Sex, Womanizing and ... Fred Sights, 2019-03-14 Facing life in and of itself is difficult. But when self-esteem issues, drugs, and questions about life come crashing down all at once, life is more than difficult. Many of us have unpleasant memories which we have carried on our shoulders as we became adults. These memories which may seem dormant can surface in many other negative ways. Unexplained aggression, total mood changes for no apparent reason, deep depression are just a few examples which can come from repressed feelings. This is about one person who struggles to overcome their inner conflicts as well as the shame which came from certain traumatic events. The life of those closest to Fred was greatly affected. Self-redemption and the long journey to coming to terms in order to heal is a story that everyone should be able to relate to. People who are afraid to speak on issues that hurt have to understand that to hold on to these bitter feelings will become toxic. And just like waste it will poison everything around. Thoughts of suicide was a big part of Fred's life during the years of inner rage as well as low self-esteem. Many may wrestle with these thoughts but through the personal experience I can say that reaching rock bottom made me face myself. I am thanking God for being a great part of my life without this foundation I would not be here now. Whether you to go to church or not this story should impress everyone in order to heal, we have to put closure on certain unpleasant subjects.

The Hilltop Assaf Gavron, 2014-10-07 Mordantly funny and deeply moving, this award-winning novel about life in a West Bank settlement has been hailed as “brilliant” (The New York Times Book Review) and “The Great Israeli Novel [in which] Gavron stakes his claim to be Israel’s Jonathan Franzen” (Tablet). On a rocky hilltop stands Ma’aleh Hermesh C, a fledgling outpost of Jewish settlers in the West Bank. According to government records it doesn’t exist; according to the military it must be defended. On this contested land, Othniel Assis—under the wary gaze of the Palestinians in the neighboring village—lives on his farm with his ever-expanding family. As Othniel cheerfully manipulates government agencies, more settlers arrive, and a hodge-podge of shipping containers and mobile homes takes root. One steadfast resident is Gabi Kupper, a former kibbutz dweller who savors the delicate routines of life on the settlement. When Gabi’s prodigal brother, Roni, arrives penniless on his doorstep with a bizarre plan to sell the “artisanal” olive oil from the Palestinian village to Tel Aviv yuppies, Gabi worries his life won’t stay quiet for long. Then a nosy American journalist stumbles into Ma’aleh Hermesh

C, and Gabi's worst fears are confirmed. The settlement becomes the focus of an international diplomatic scandal, facing its greatest threat yet. This "indispensable novel" (The Wall Street Journal) skewers the complex, often absurd reality of life in Israel. Grappling with one of the most charged geo-political issues of our time, "Gavron's story gains a foothold in our hearts and minds and stubbornly refuses to leave" (Kirkus Reviews, starred review).

His letters reveal a deep compassion for the ordained and laity alike. Translated by Randolph S. Whitfield

If You Had Listened to Grandma, You Wouldn'T Need a Shrink! Shiela Lazarus,2011-07-21 Put your feet up, put on your favorite music, and enjoy! Learn effective life skills without psychobabble! The book is humorous, easy to understand yet very profound in its teaching of personal growth. The book is divided into concepts that are broken down into sayings that the authors grandmother used to teach her about life. Grandma gave advice that was simple, effective, and easy to understand. She enlightened, provided wisdom, nurtured, and loved unconditionally. The teachings are meant to unleash the power that lives within you. Concepts such as love, relationships, boundaries, conflict, and goal setting, to mention just a few, are conveyed through to words of grandma. The book is an enjoyable read that brings back the nostalgia of days long ago. By the end of the book the authors grandmother will become your grandmother too. You will be able to touch, feel, and hear her. You will also be able to taste her chopped liver and smell her chicken soup. Above all, you will be able to pass down her wisdom to your own loved ones.

The Recorded Sayings of Chan Master Zhongfeng Mingben Jeffrey L. Broughton,Mingben (Shi),2023 This book presents Chan (Zen) Buddhism through the talks and writings of Zhongfeng Mingben (1263-1323), the key Chan master of the Mongol Yuan dynasty (1271-1368). Through translation of various genres of Zhongfeng's talks and writings, the book attempts to allow Zhongfeng to speak Chan/Zen for himself. His interactions with foreign students (such as disciples from distant Yunnan and Japan) and his teachings on the relationship between Chan and Pure Land nianfo (nembutsu) are closely examined. Also, the book highlights his influence on the Linji Chan of the subsequent Ming dynasty (a neglected area in Chan studies).

Whatever Mike J. Aronson,2021-09-27 Whatever is a book about you. Whatever will help you in your daily life. Whatever will also help you to help others. If Jerry Seinfeld can write a show about nothing and Cosmo Kramer can write a coffee-table book that turns into a coffee table, I can write a book about Whatever. We all have “stuff” we all need to learn how to deal with. We need to adapt in helping others with their stuff also. Many times, people don't need physical help. They are just looking for someone to talk to and maybe get another perspective of the situation or someone whom they just needed to vent to. Be a good listener. It's not always about you. When you help someone, chances are, you are helping yourself. At times, people just need some help. The littlest things can make such a big difference—a smile, a laugh, or even just opening the car door for someone. This book is over twenty years and a lifetime of observations, situations, and experiences I have had, and many you have had. The key element of Whatever is to help yourself first and then for you to pass it on to others. We are just a world of people helping people, and sometimes we need a little help. I hope you enjoy reading Whatever and have some laughs and smiles along the way. I know you have seen some of the writings and pictures before. Maybe now you will be able to look at your life differently. Whatever will help you do that and also for you to help someone else. Remember what they tell

you on an airplane: “Secure your own oxygen first before helping others.” Enjoy your time.
