, and

death. Putting real people into the tragedy that has been the story of Indian life, the book includes quotes not only about historic incidents, but also of Indian views on education, values, ecology, family, and religion. There is humor as well as quotations of defiance, war, and bloodshed. The language is rich and colorful, always moving. The book provides brief biographical information on those quoted, including both contemporary and historical figures. The material is cross-referenced with subject, key word, author, and tribal indexes. The work is a reference book, a history book, and a resource for speakers and educators.

I Dated This Guy Once ? Toni Rae,2013-09 This is my story, no fabrications, no bullshit, just a small glimpse into the life of a young woman. There is a lot to be said about going through the volatile years of ages 18-26. How do we get through them? How do we approach our decisions? How can we tell the difference between a man with good intentions and a man with a mission to get laid? You honestly can't. There are so many things that young women must learn on their own. No matter how much a father or mother try to protect their children from the world, somehow the world happens anyway. I Dated This Guy Once... is intended to not only entertain you, but also to somehow educate you through my experiences. We are all made up of our past experiences, both good and bad. It is these experiences that form the fabric of the future. With that said, maybe people will start looking at life, relationships and marriage differently. Maybe perspective is all we need to change this society. I have no idea. If nothing else, you will undoubtedly be entertained. Red wine recommended.

Easier Sci-Fi Play Peter Rudin-Burgess,2024-12-29 I was asked to put down my thoughts on running better science fiction games and at first, I wasn't sure what to write, sci-fi is so broad a genre. How do you encompass everything from dystopian cyberpunk to the optimism of Star Trek?What this book contains is 17 mini-essays. The first half is all about reducing the scope of your games and campaigns. Sci-fi is such a broad genre that the more you narrow your scope the

greater clarity you get of what your game is going to be about. The second half is all about building your campaigns up. I do cover some problems I have experienced with running science fiction games, but the real use of this book is to help you look at your campaigns with fresh eyes and see if you can make them better. The final chapter of the book is a checklist of the ideas I have covered to help you build better campaigns. I suggest watching the video below to get a better understanding of what this book offers. As normal, you can read the entire book in the full size preview if you wish.

You'll meet characters like John, who found solace in his model train collection after his wife left him for his best friend, and Sarah, who discovered her love of skydiving after her husband ran off with their couples' therapist. These stories are a reminder that no matter how tough things get, there's always a punchline waiting around the corner.
